RECESS
RACER

QUICKEST
Kid
ON THE
BLOCK~

Swiftest
cyclist

Chase had a need for speed.

Ready...

CHASE!

Dad and Daddy needed help
in the bakery
with the mayor's cupcake order.

But baking took...

RACE??

Yes.
Now, please, grab the
measuring cups!

BUT MEASURING
WILL SLOW US DOWN!
Shouldn't we
SPEED UP?

That's
quite a
whisk.

We **DO** know the
recipe by heart...

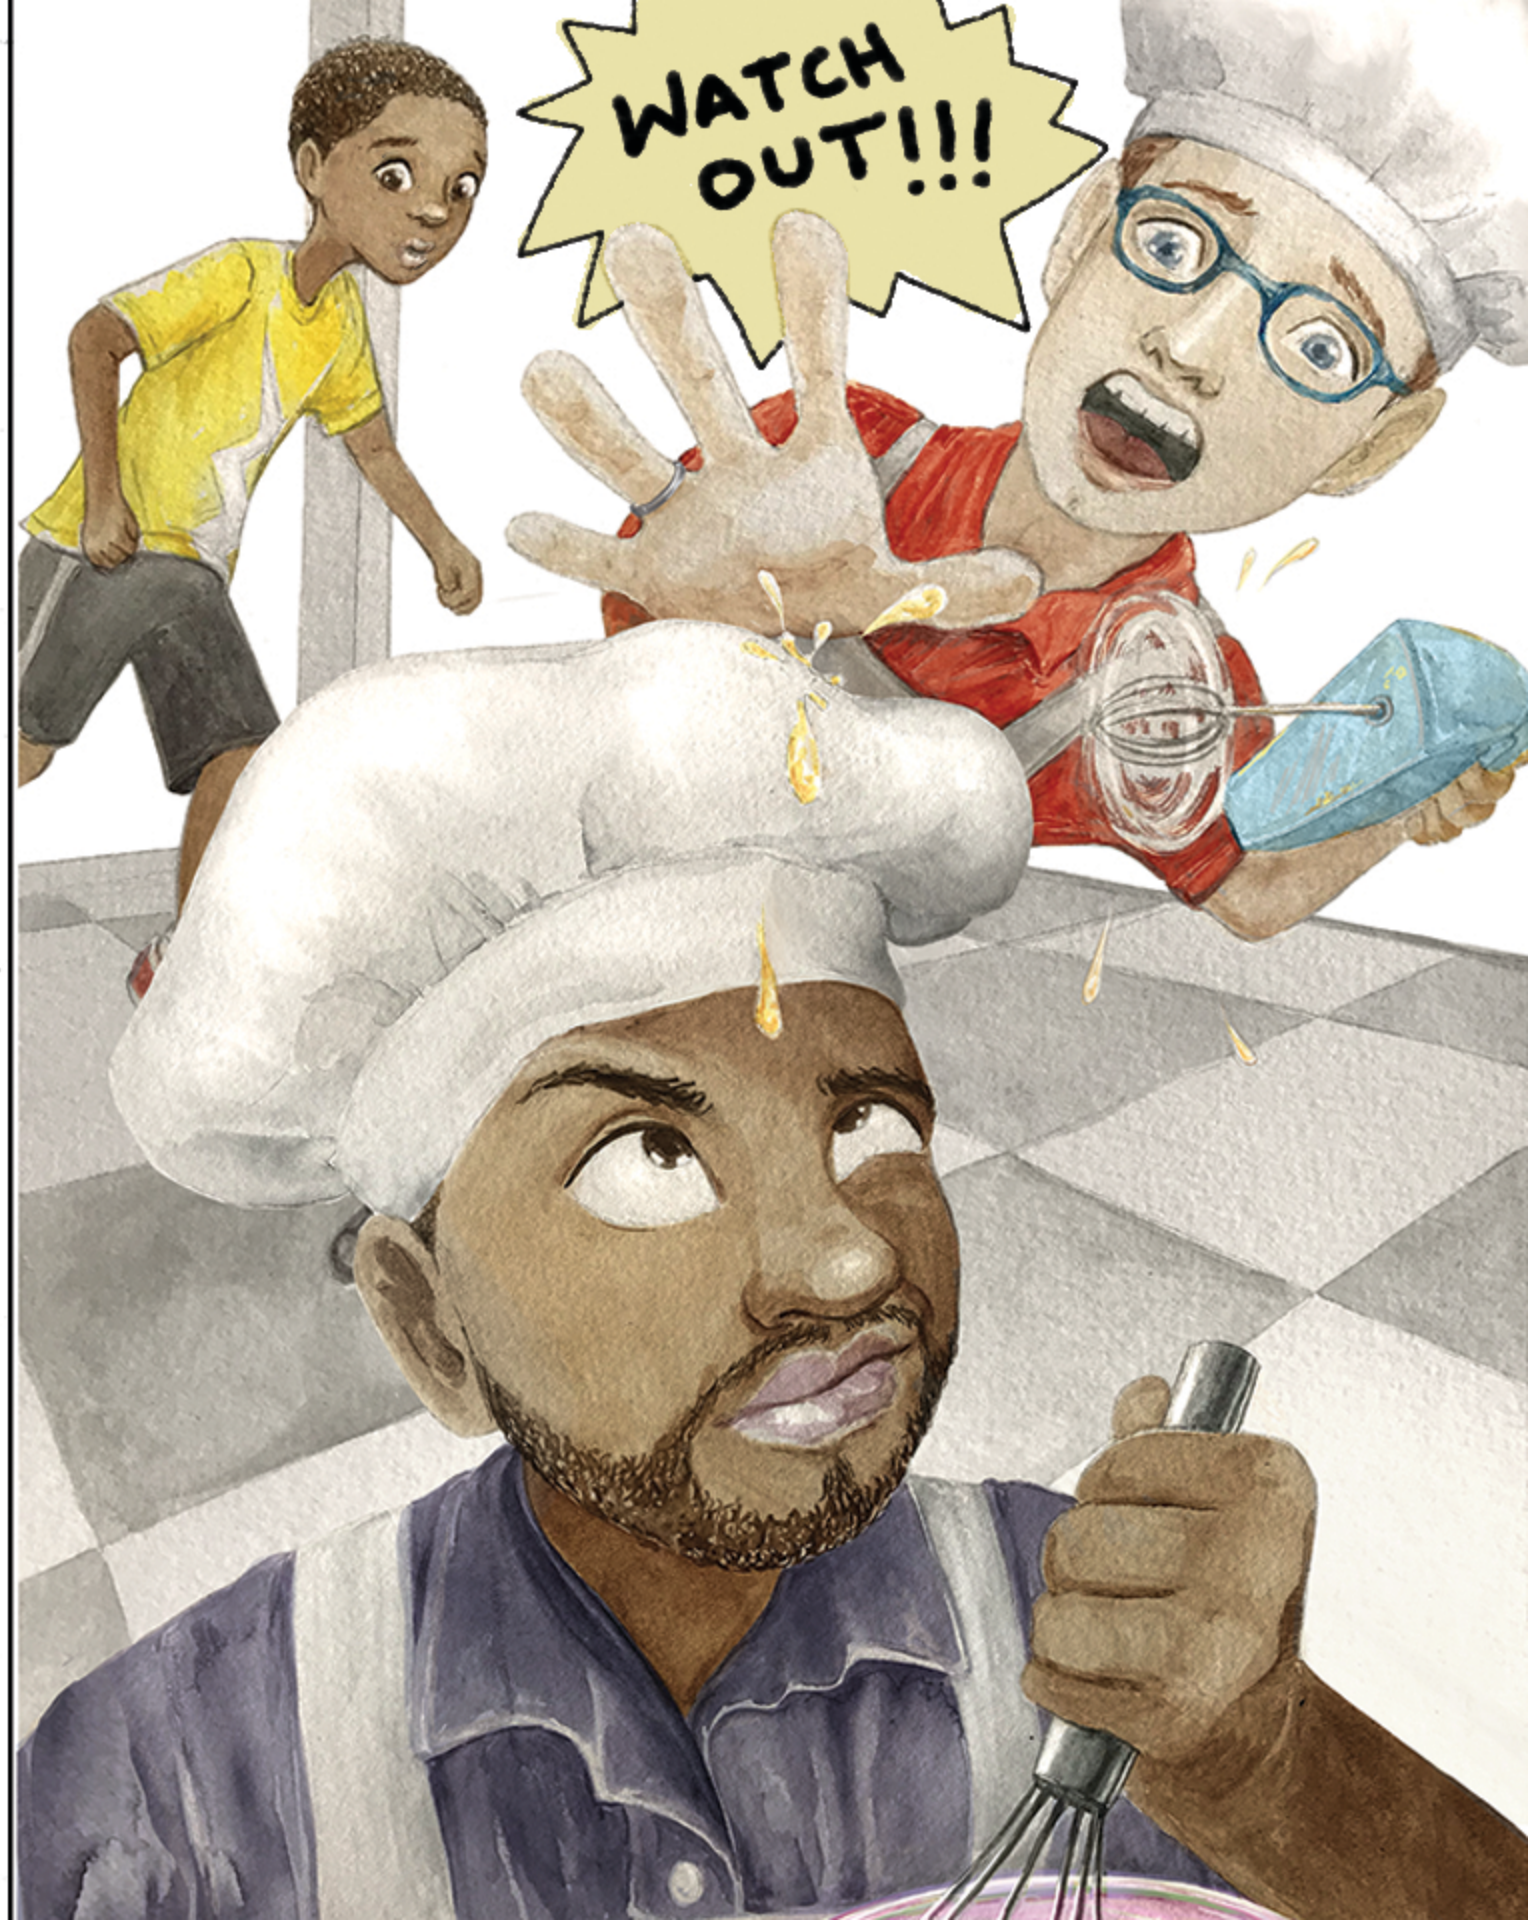

It's
against my
batter
judgment, but...

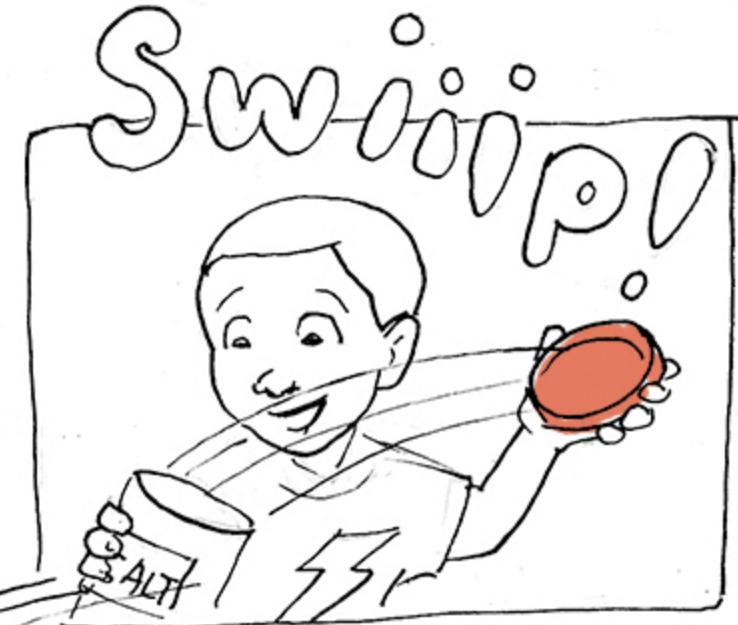

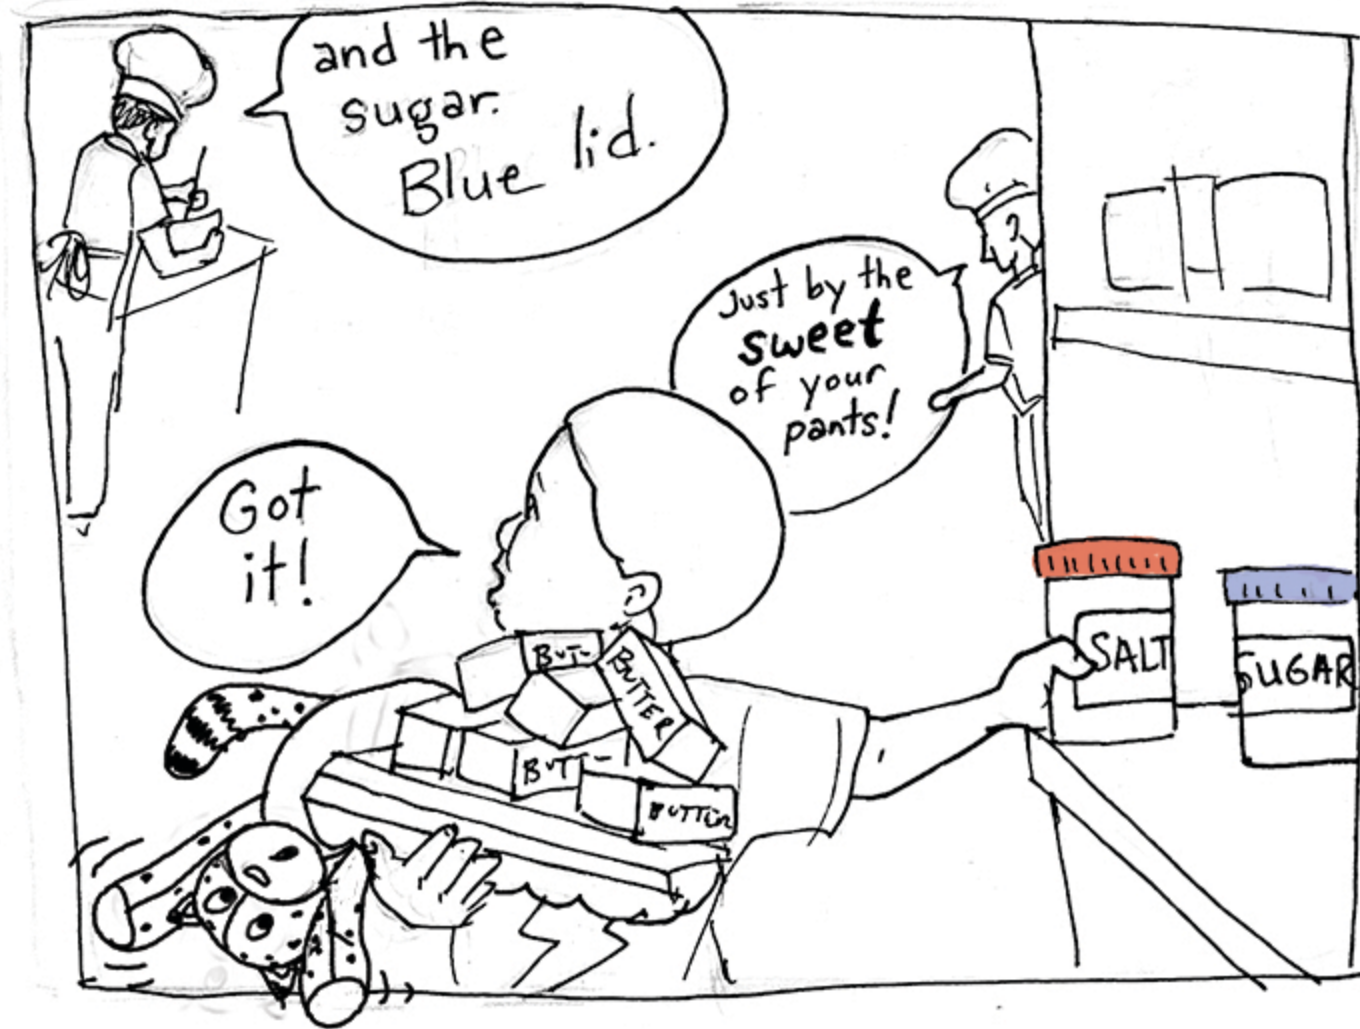

Ready...

SET...

BAKE!

What a frenzy!

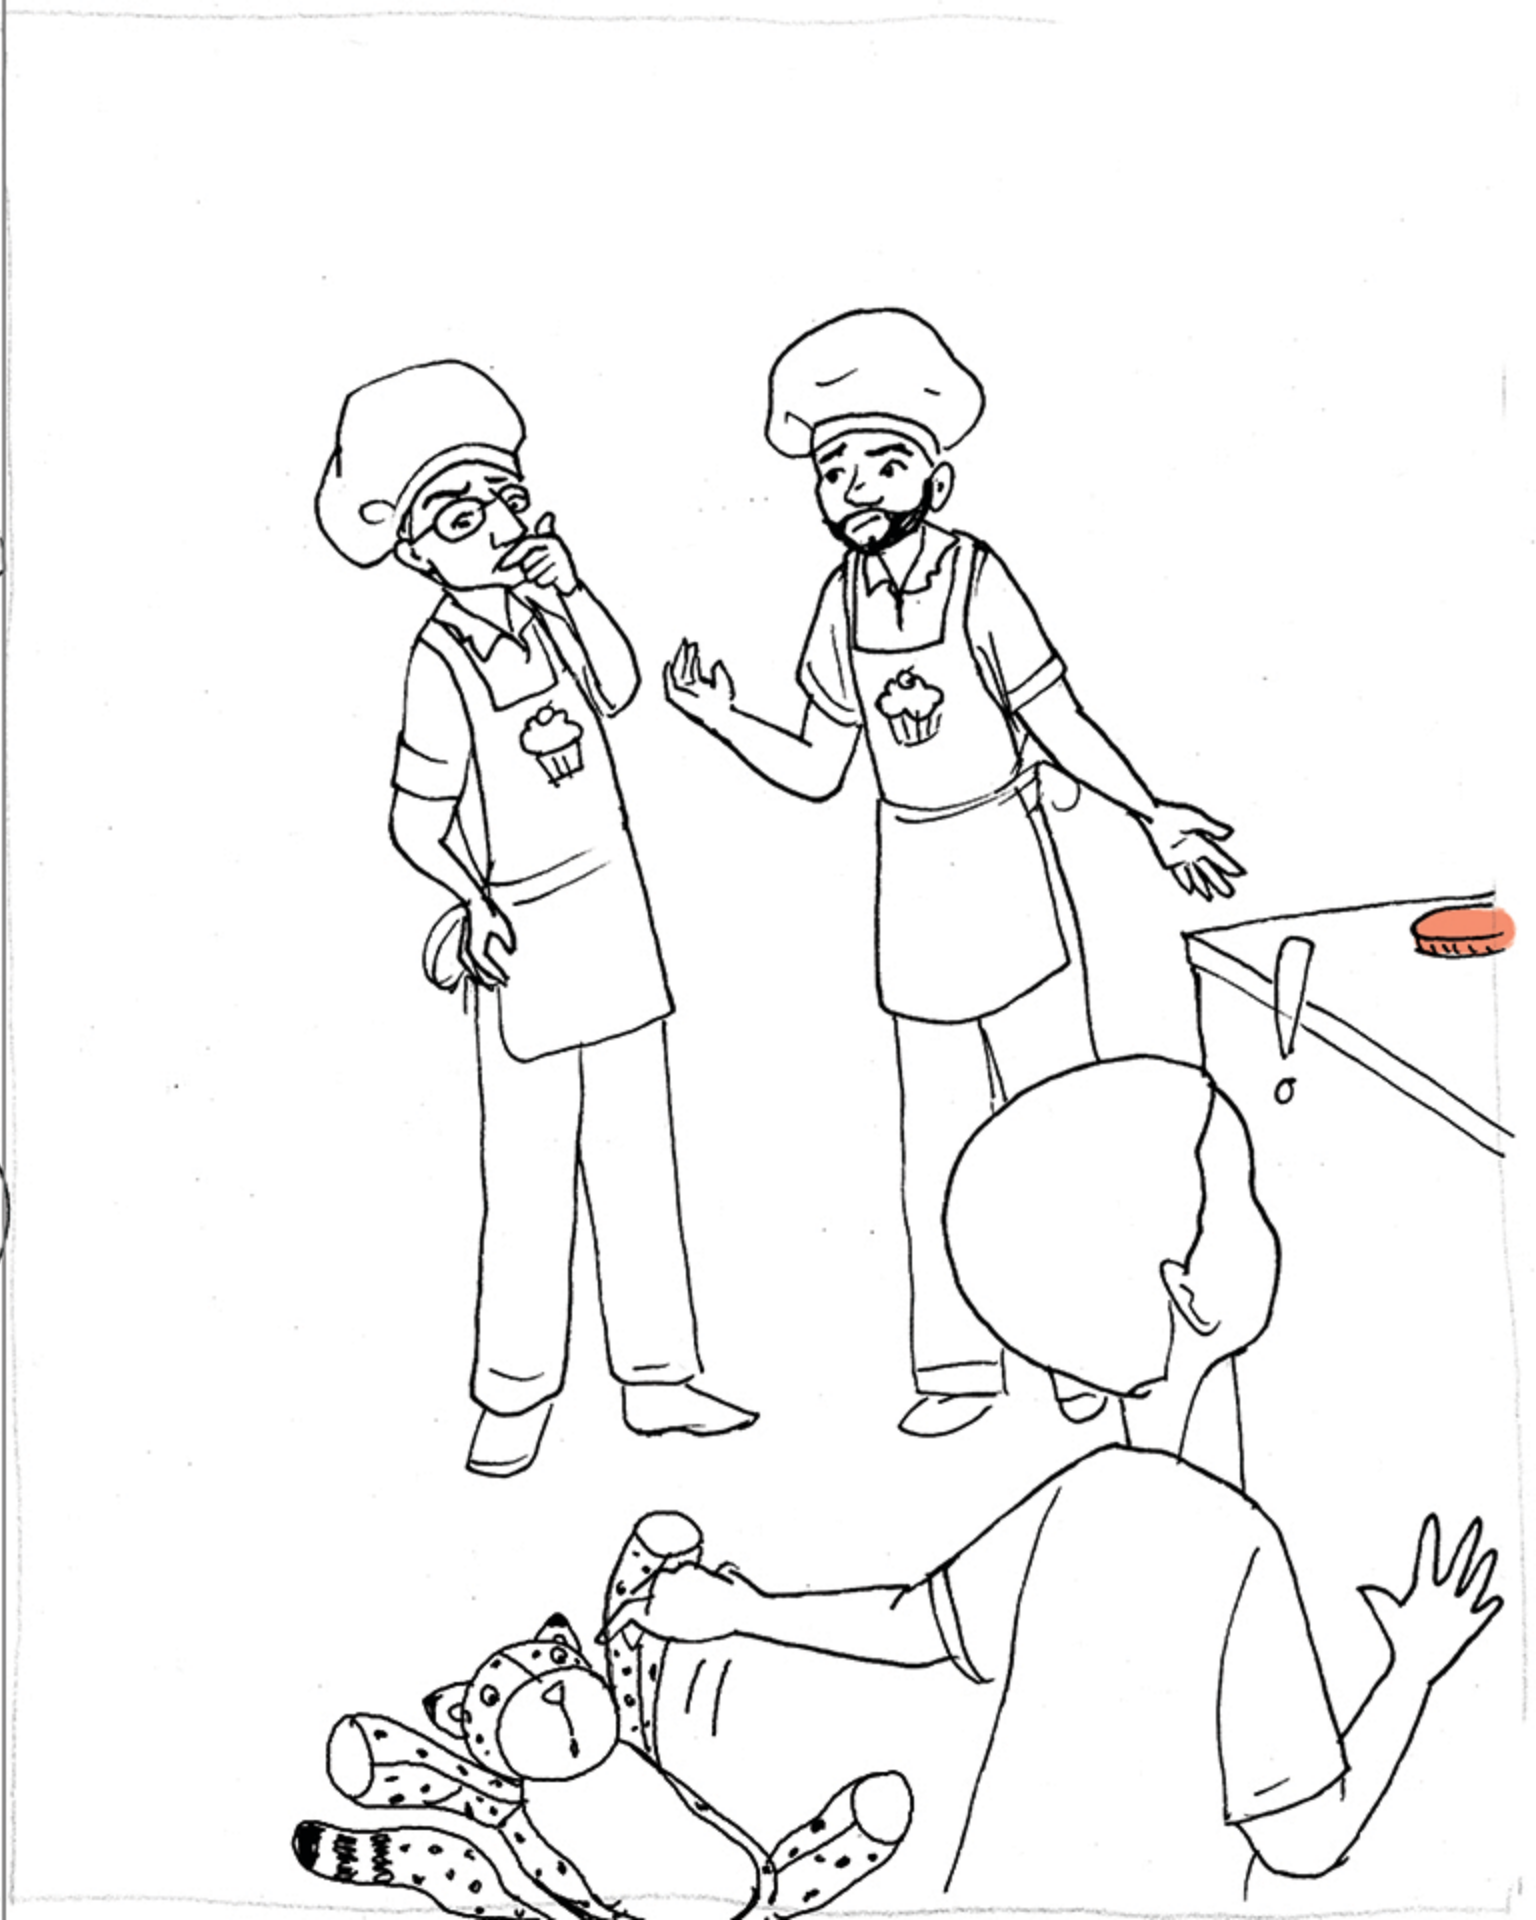

What a HULLABALOO!

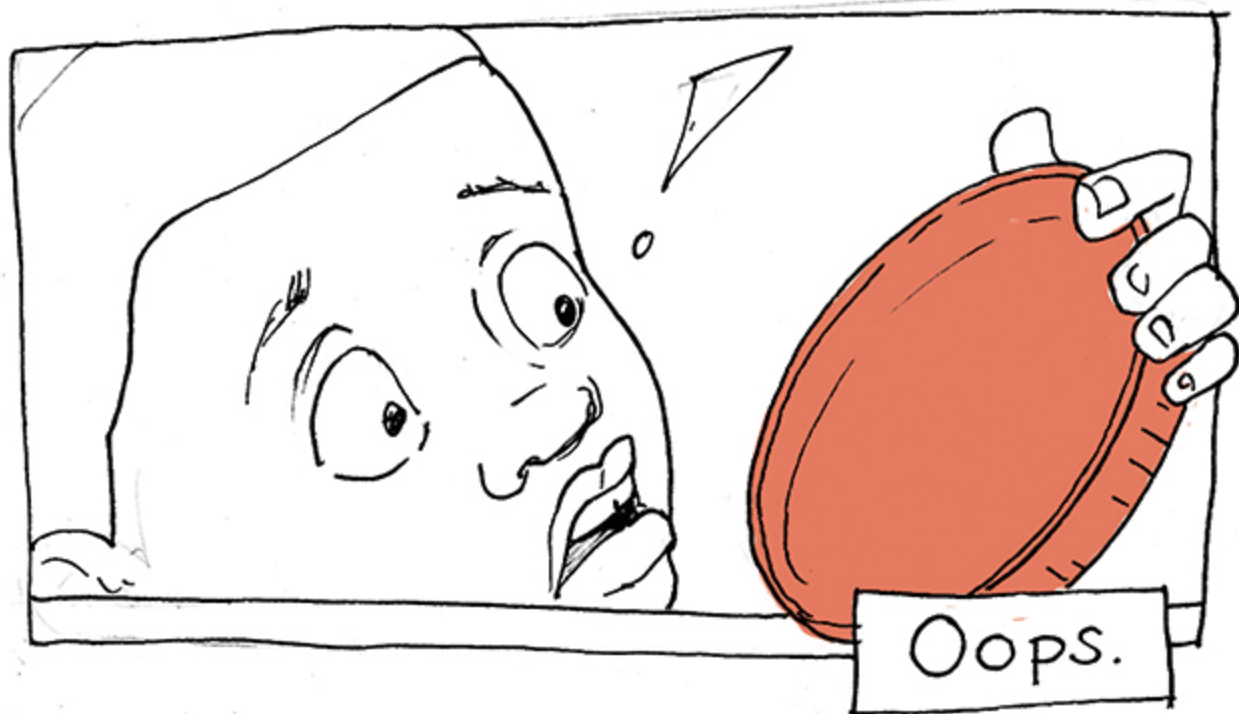

WHAT A...

...mess.

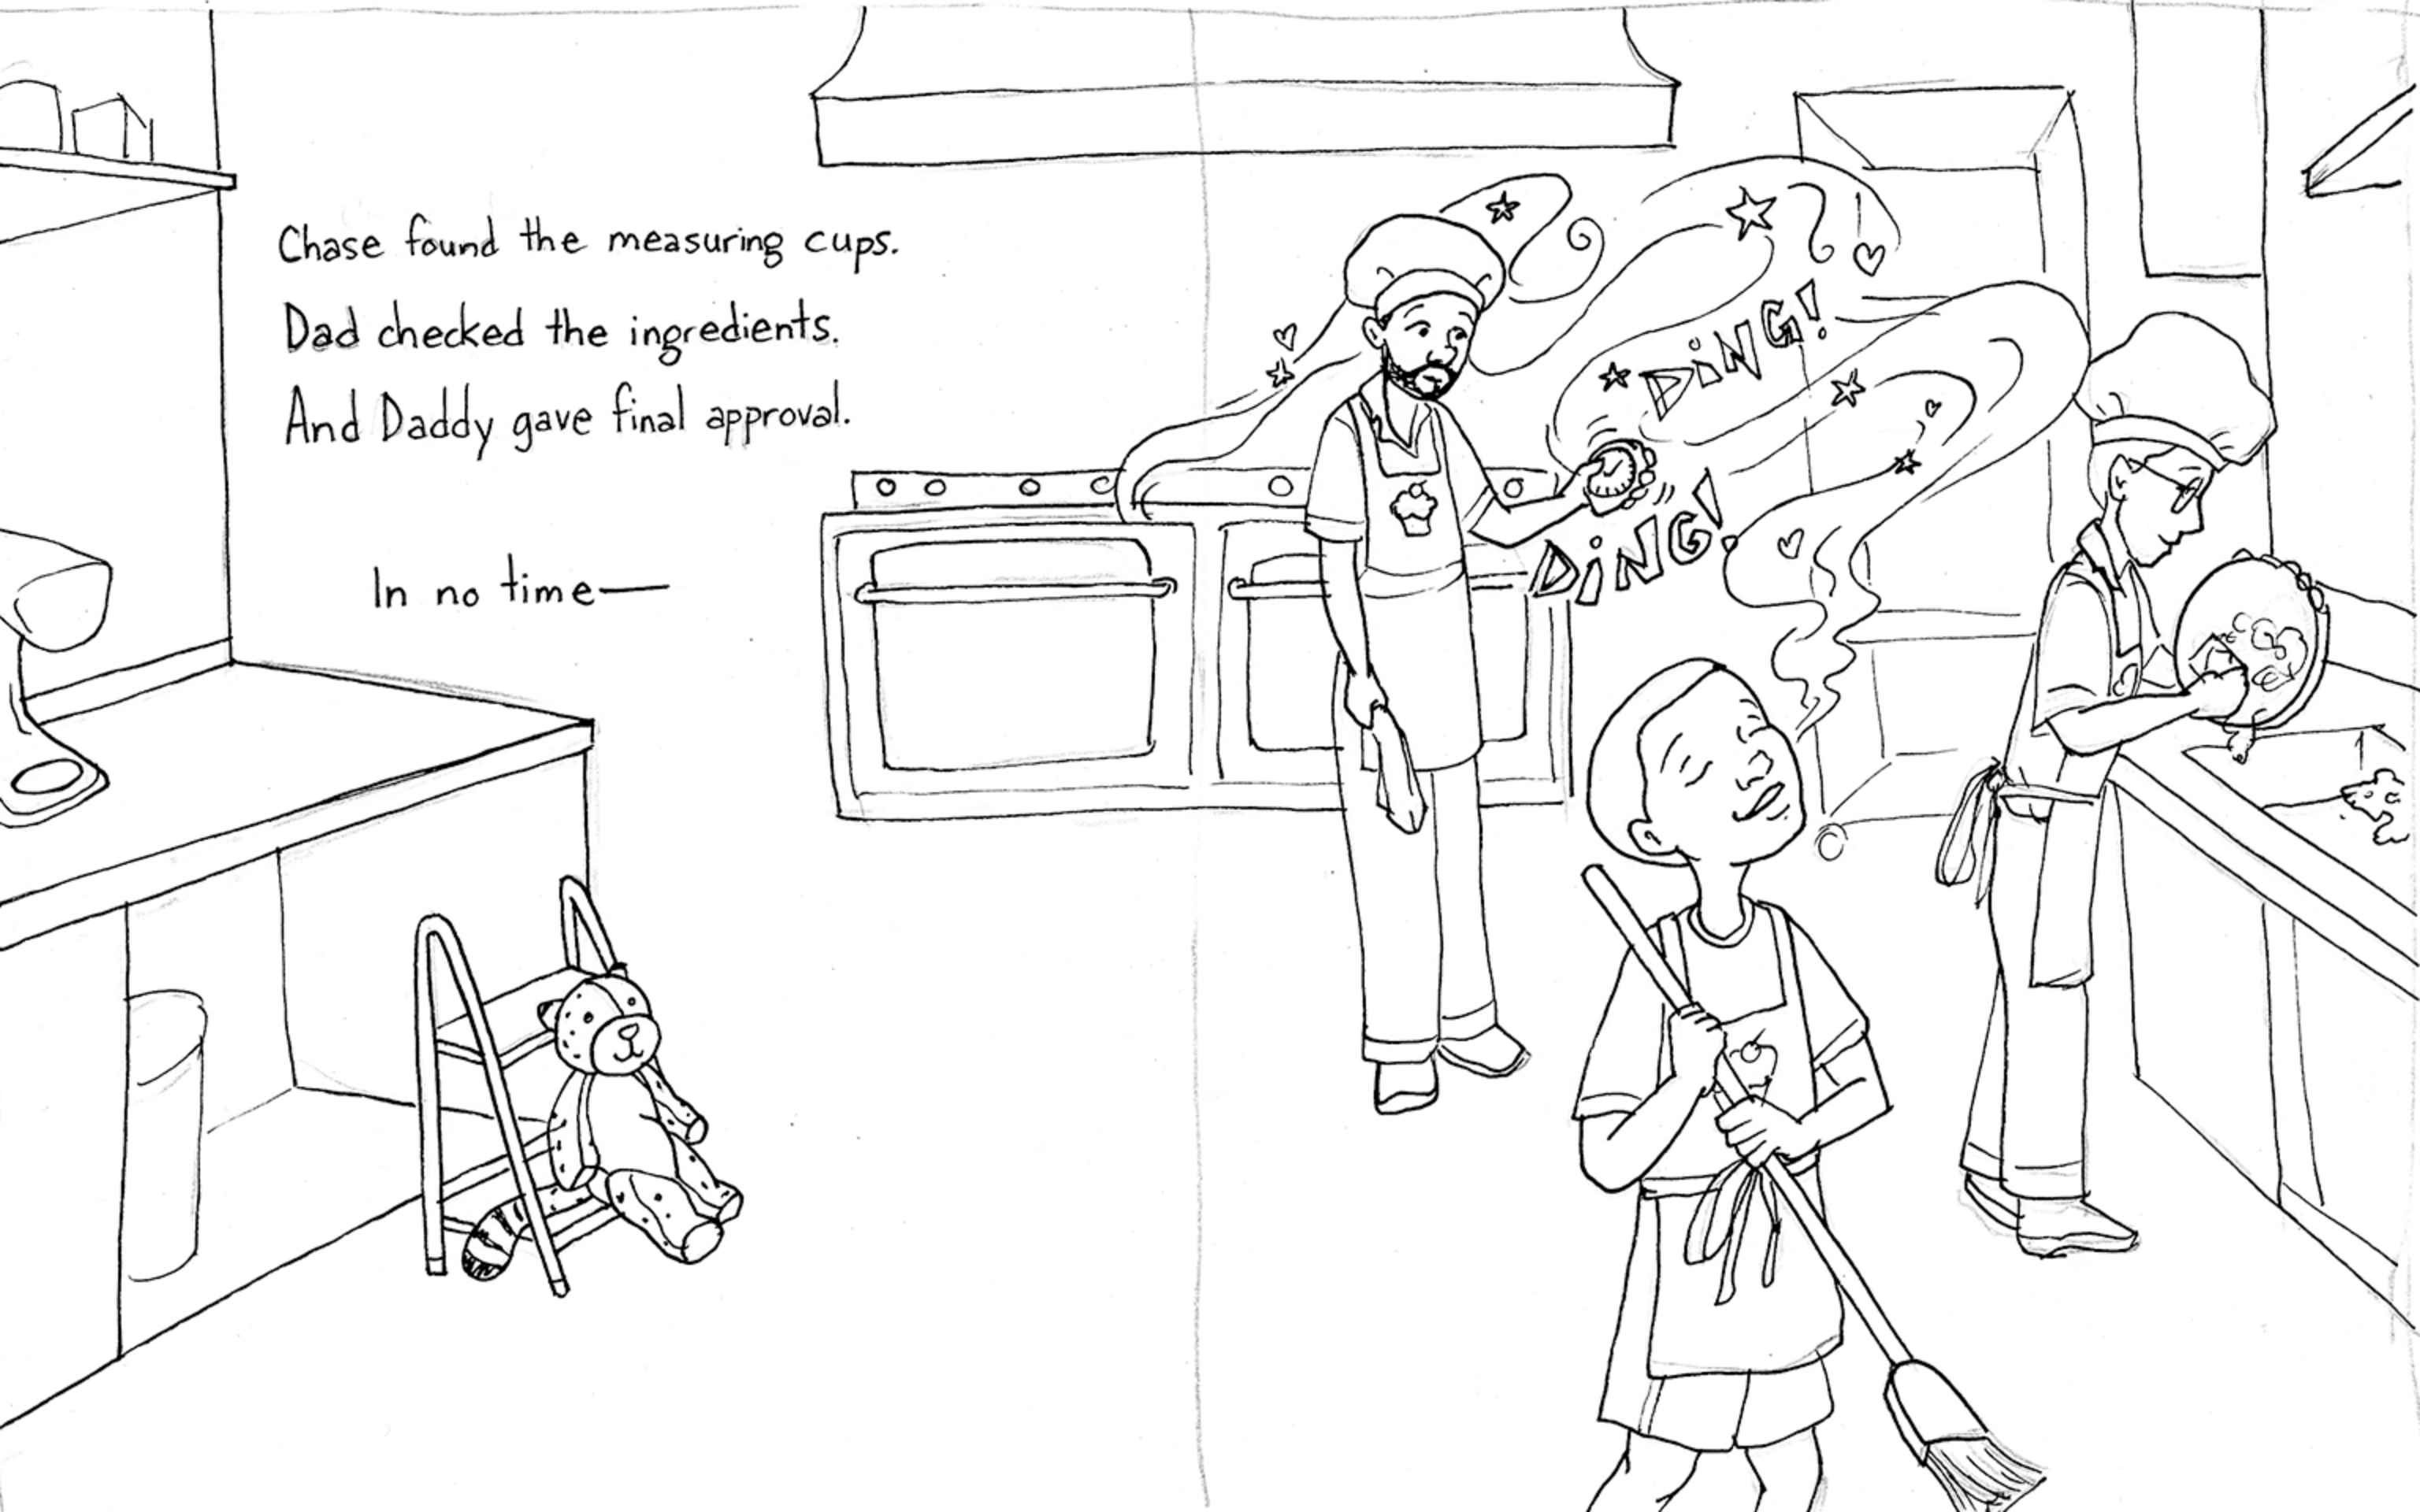

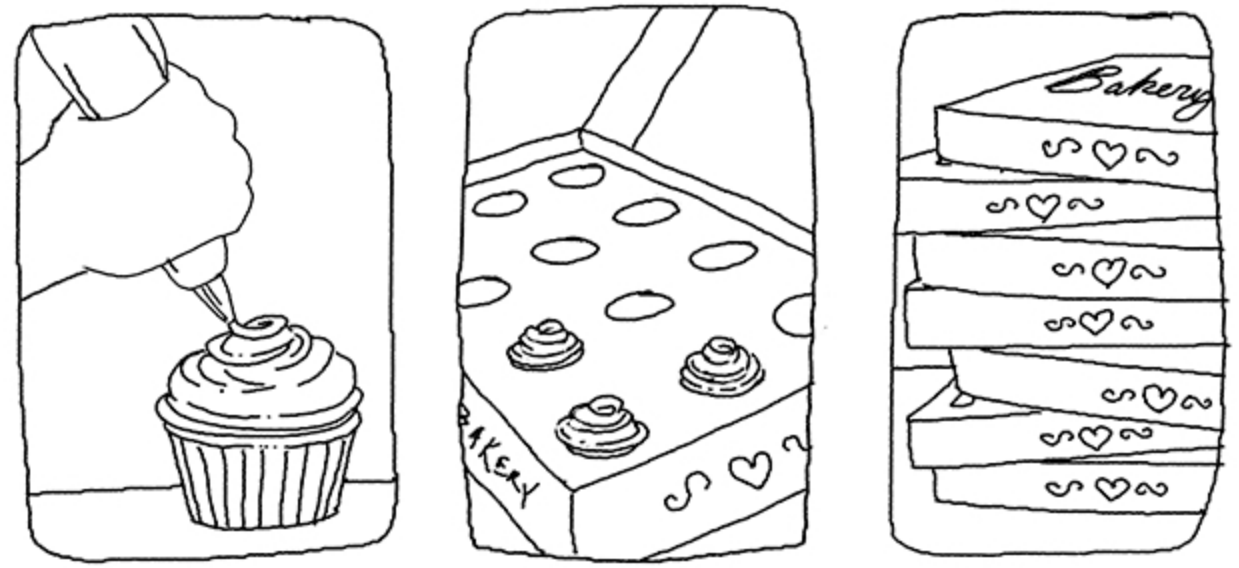

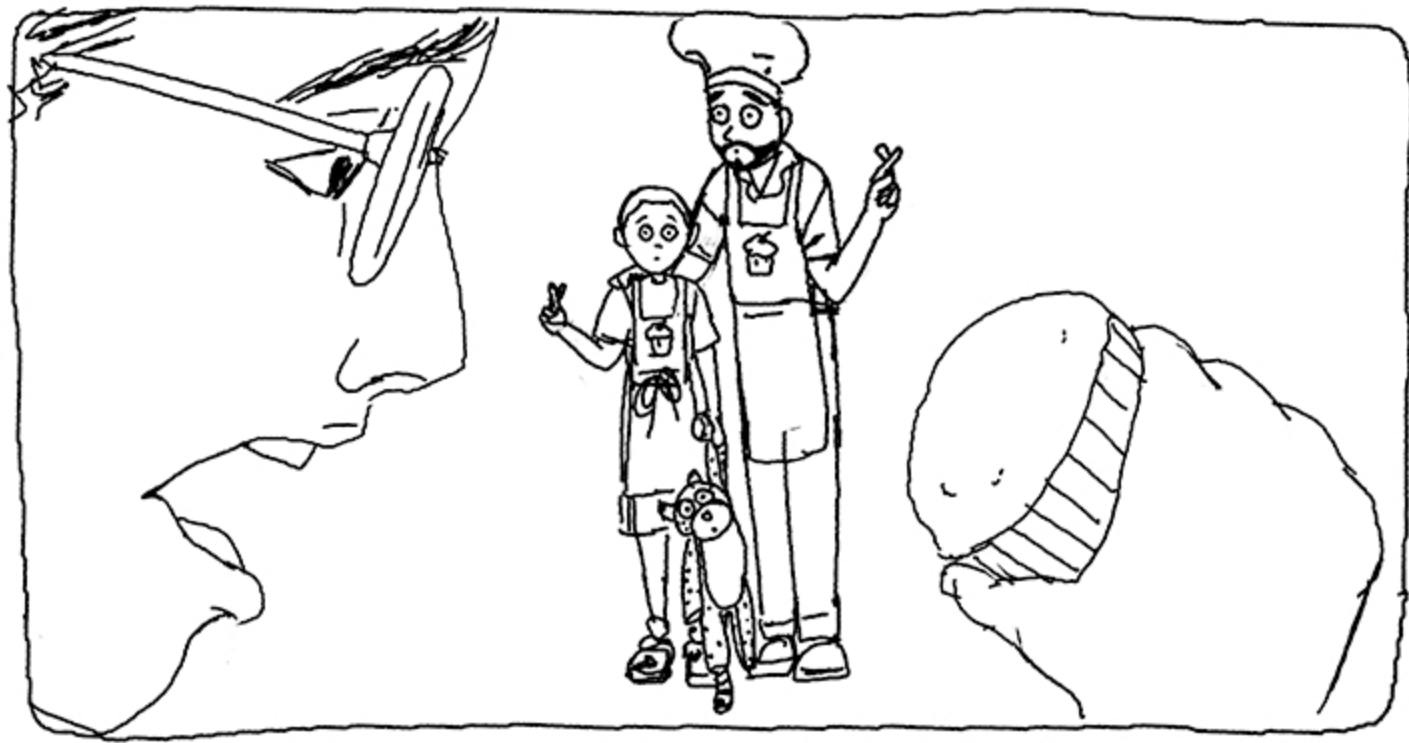

Chase found the measuring cups.
Dad checked the ingredients.
And Daddy gave final approval.

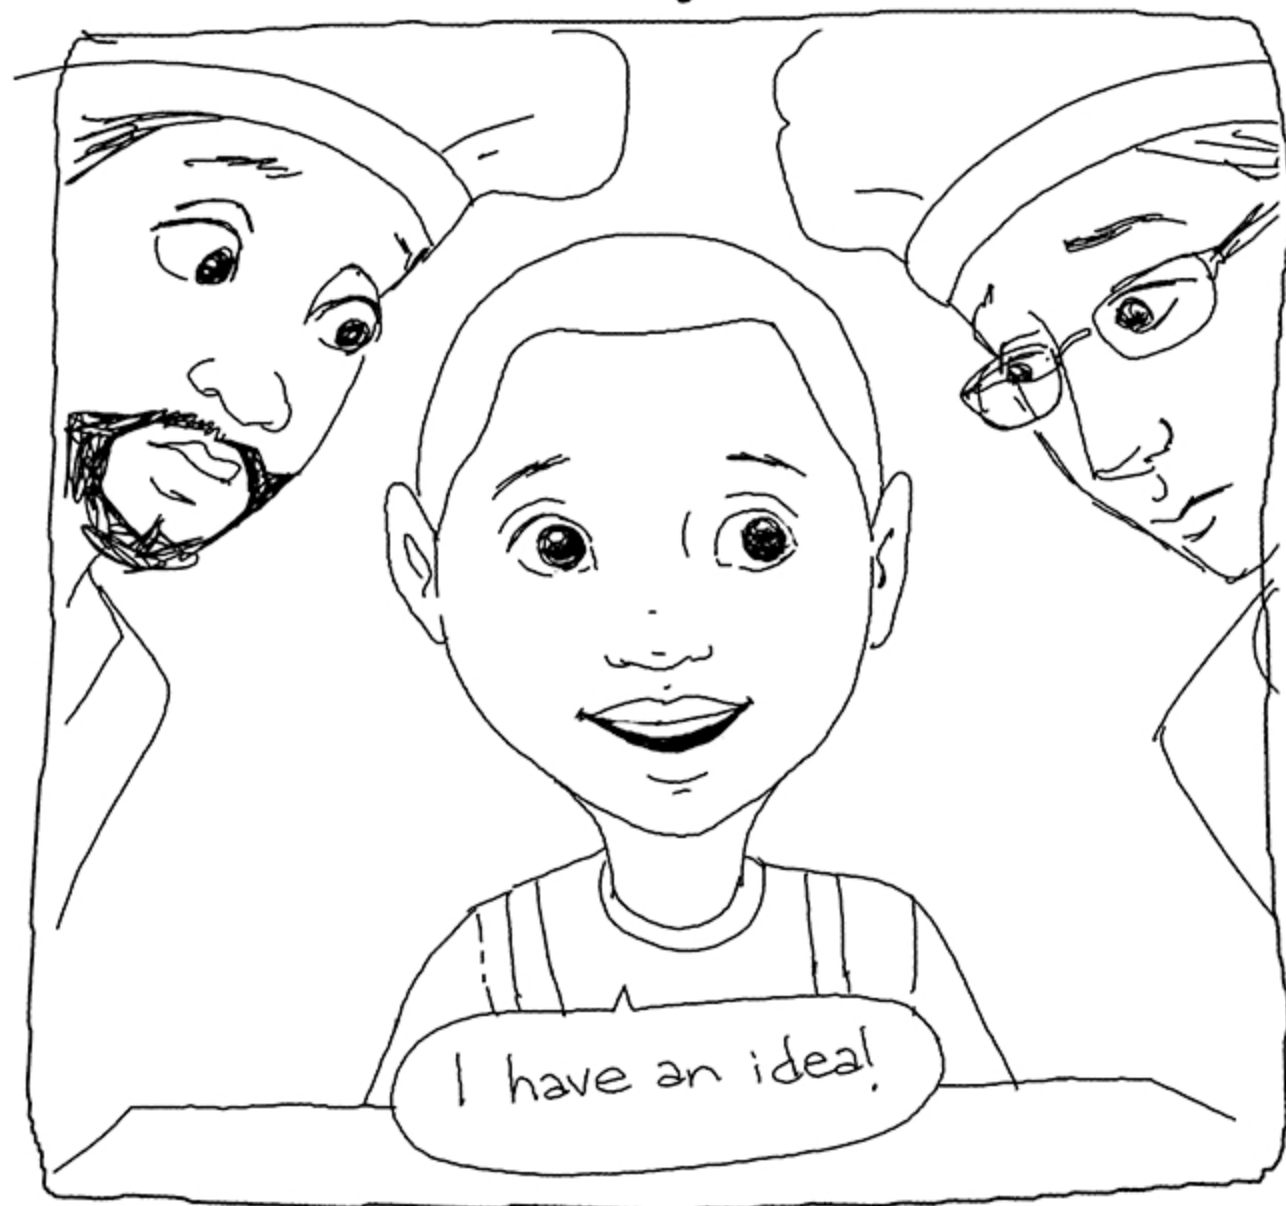

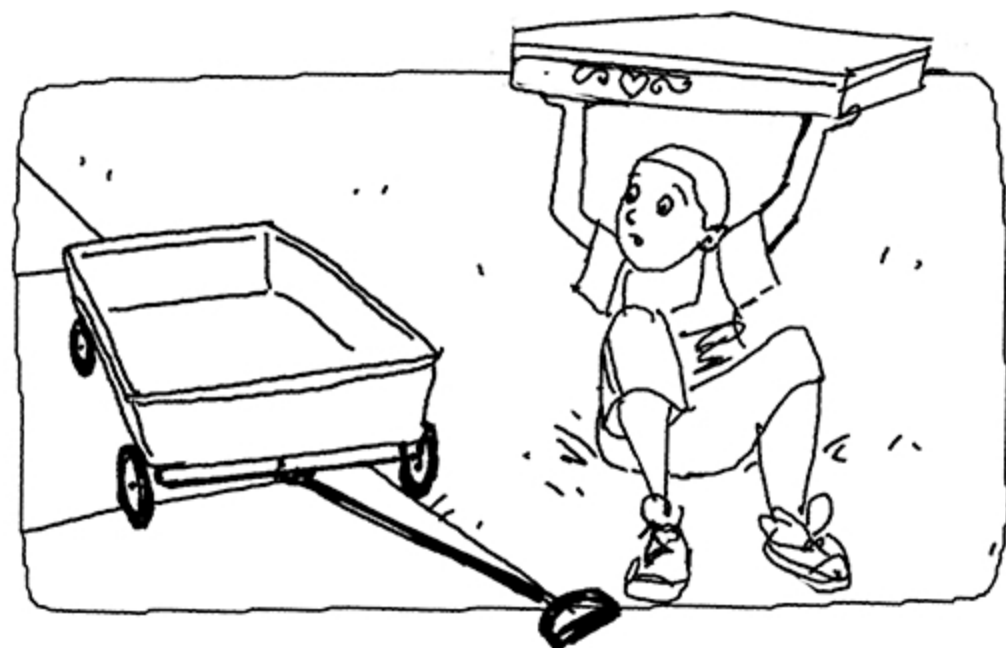

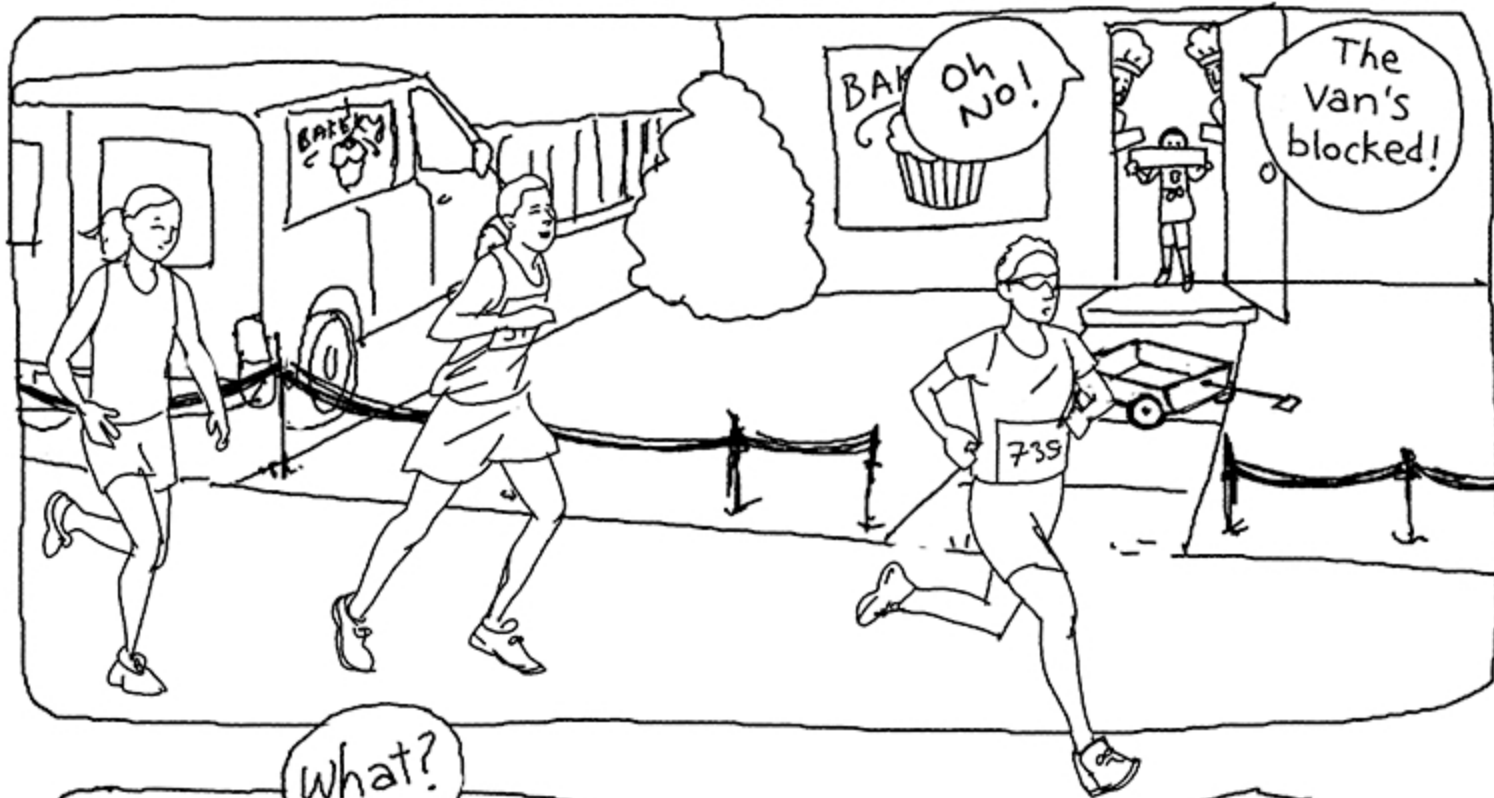

In no time—

With the last cupcake frosted and boxed,
it was time to load the van, but...

mmm... How did you
make these so
SCRUMPTIOUS?

There's
flour,
sugar,
eggs...

...and just a
pinch
of slow!
