Slime Showtime!

Glitter parties, making music, and slime diving may SEEM exciting...

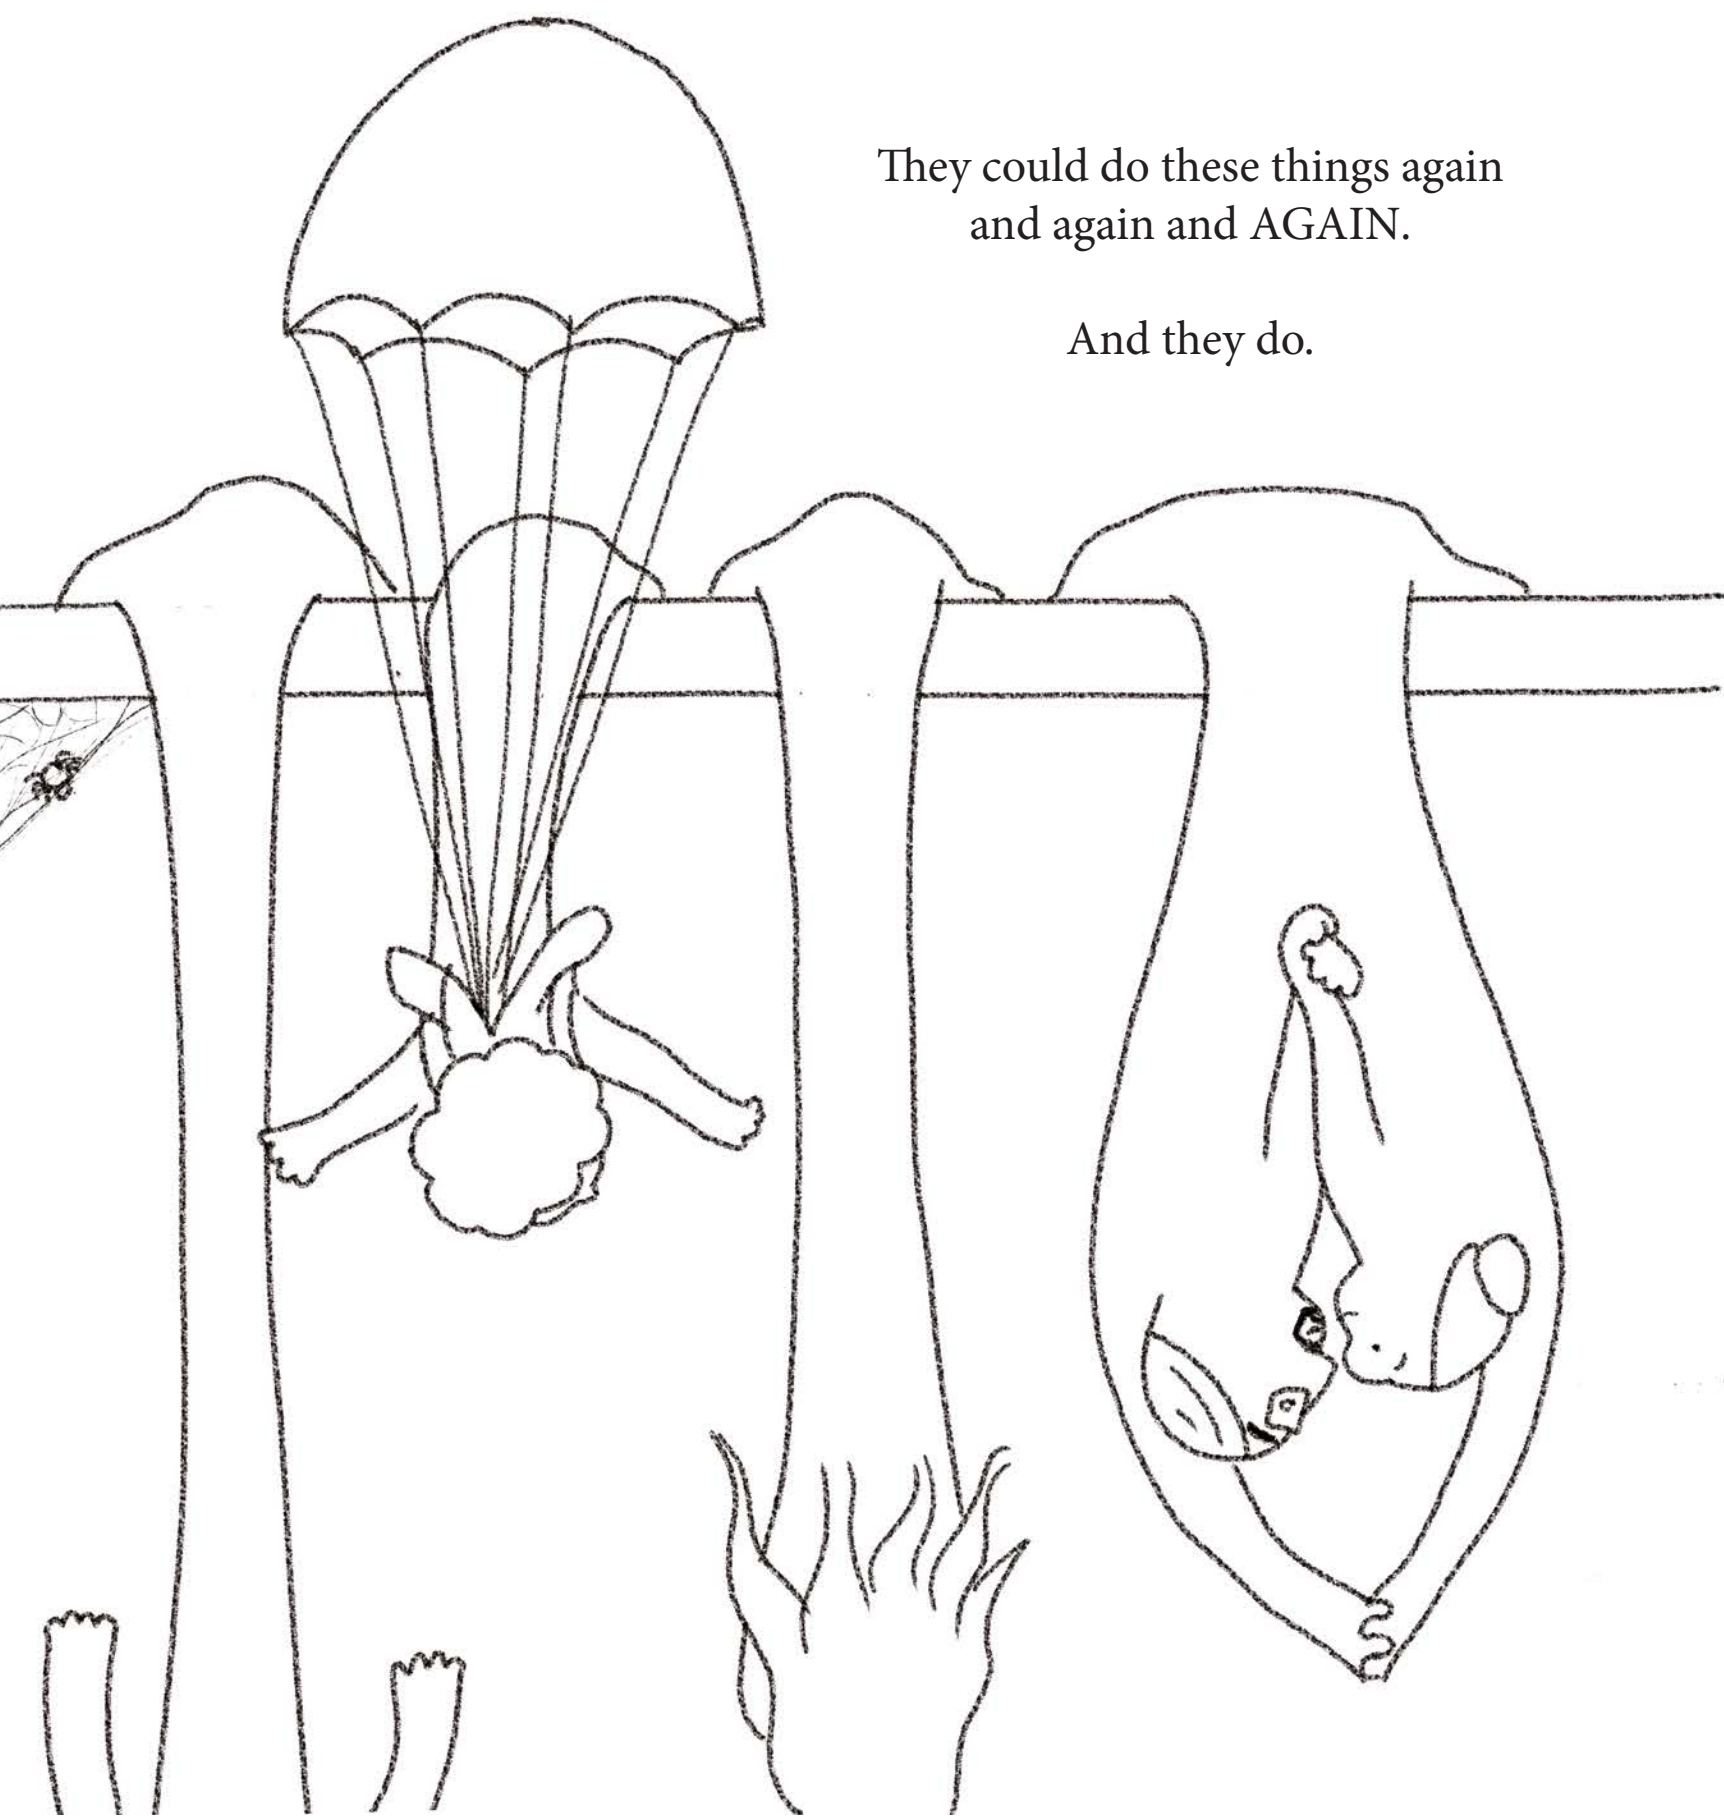

But after a while,
it gets REALLY boring.

My family disagrees.

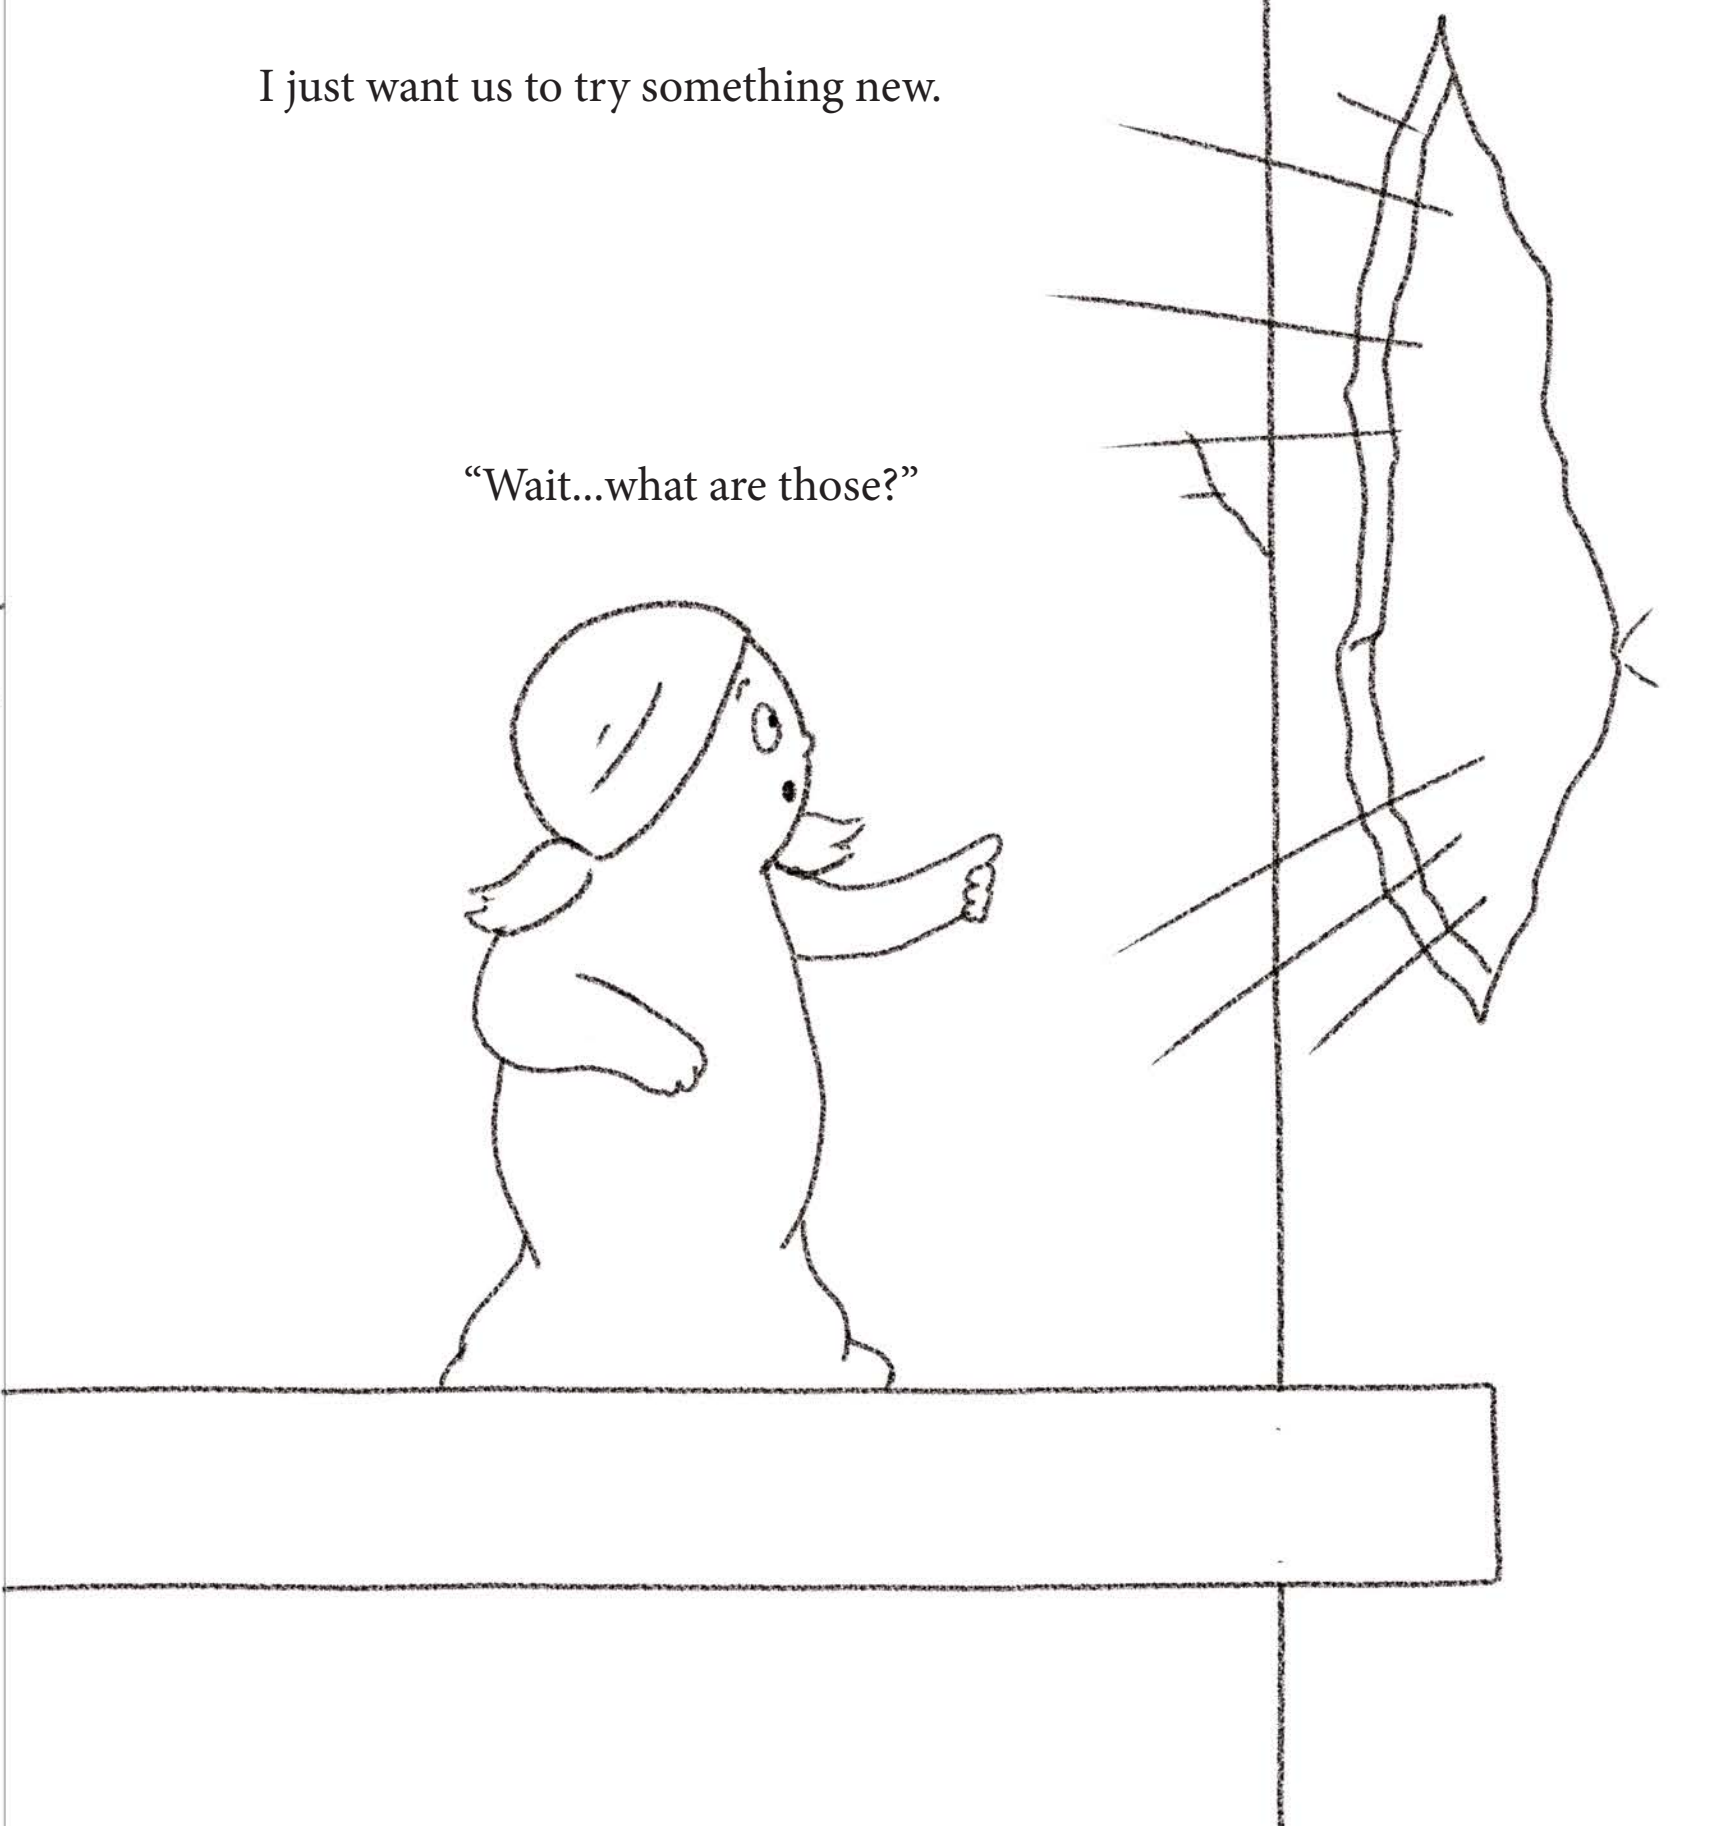

They could do these things again
and again and AGAIN.

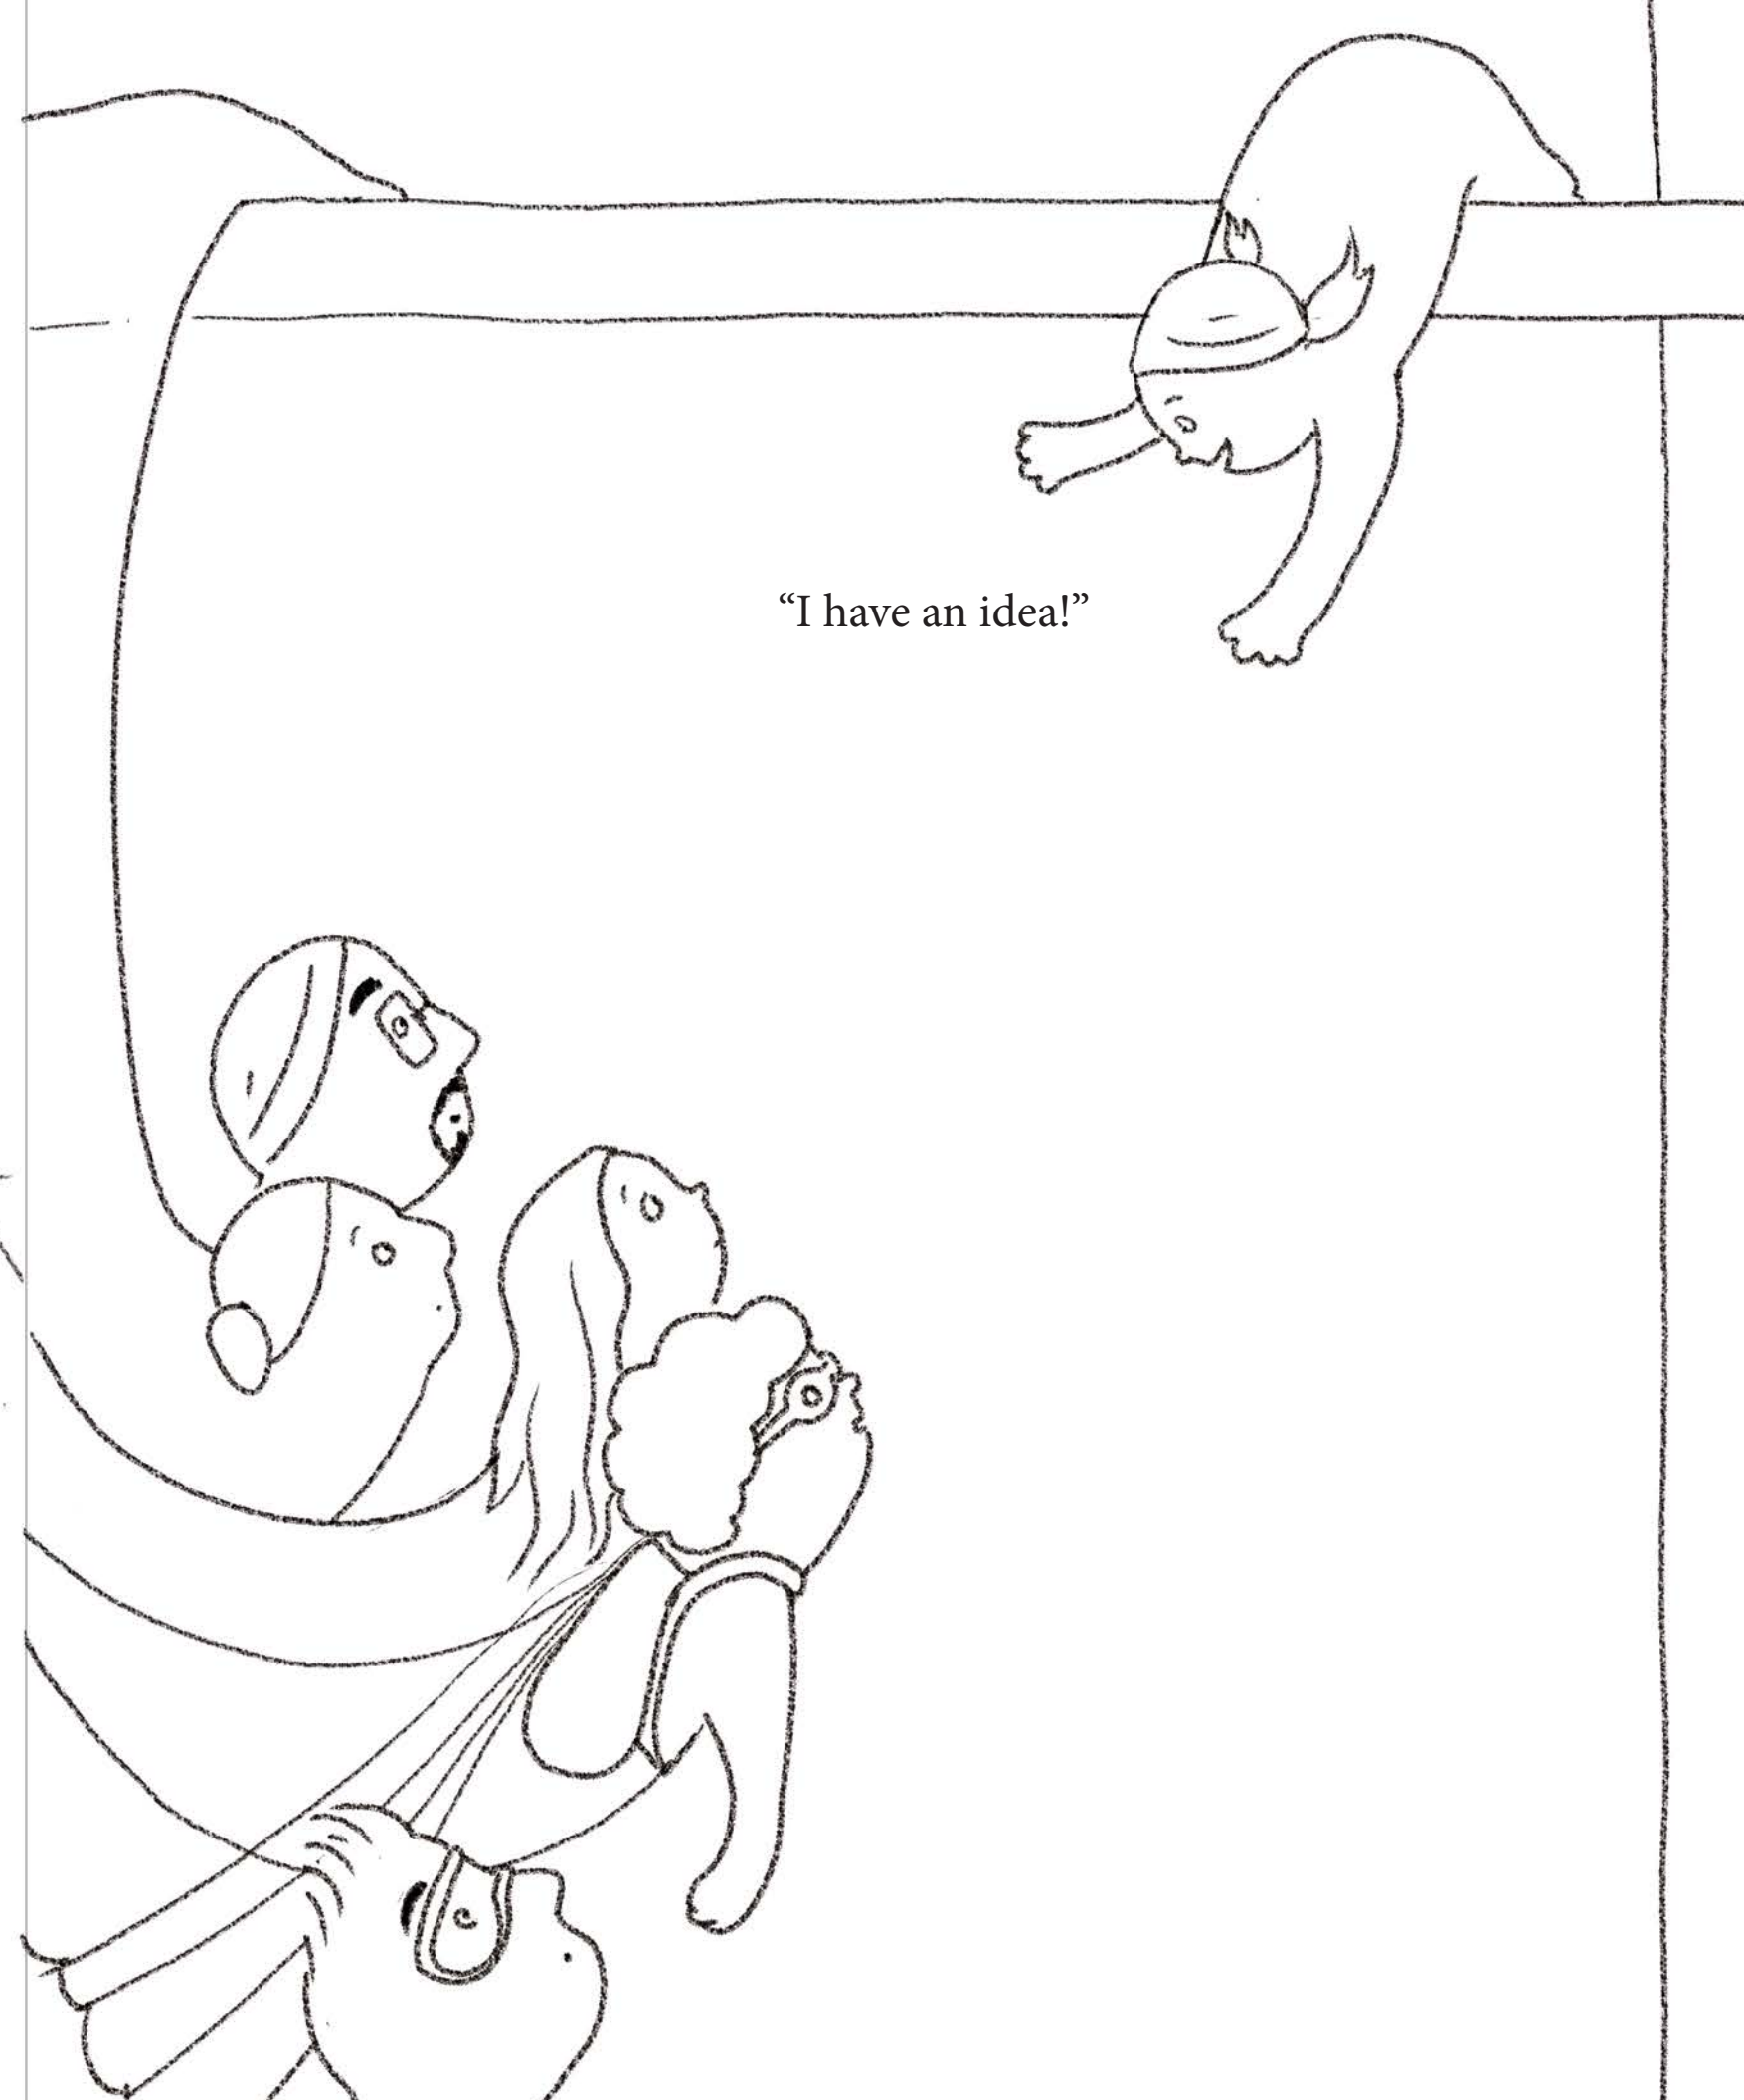

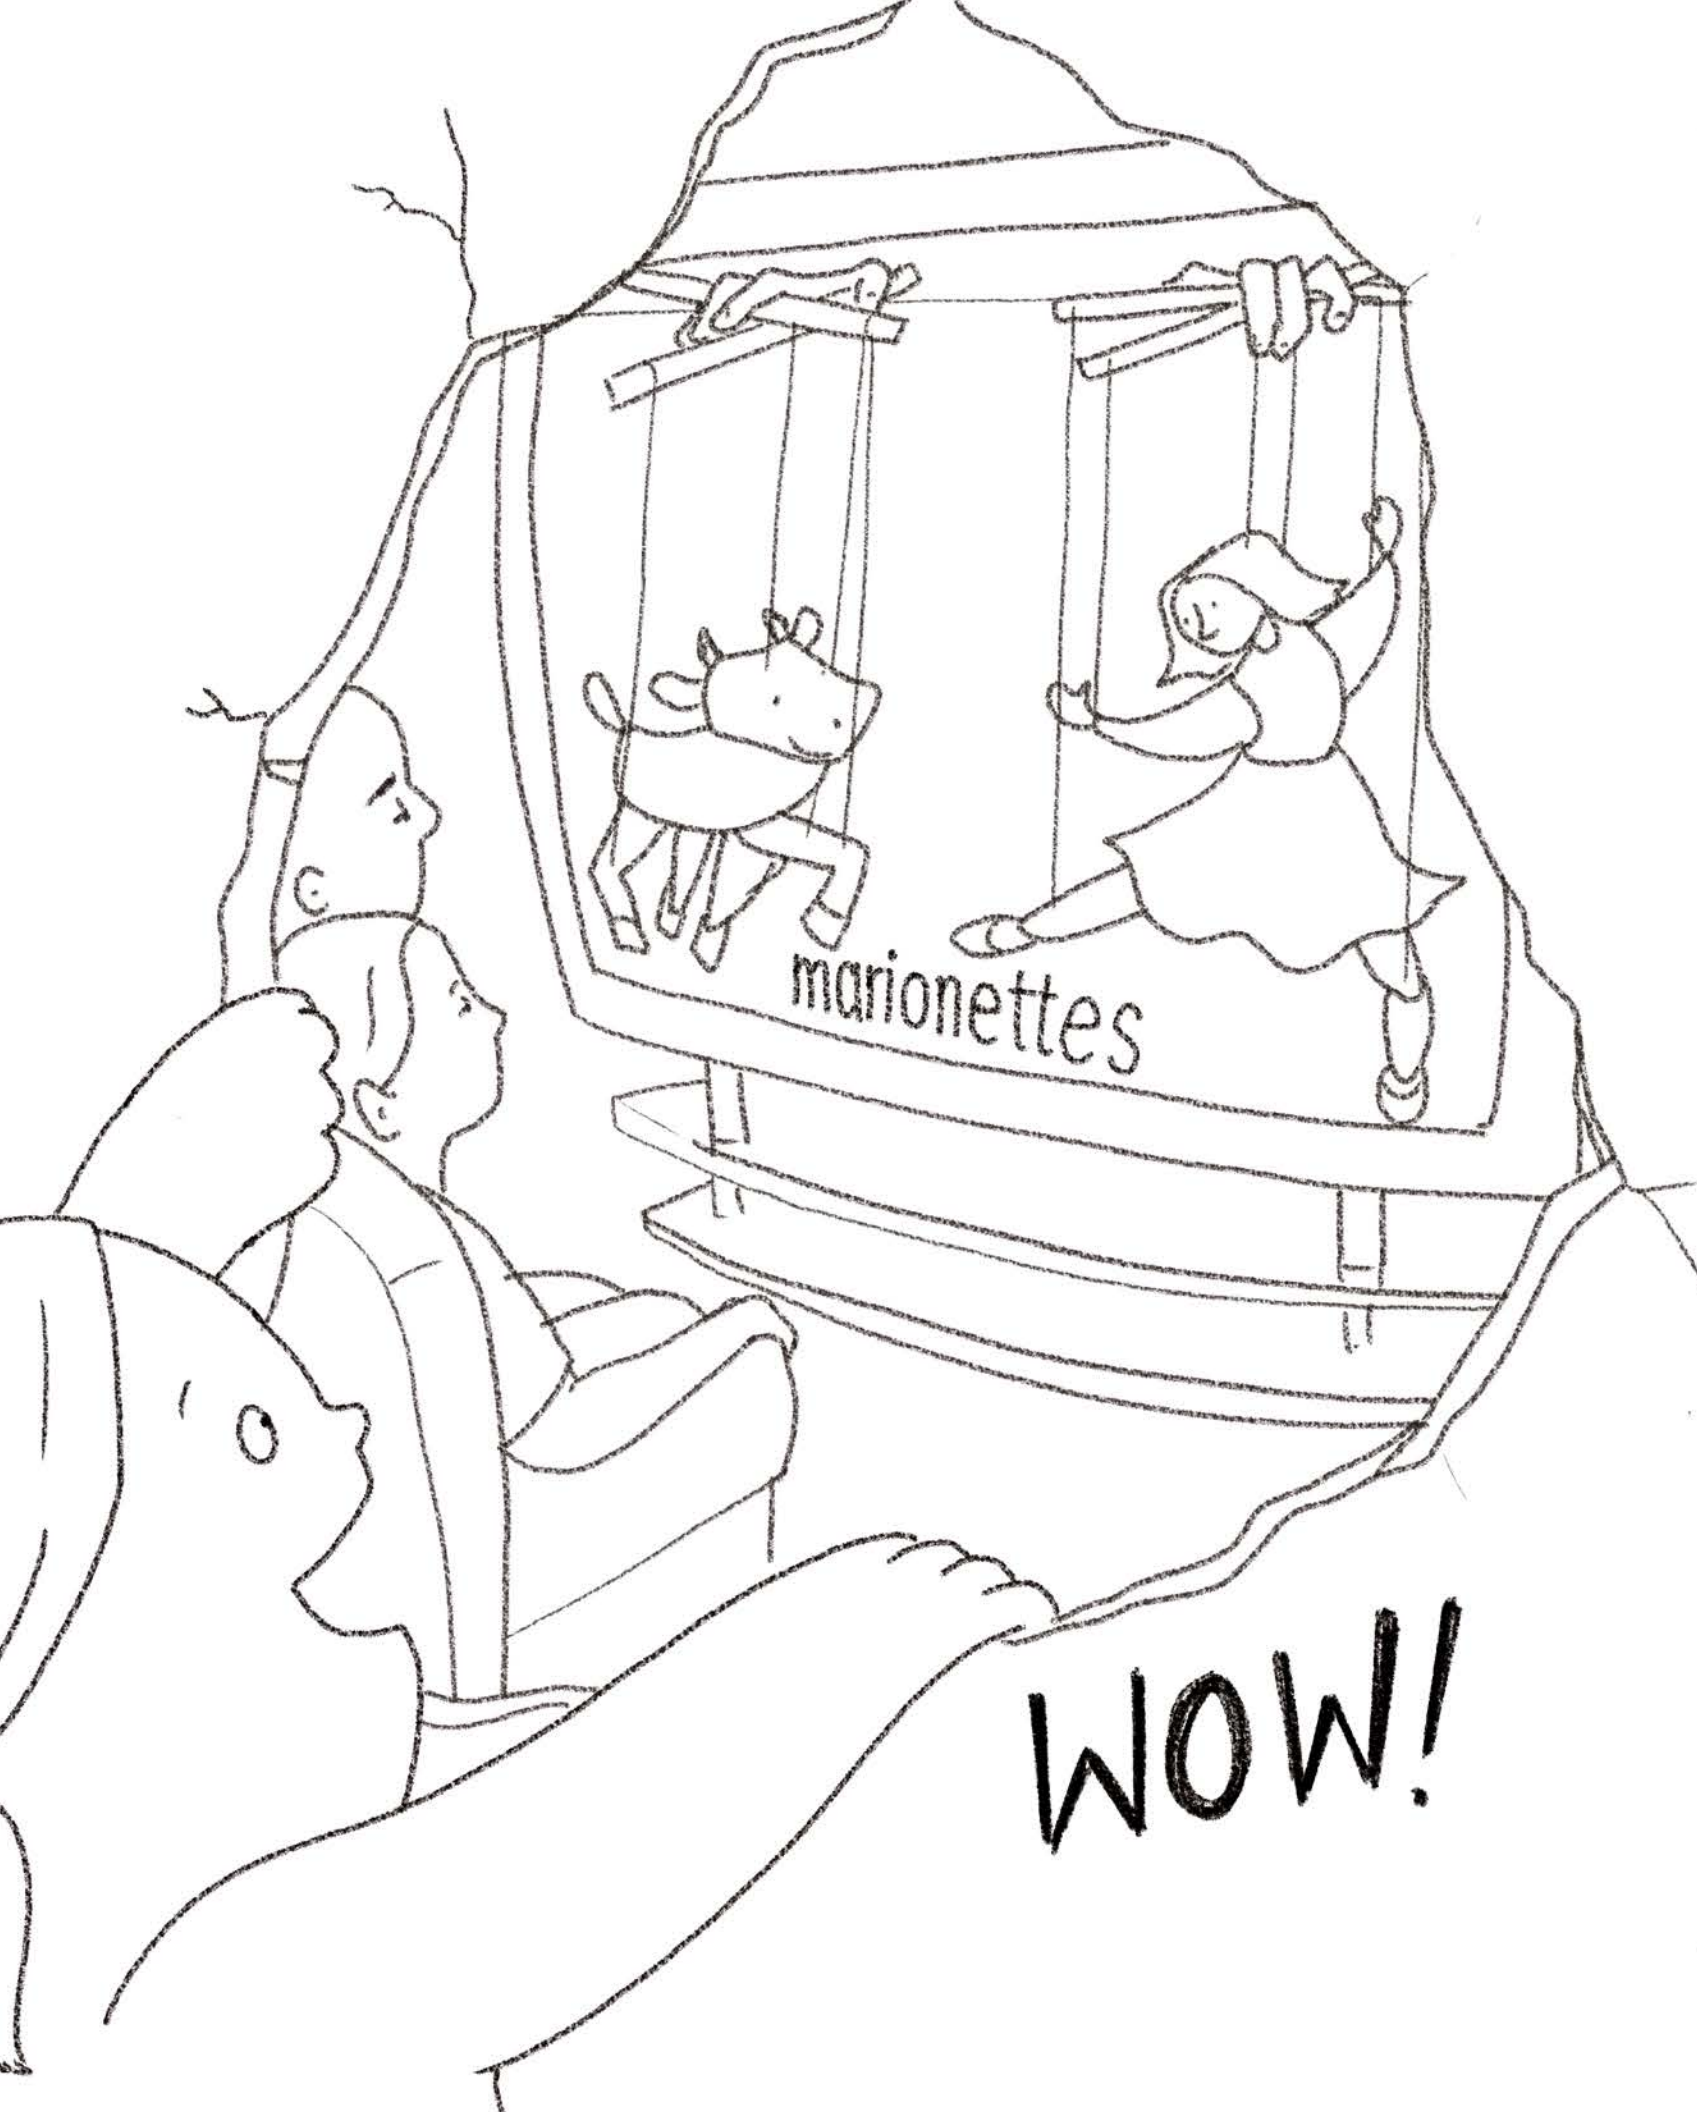

And they do.

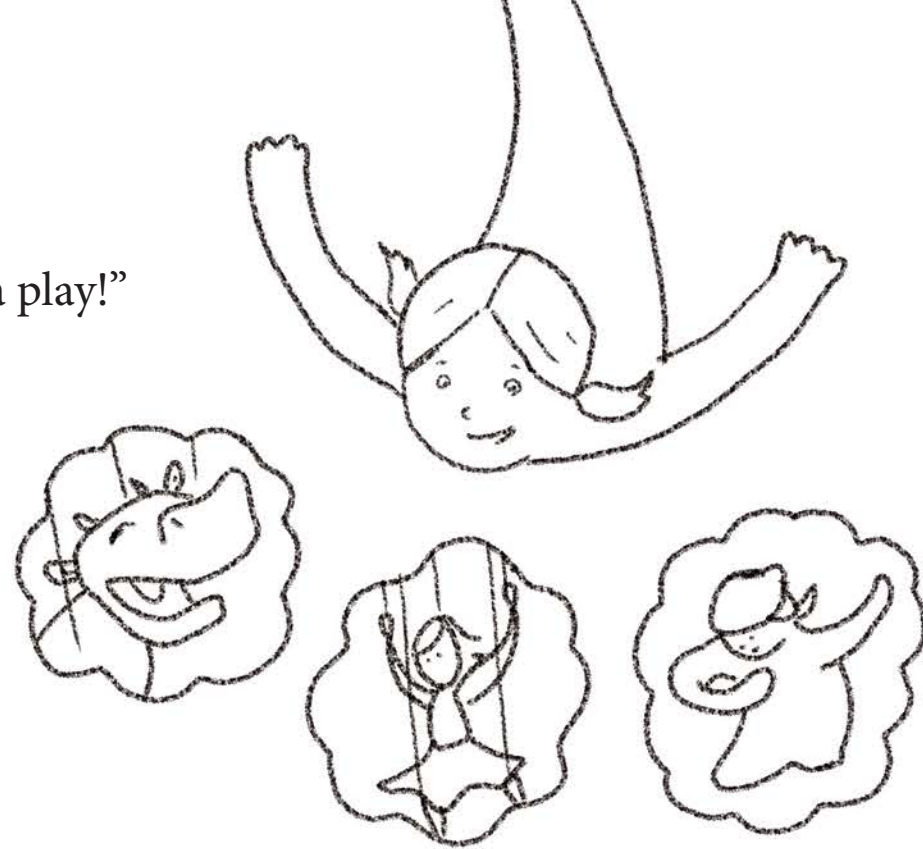

I just want us to try something new.

“Wait...what are those?”

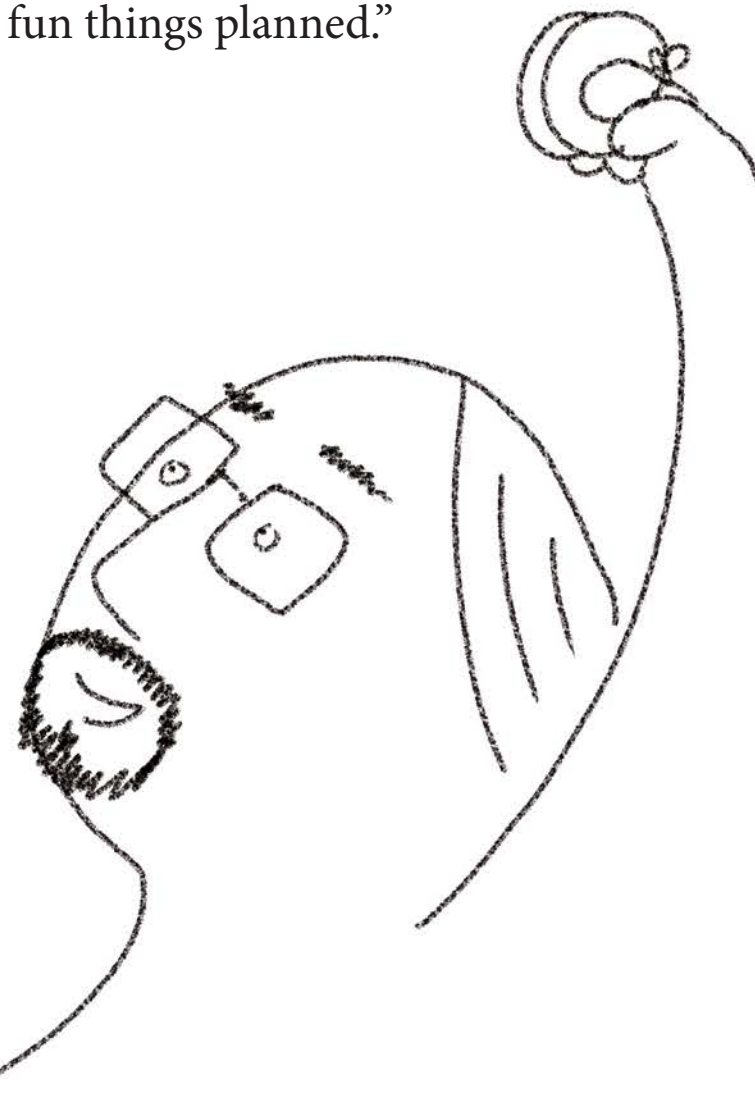

“Let’s put on a play!”

“Oh Poppy, we have other fun things planned.”

“Indeedy do!
In fact, it’s music time my slimes!”

I can’t stand any more humdrum!
I need something new.

This looks like a job for—

The Phenomenal
Puppet Play Producer Poppy!*

“It’s showtime!”

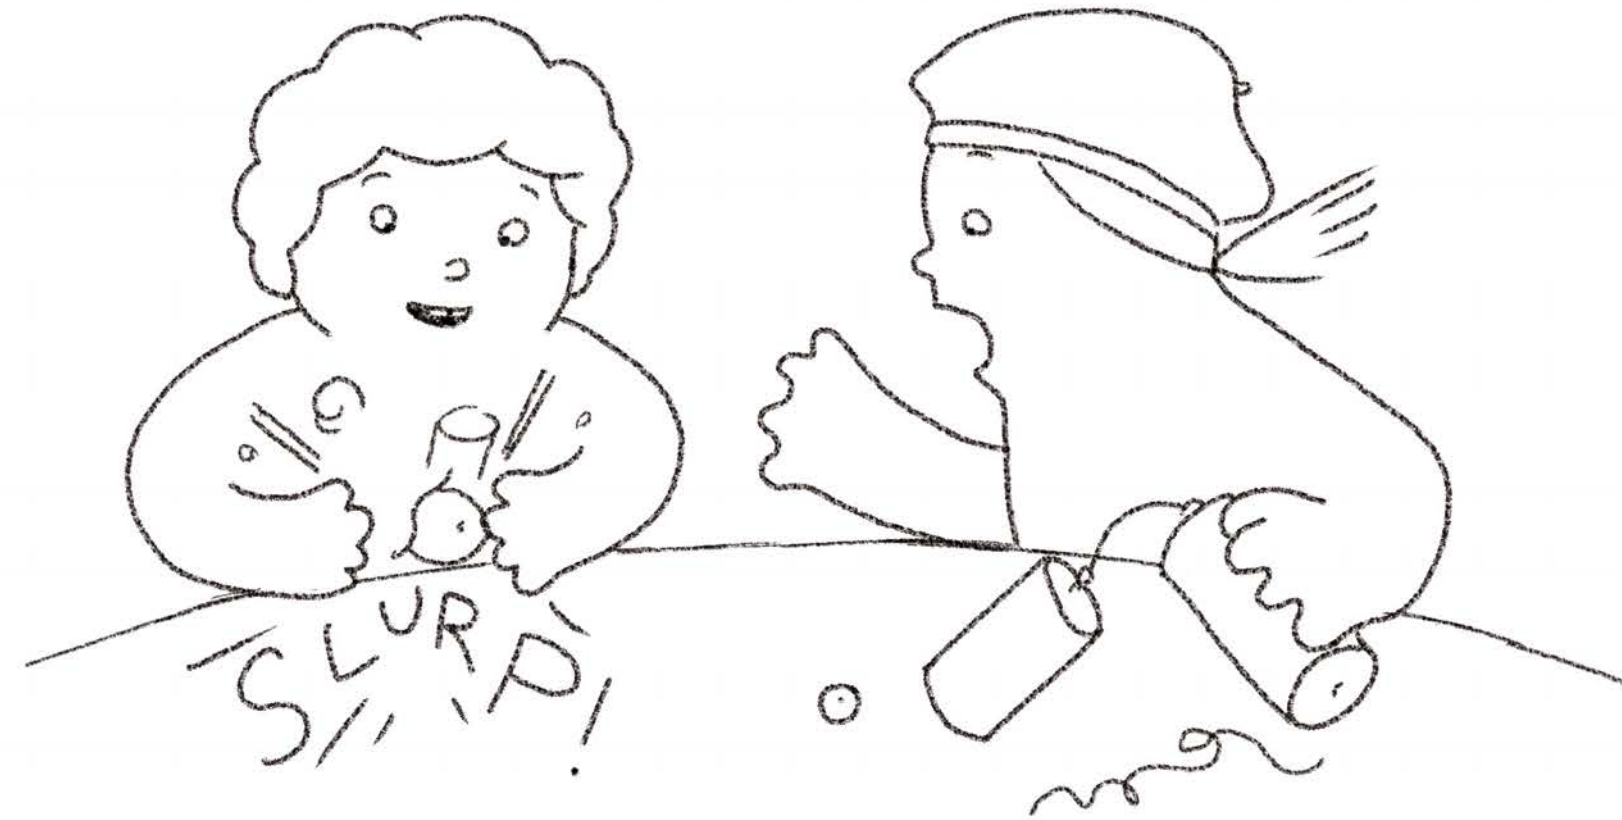

*use grandest announcer voice

“Poppy, play music with us!”

“Not today, Gus.
I’m making marionettes.”

“That sounds boring.
But these look CRUNCHY...”

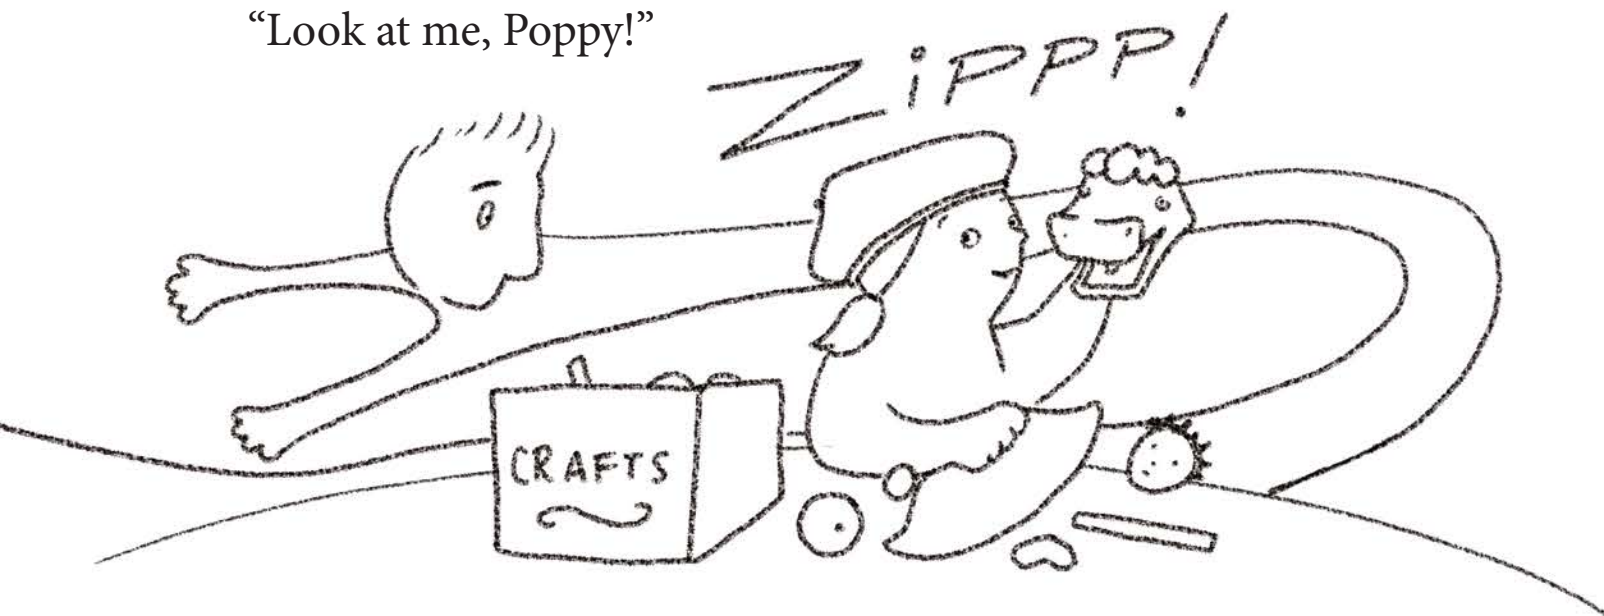

“Perfect for music time!”

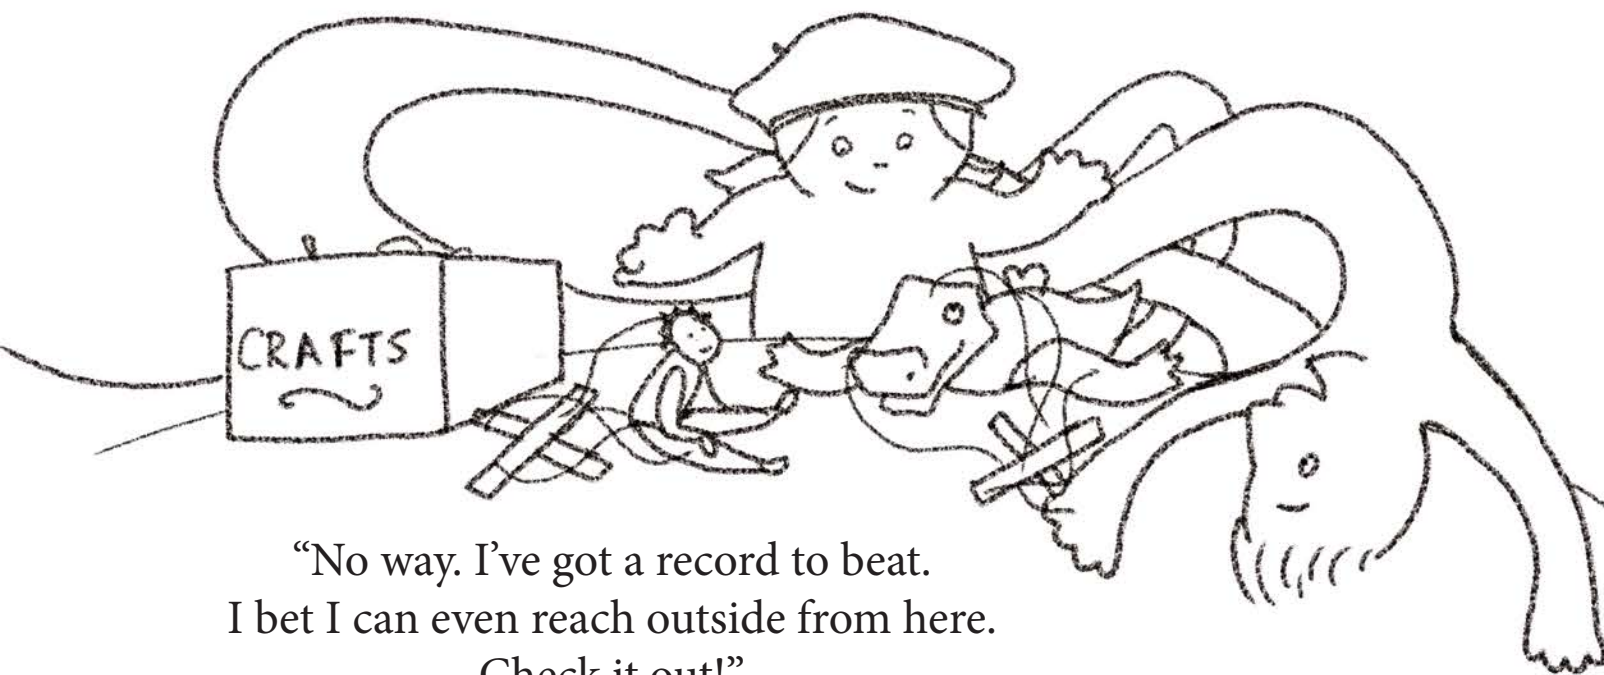

Hmmm...I can make this work.

“Look at me, Poppy!”

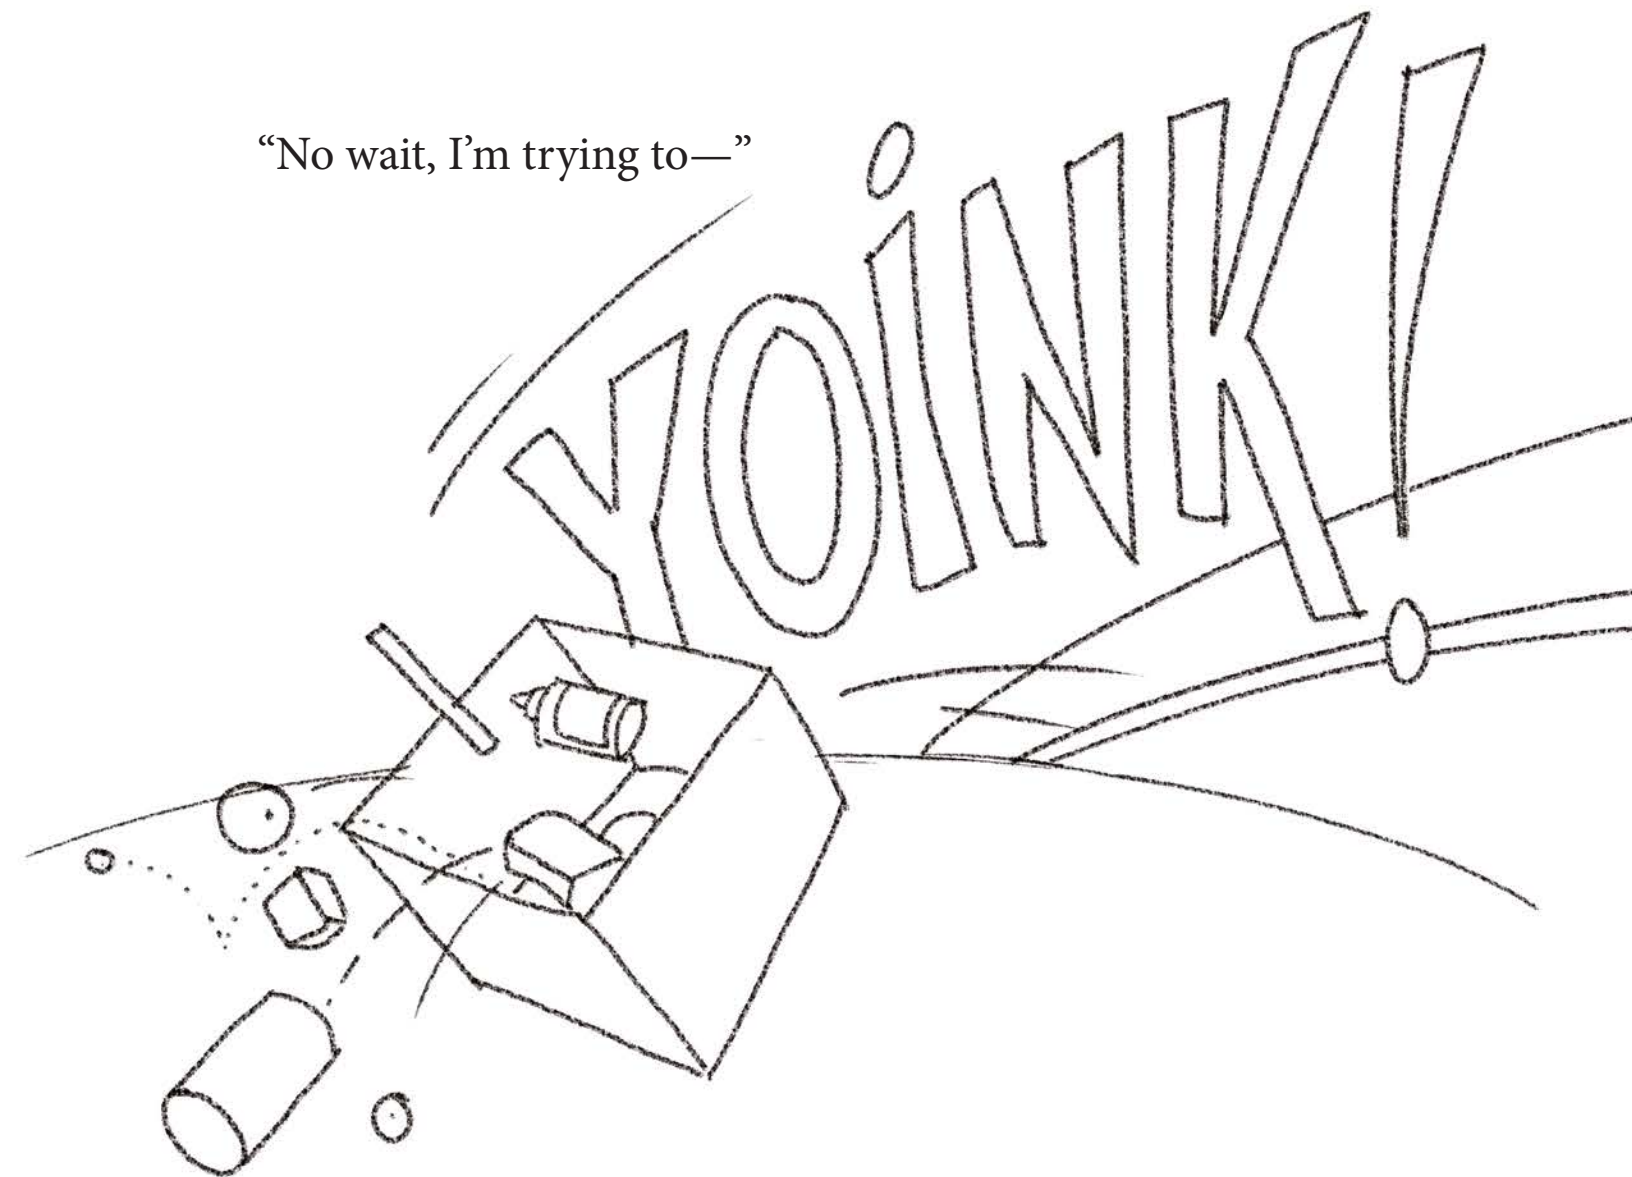

“Wow, Finn! Want to use your stretch talents in a play?”

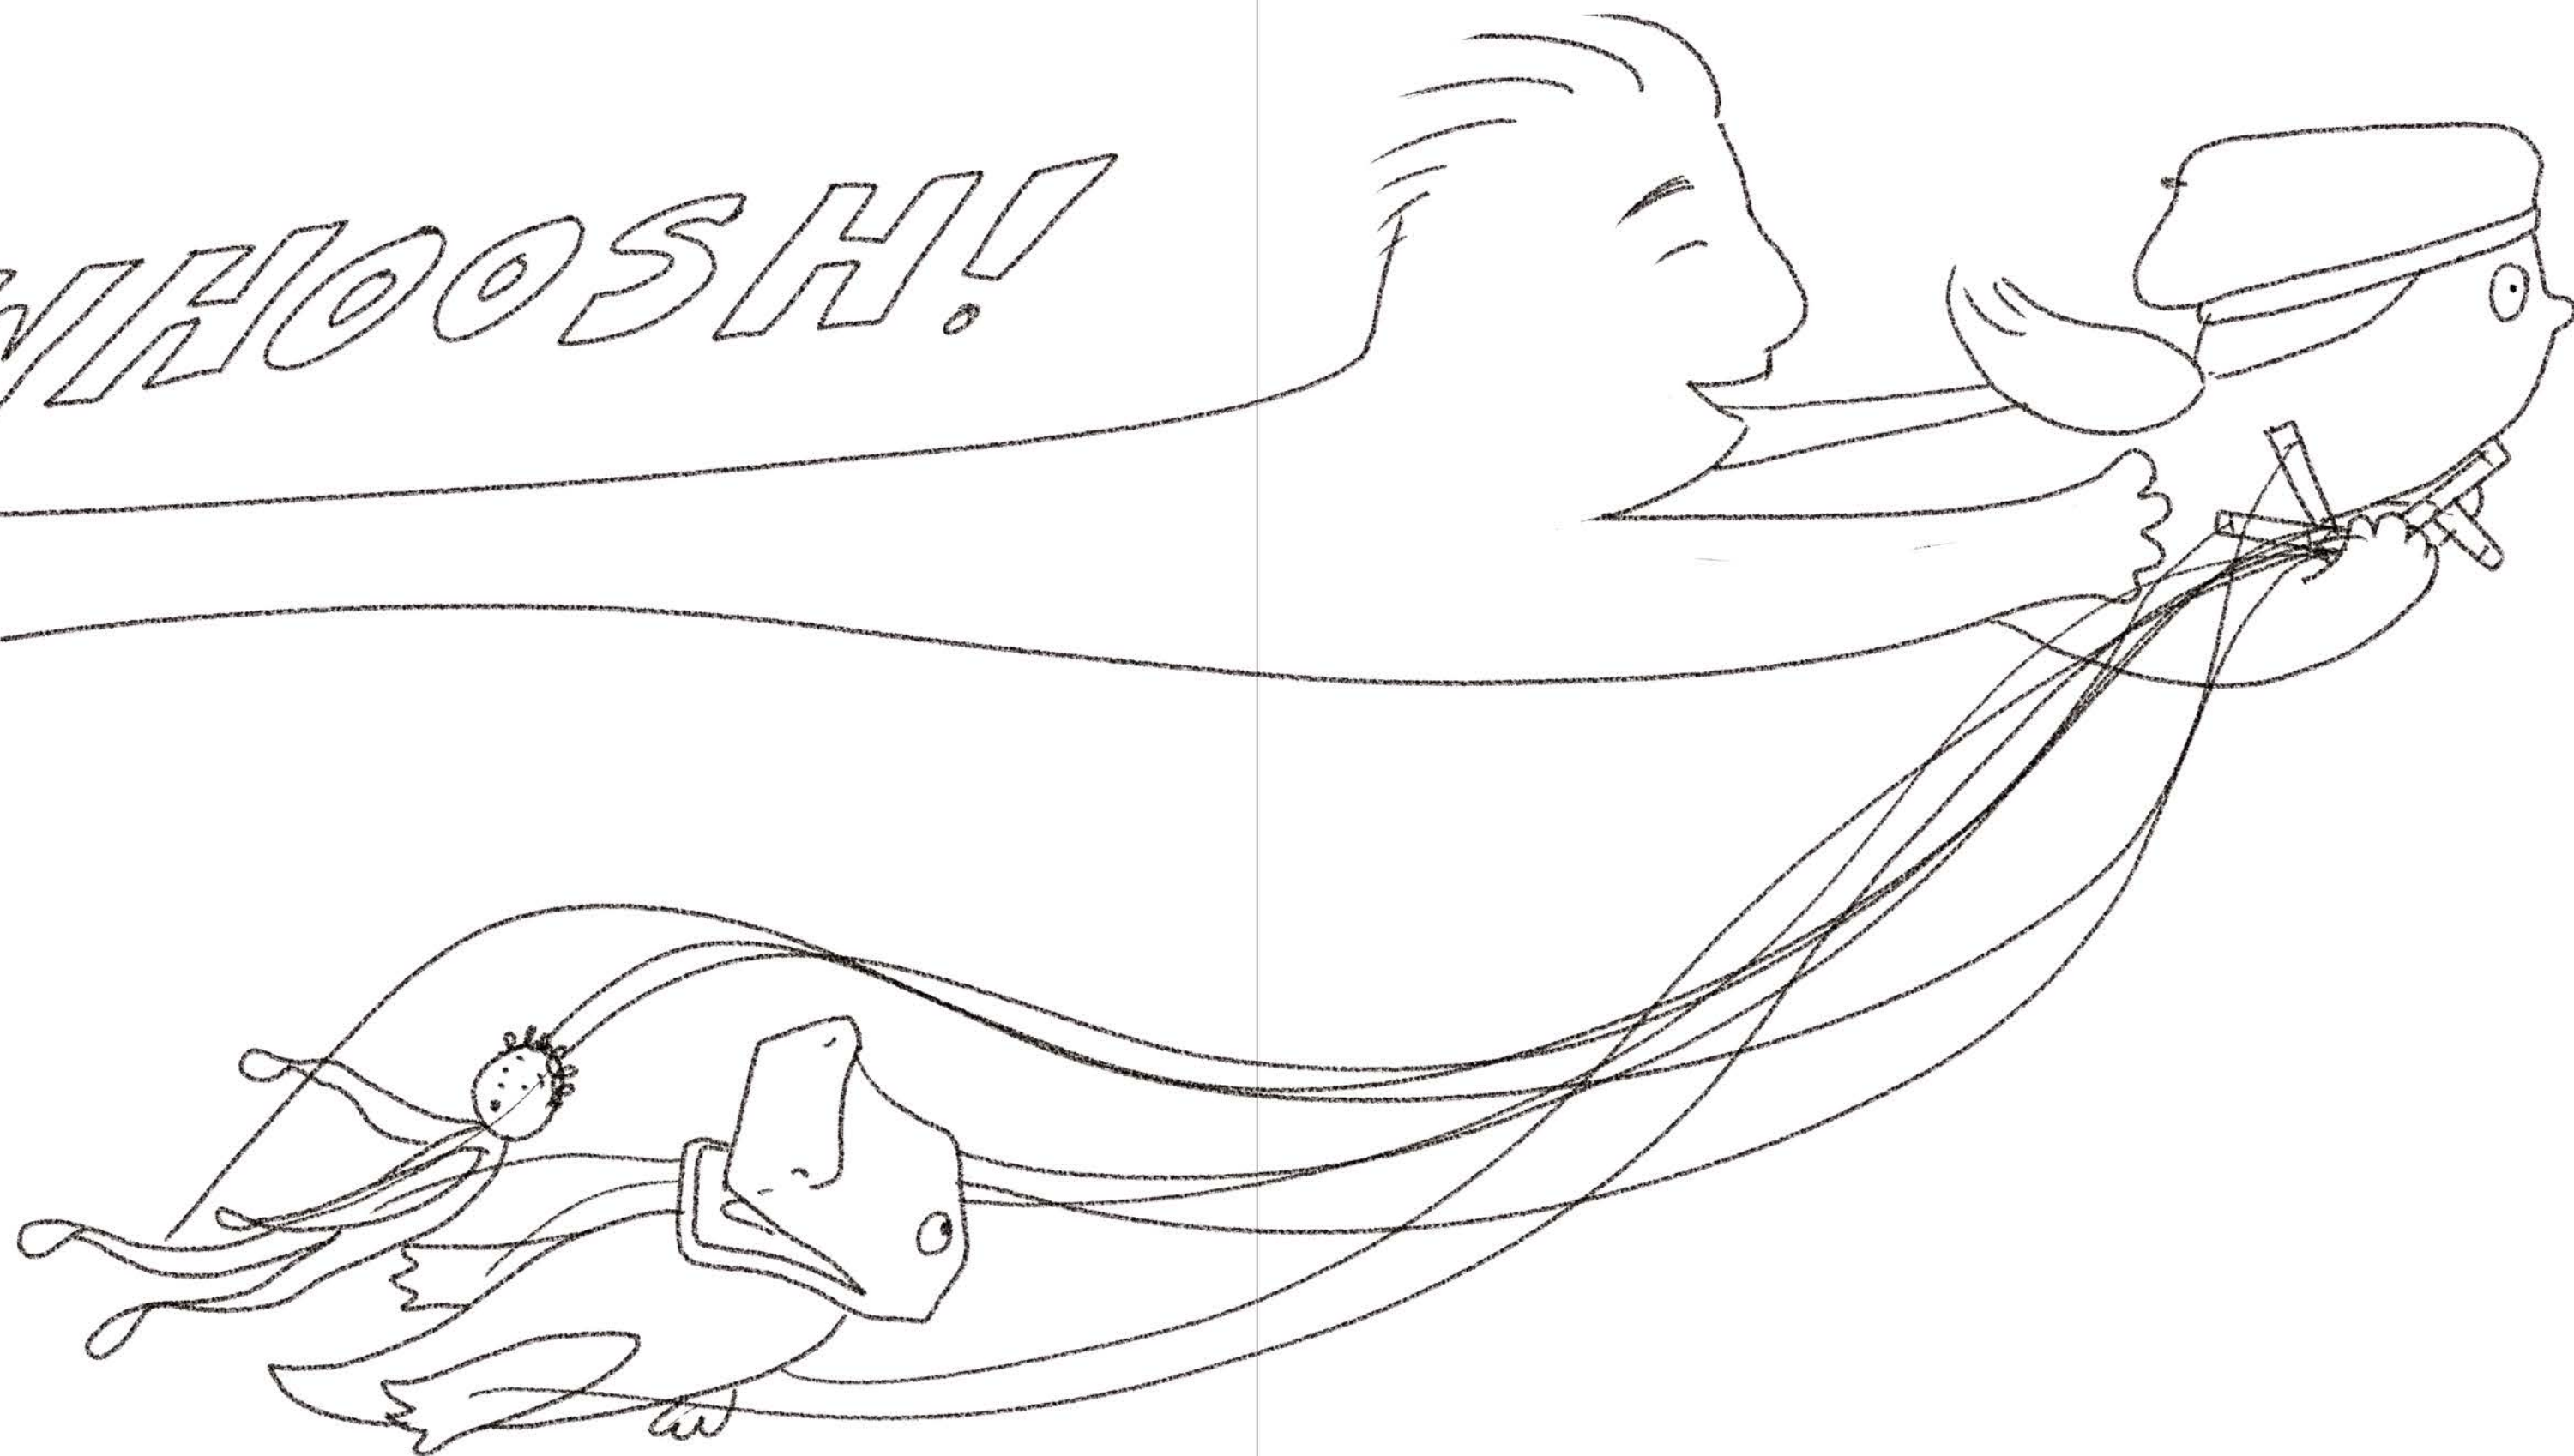

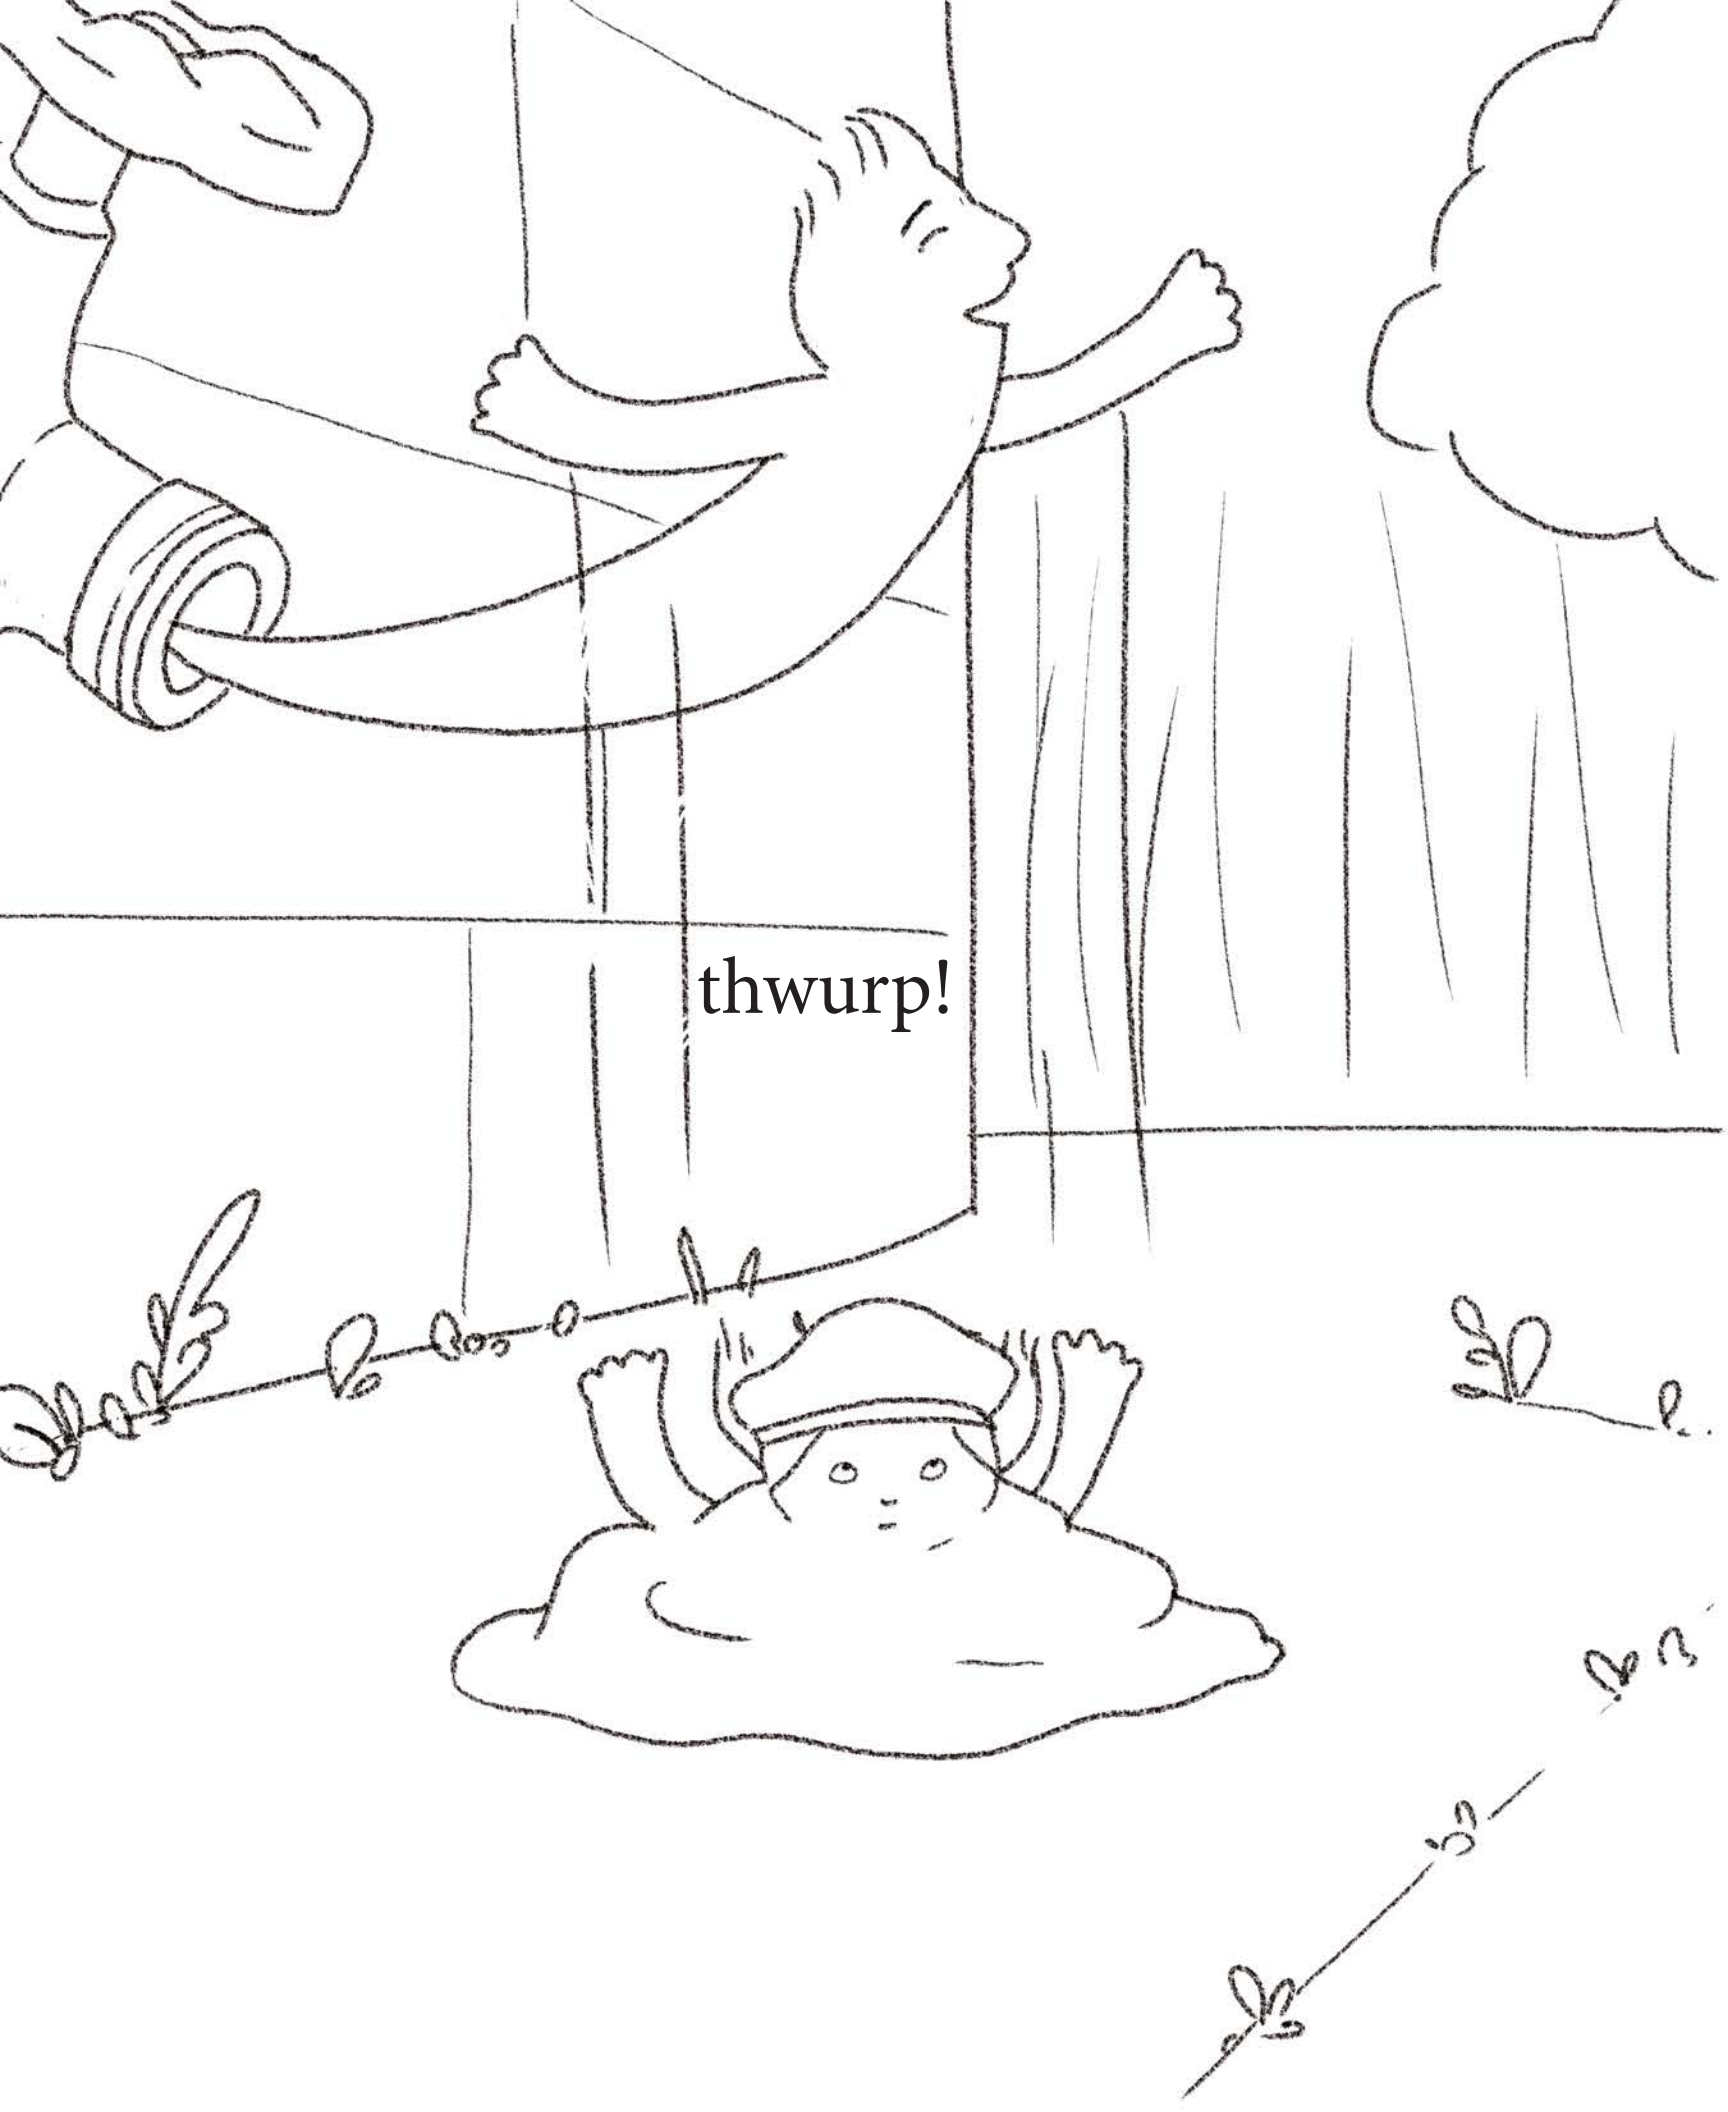

“No way. I’ve got a record to beat.
I bet I can even reach outside from here.
Check it out!”

“No wait, I’m trying to—”

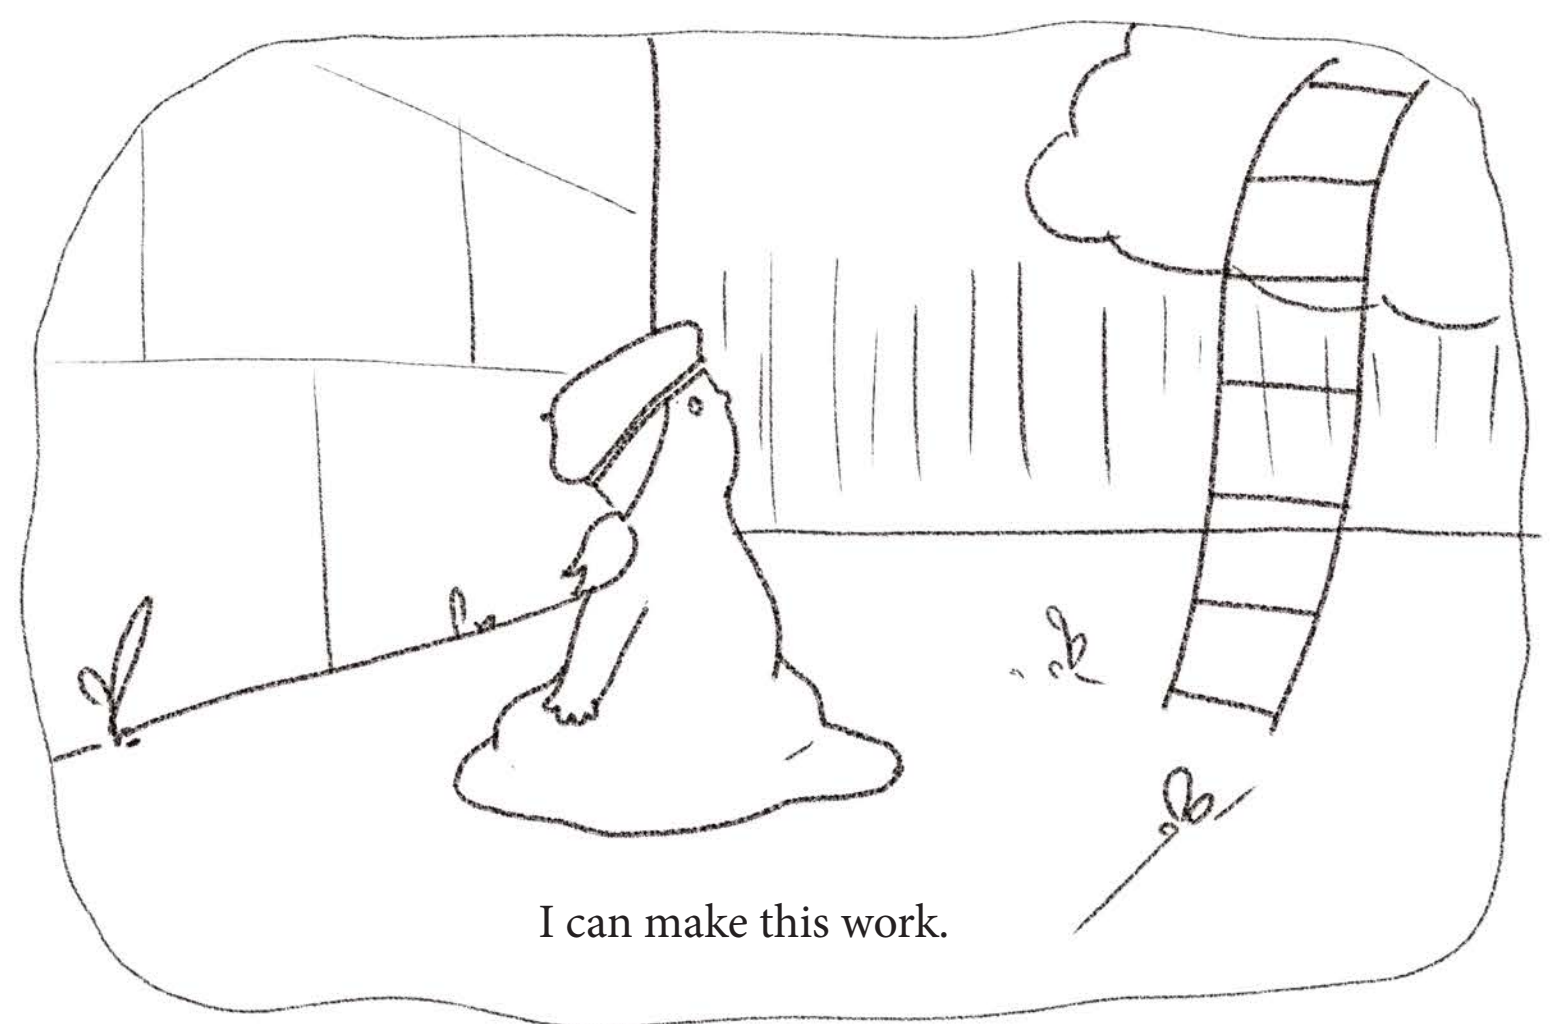

WHOOSH!

thworp!

I can make this work.

Poppy! Glitter Party Time!

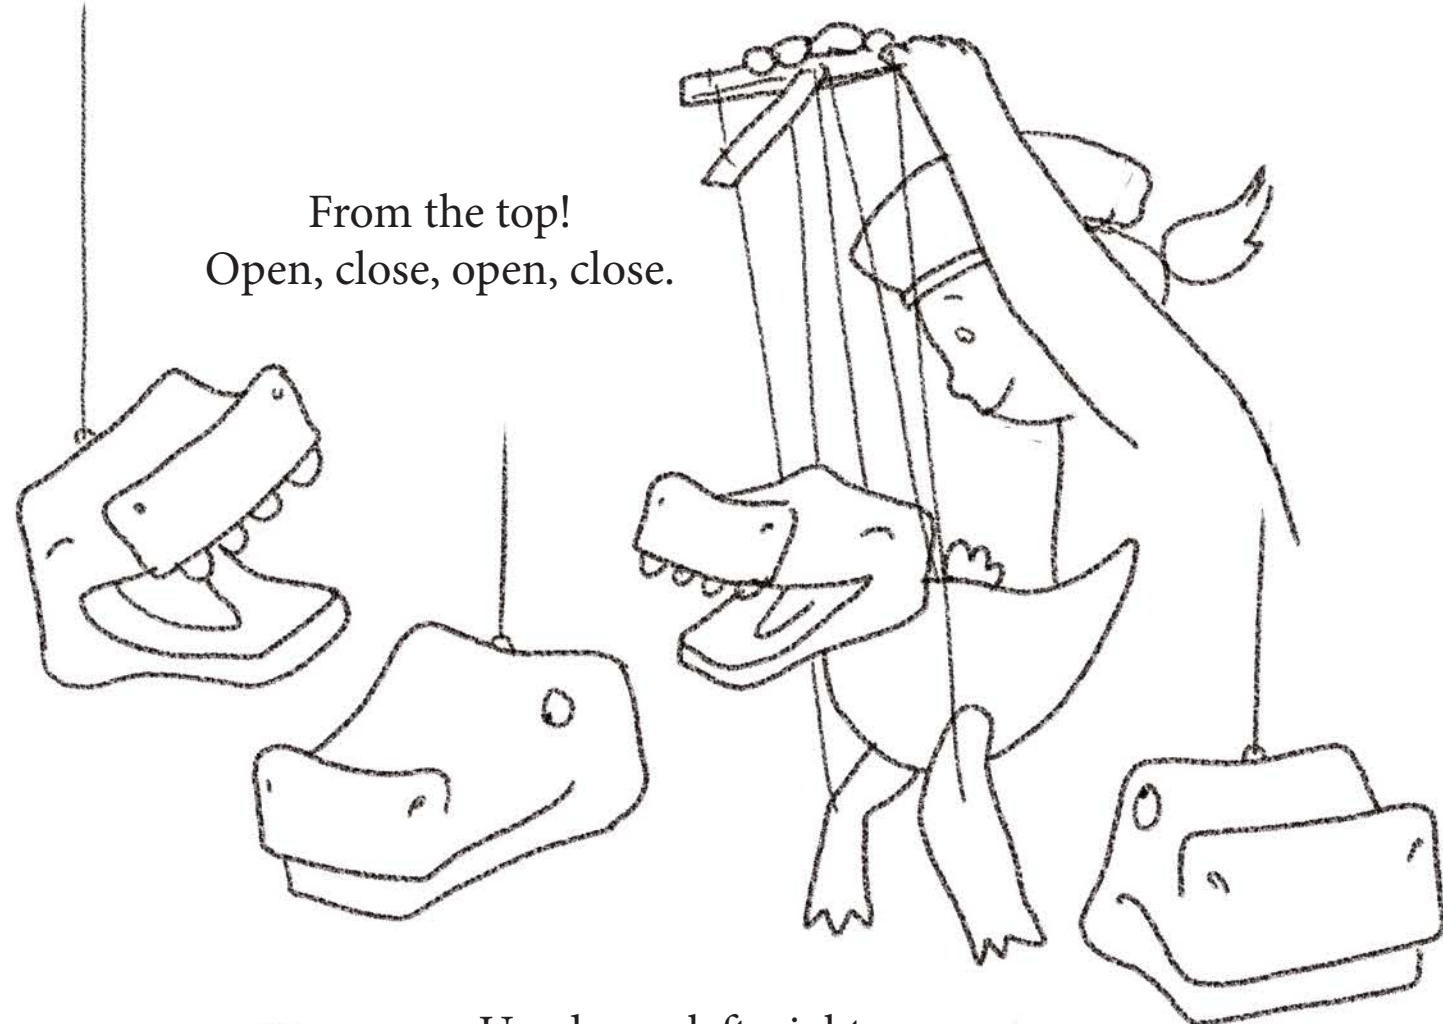

“I’m practicing for a play, Trina. Want to help?”

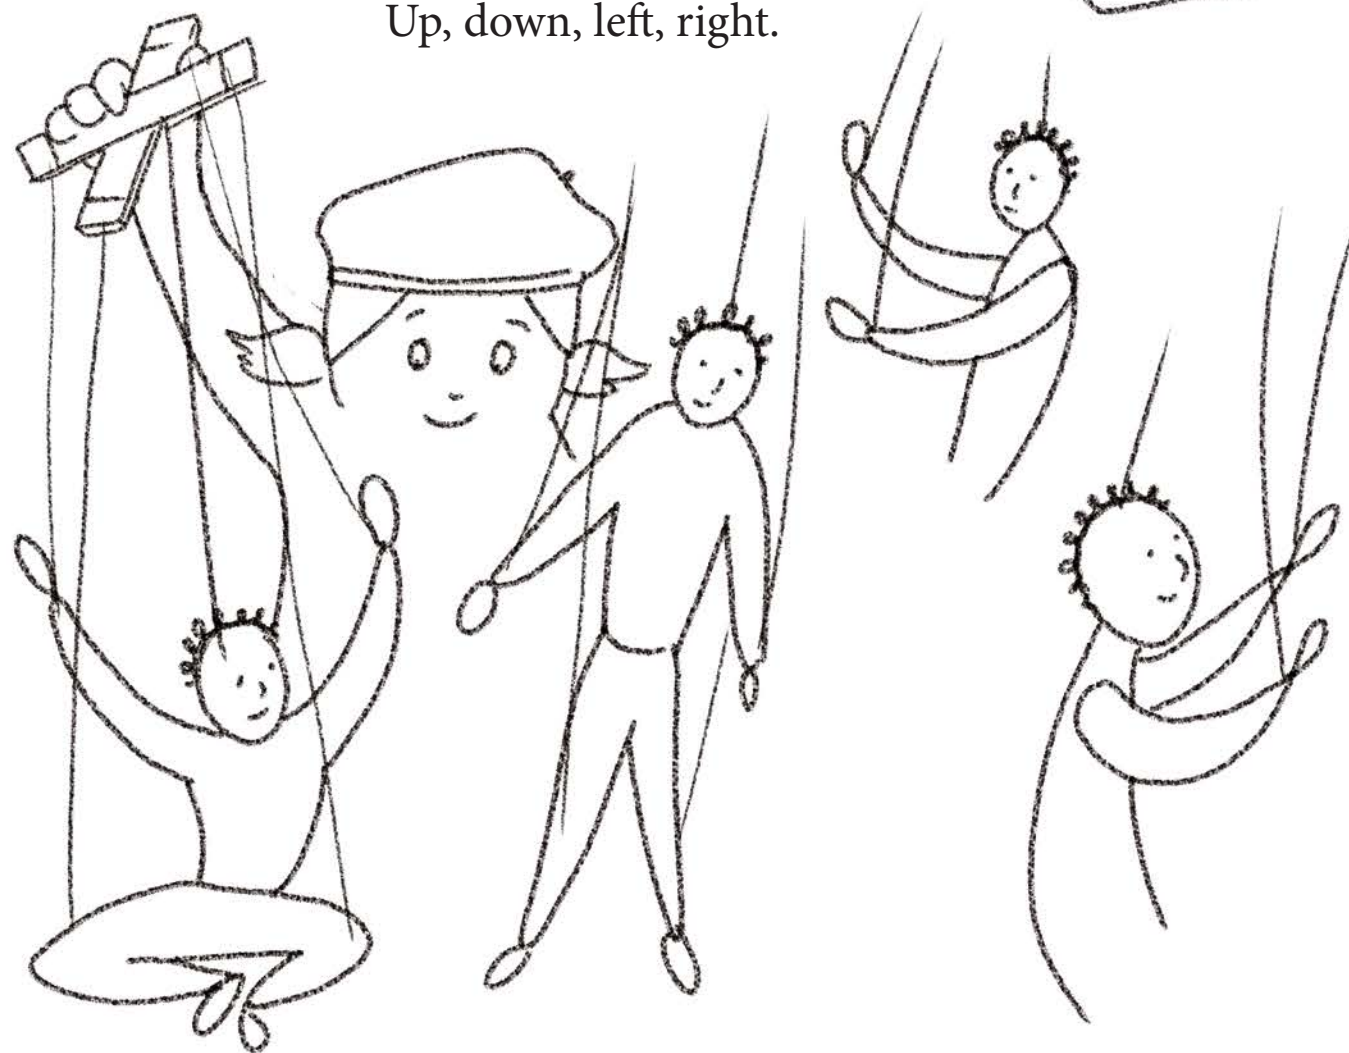

“Didn’t you hear me? Glitter. Party.”

“No thanks, but have fun!”

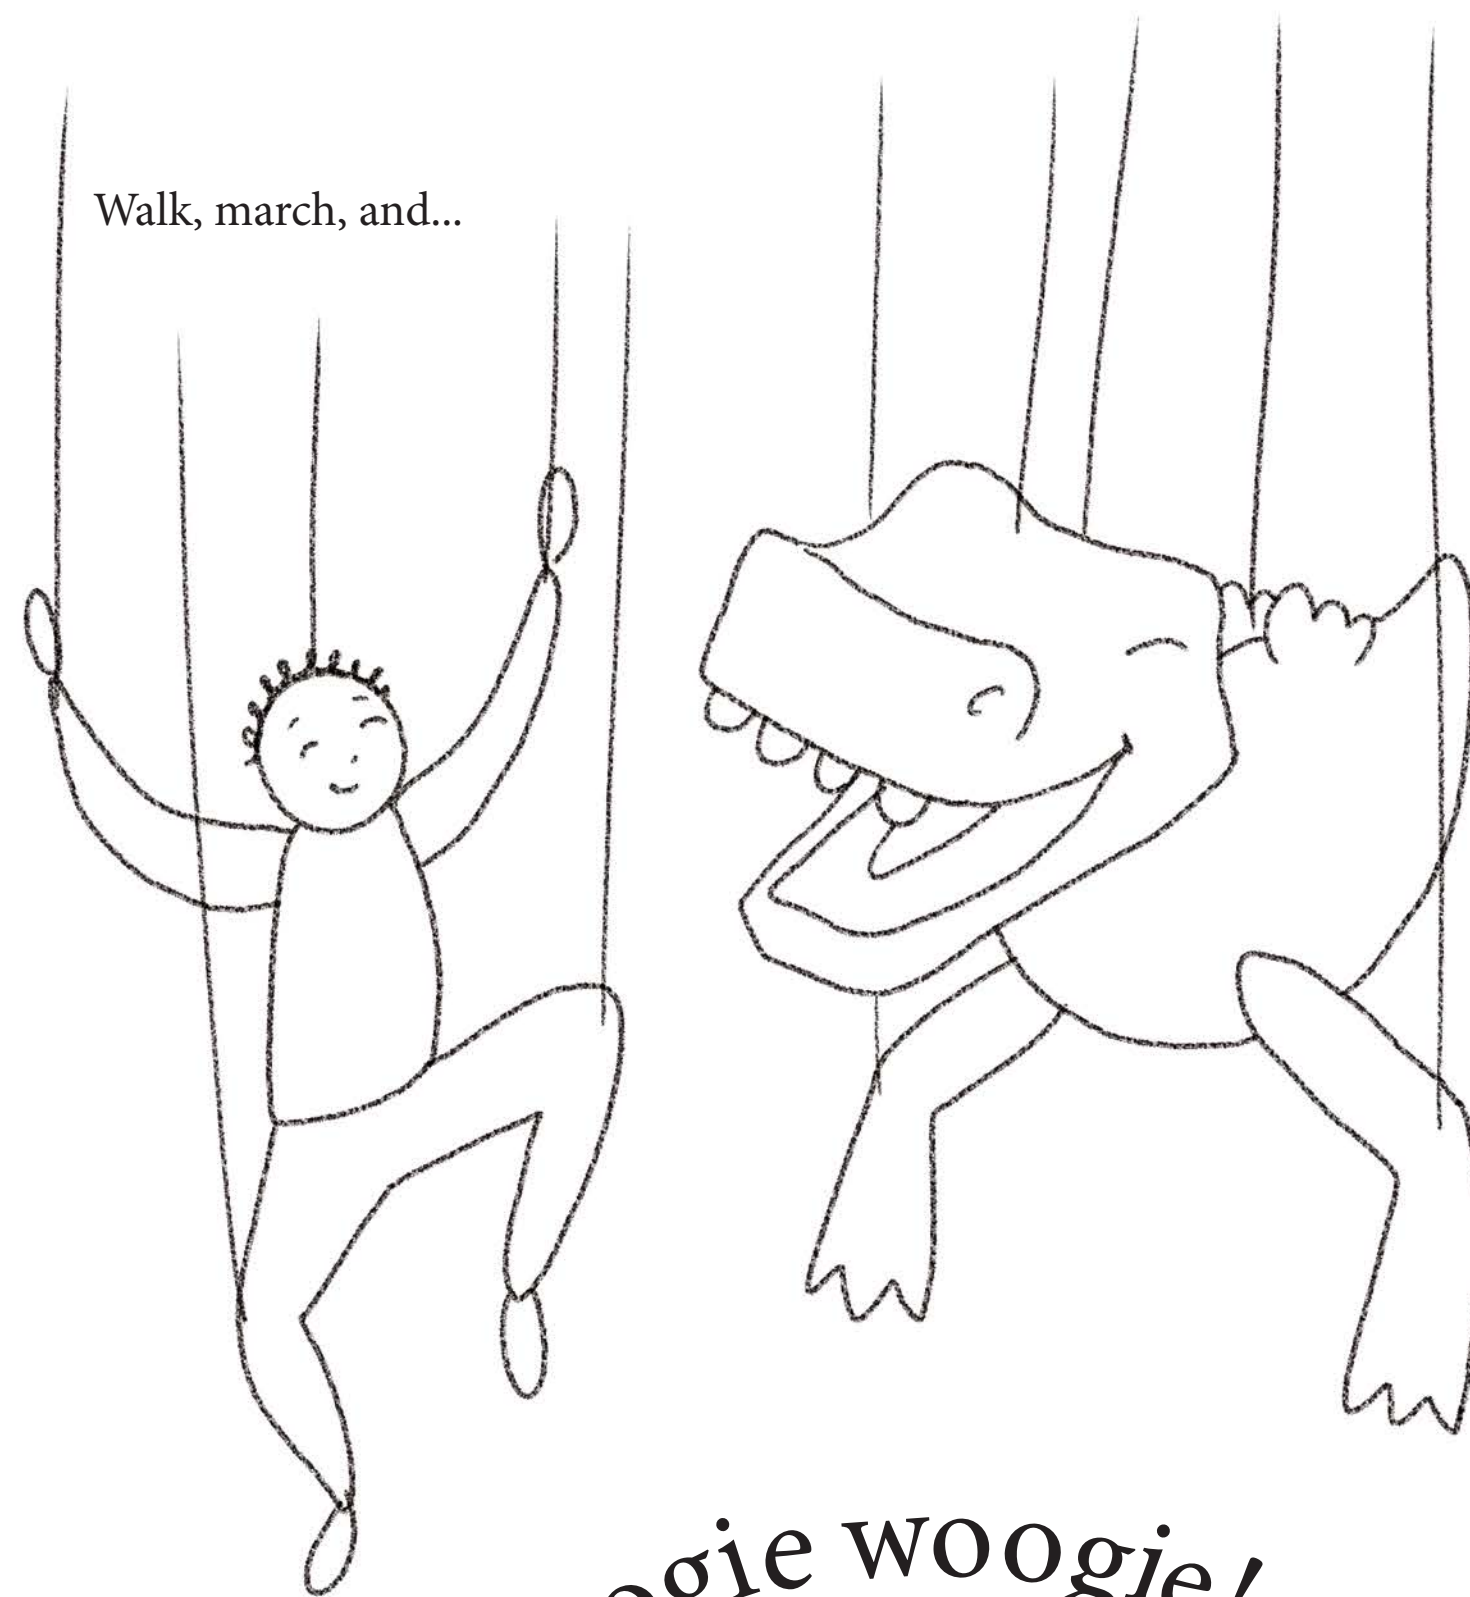

From the top!
Open, close, open, close.

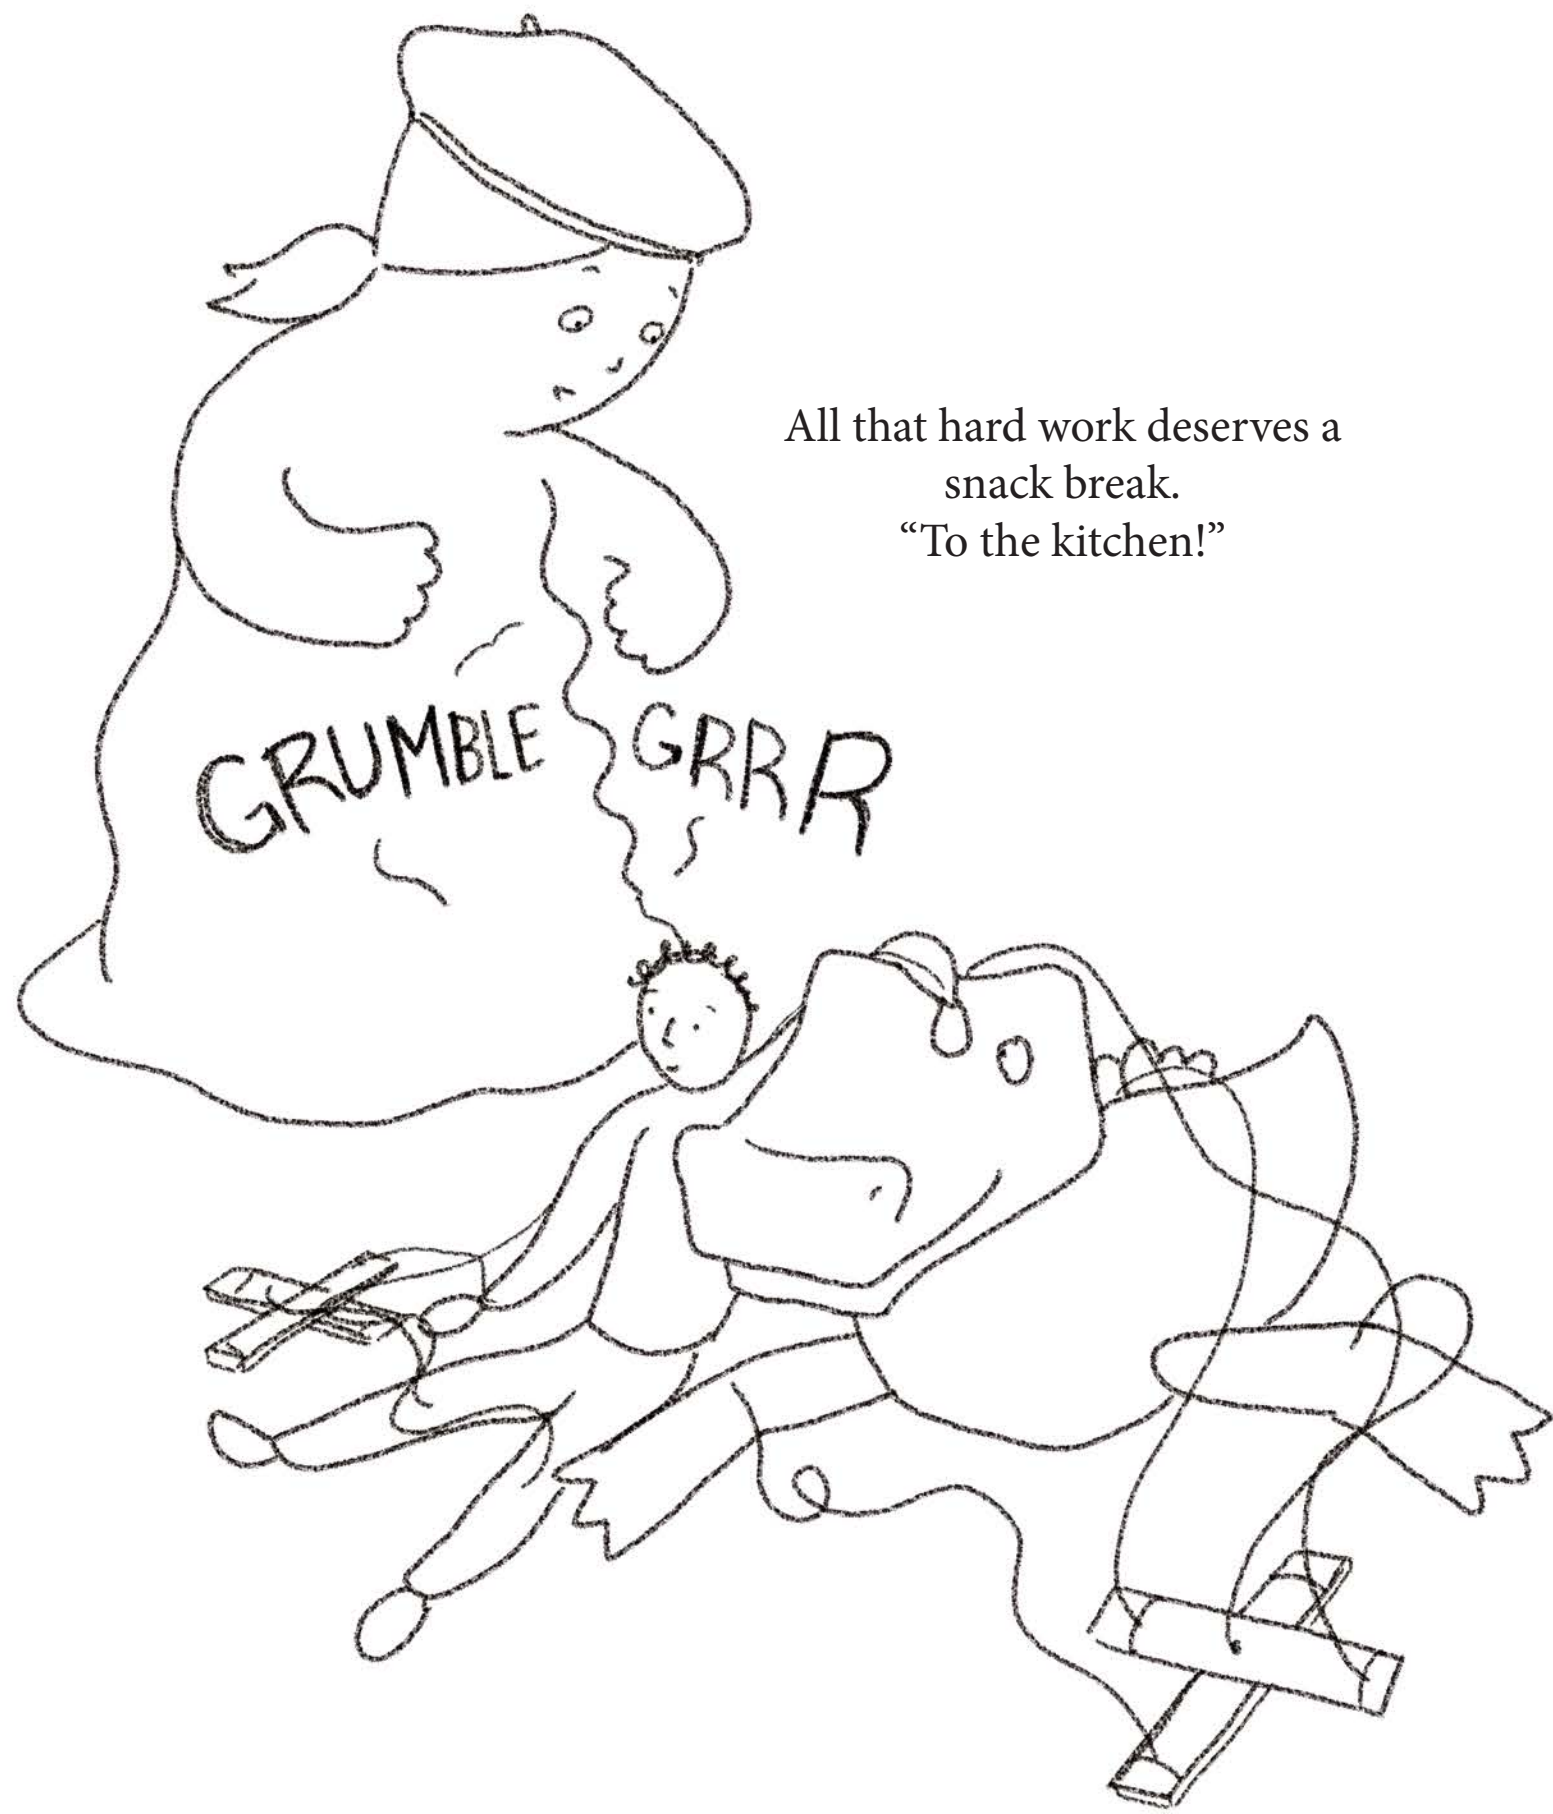

Up, down, left, right.

Walk, march, and...

boogie oogie woogie!

All that hard work deserves a
snack break.
"To the kitchen!"

woah!

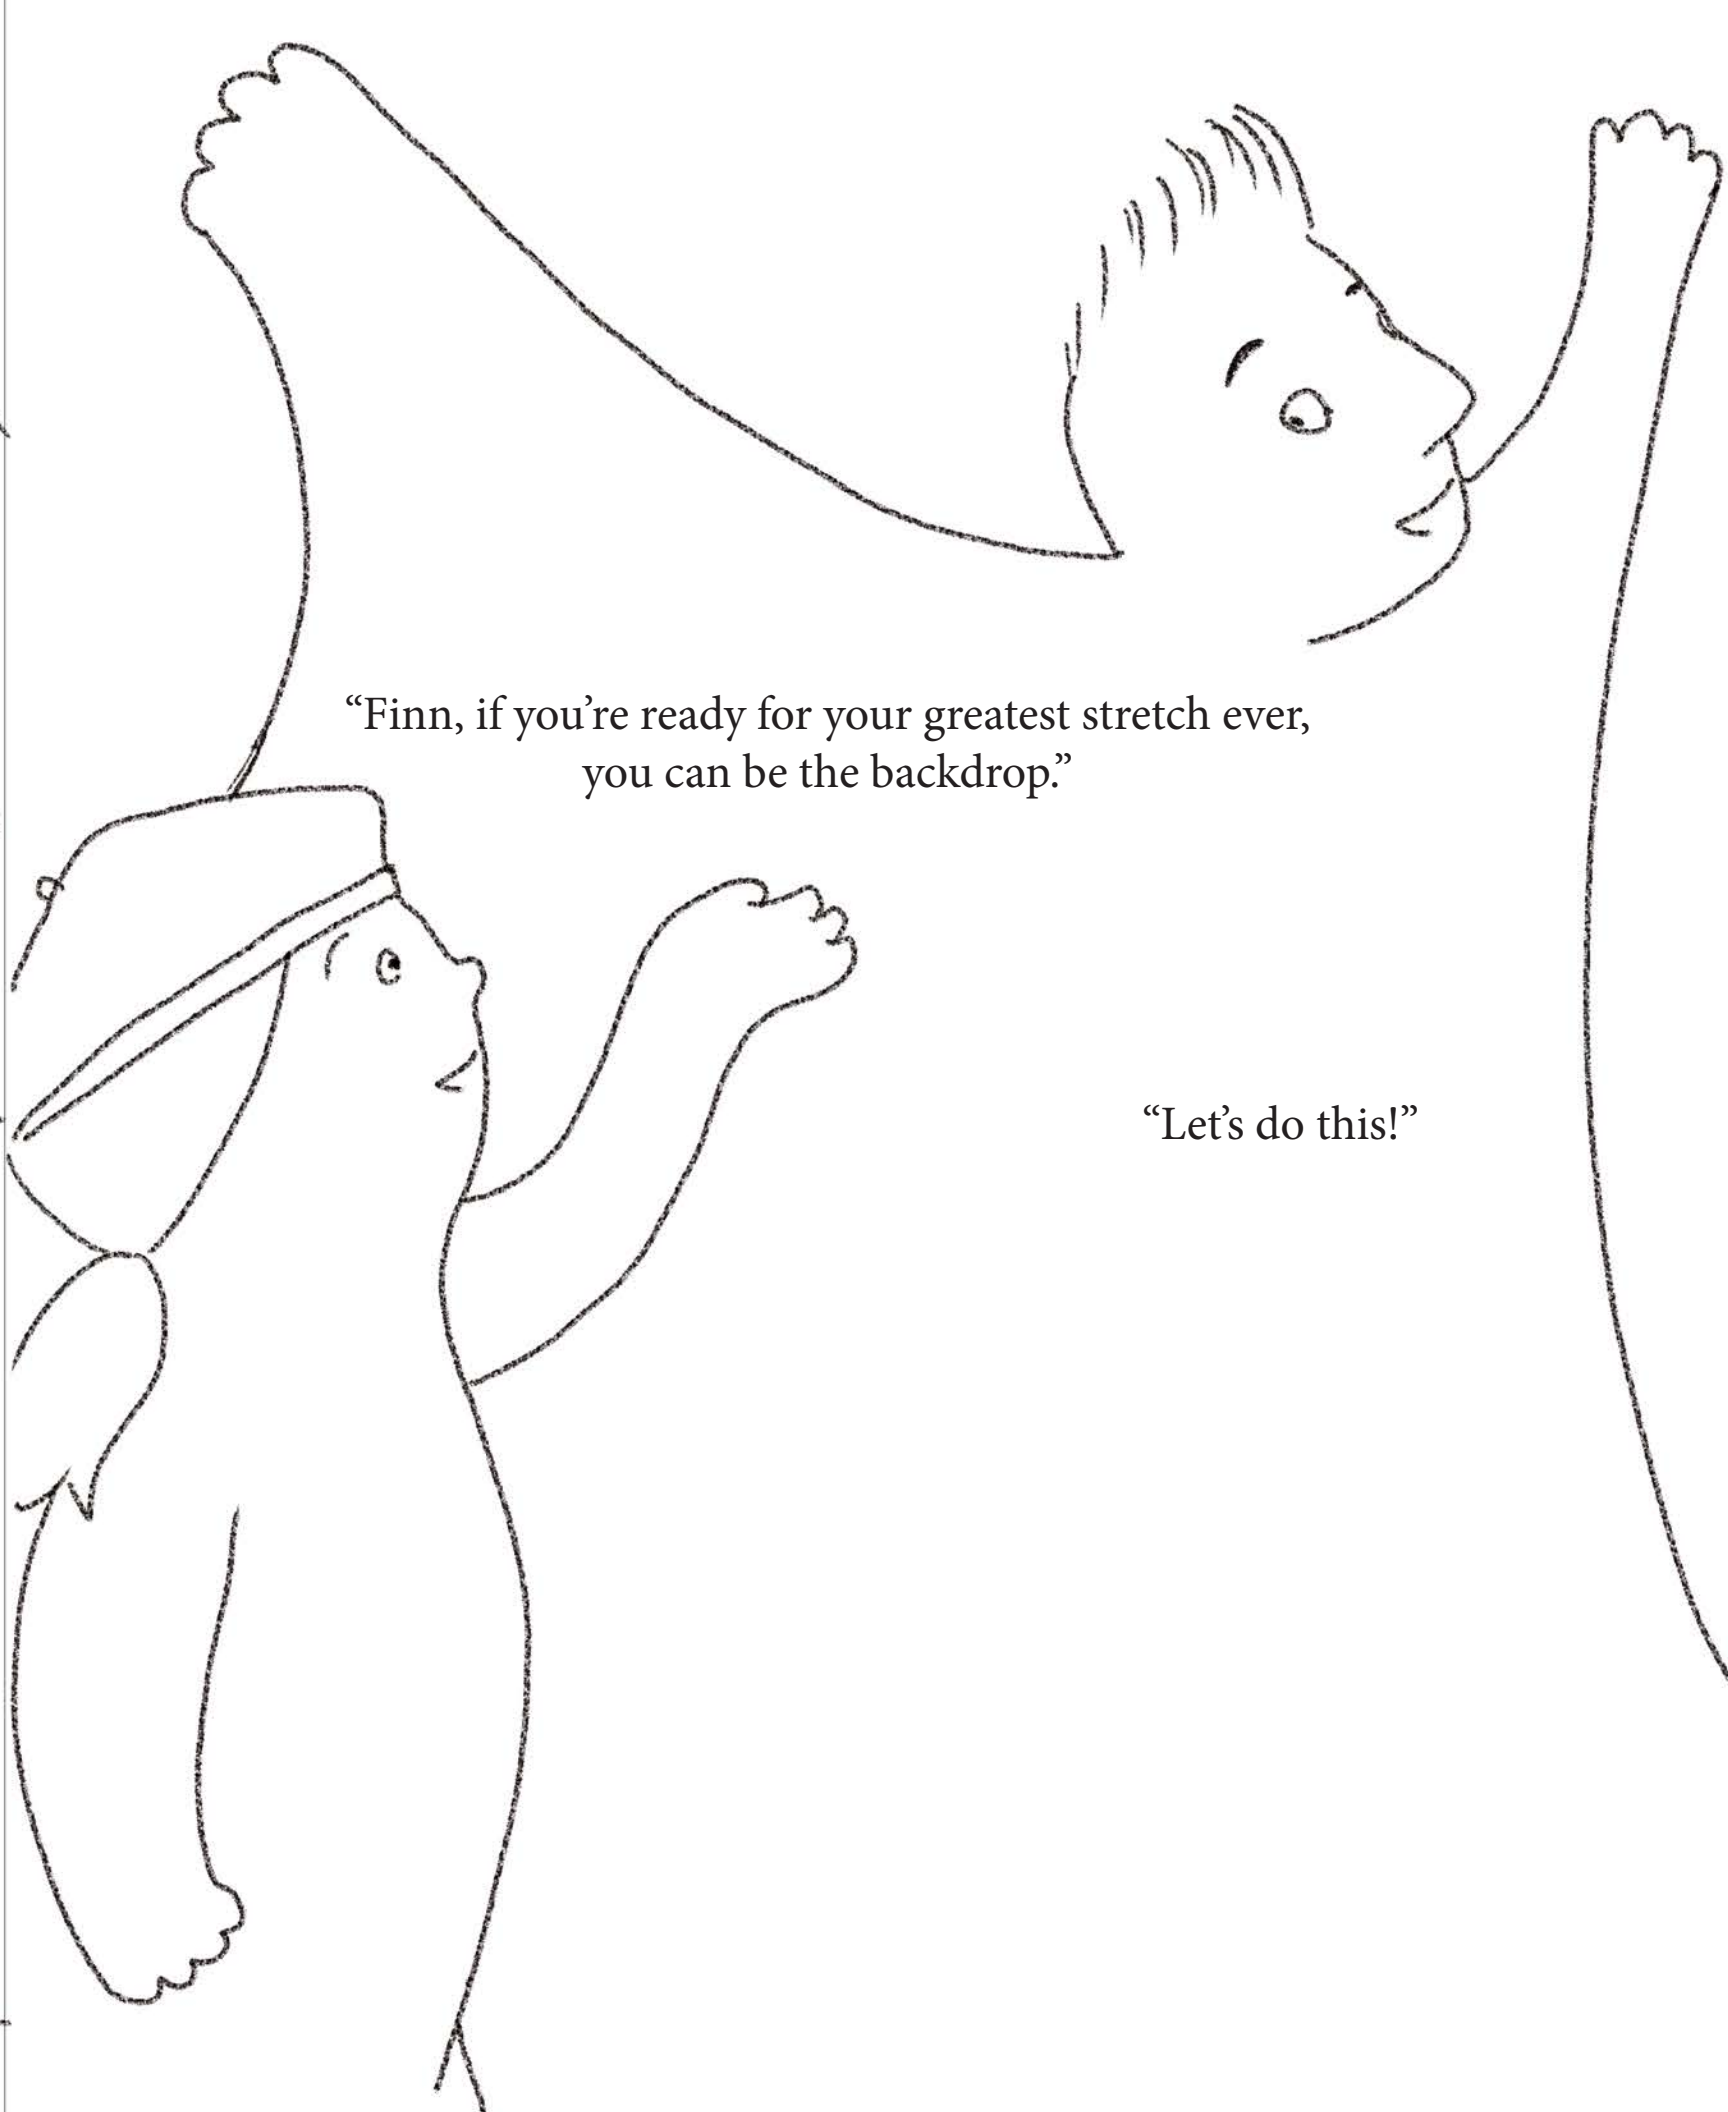

“Um...Poppy?”

“Perfect timing!
I’ve got jobs for all of you.

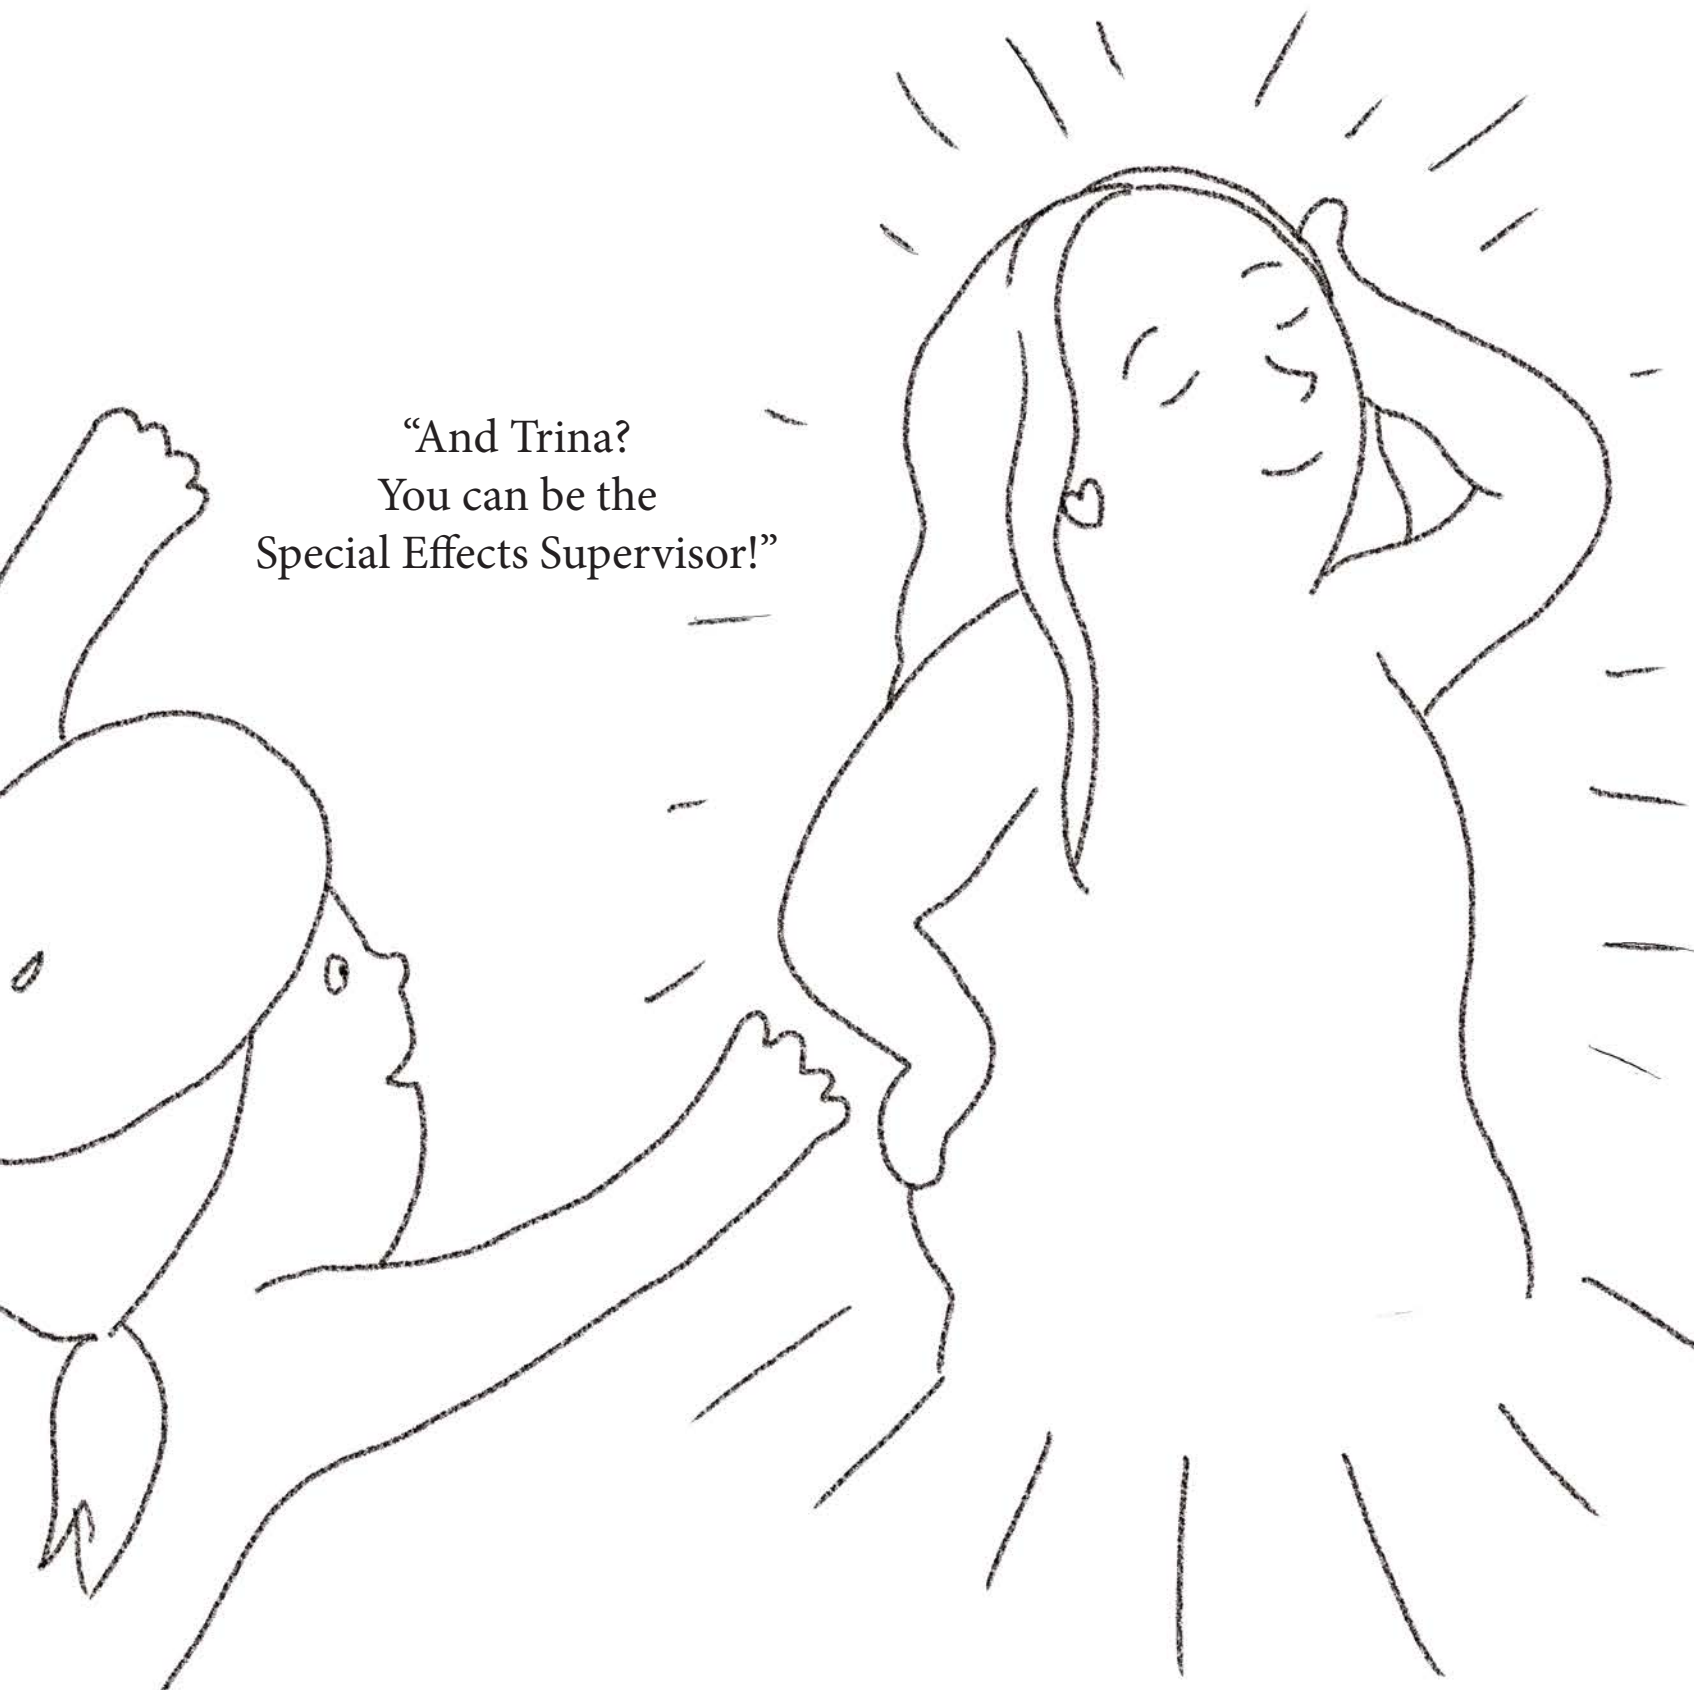

Gus, you’re going to rock the tunes.”

“Cool!”

“Finn, if you’re ready for your greatest stretch ever,
you can be the backdrop.”

“Let’s do this!”

“And Trina?
You can be the
Special Effects Supervisor!”

“Oooh. I like the sound of that.
Bring on the glitter!”

“Come one, come all to...”

"THE SPECTACULAR SLIME FAMILY PLAYHOUSE!"

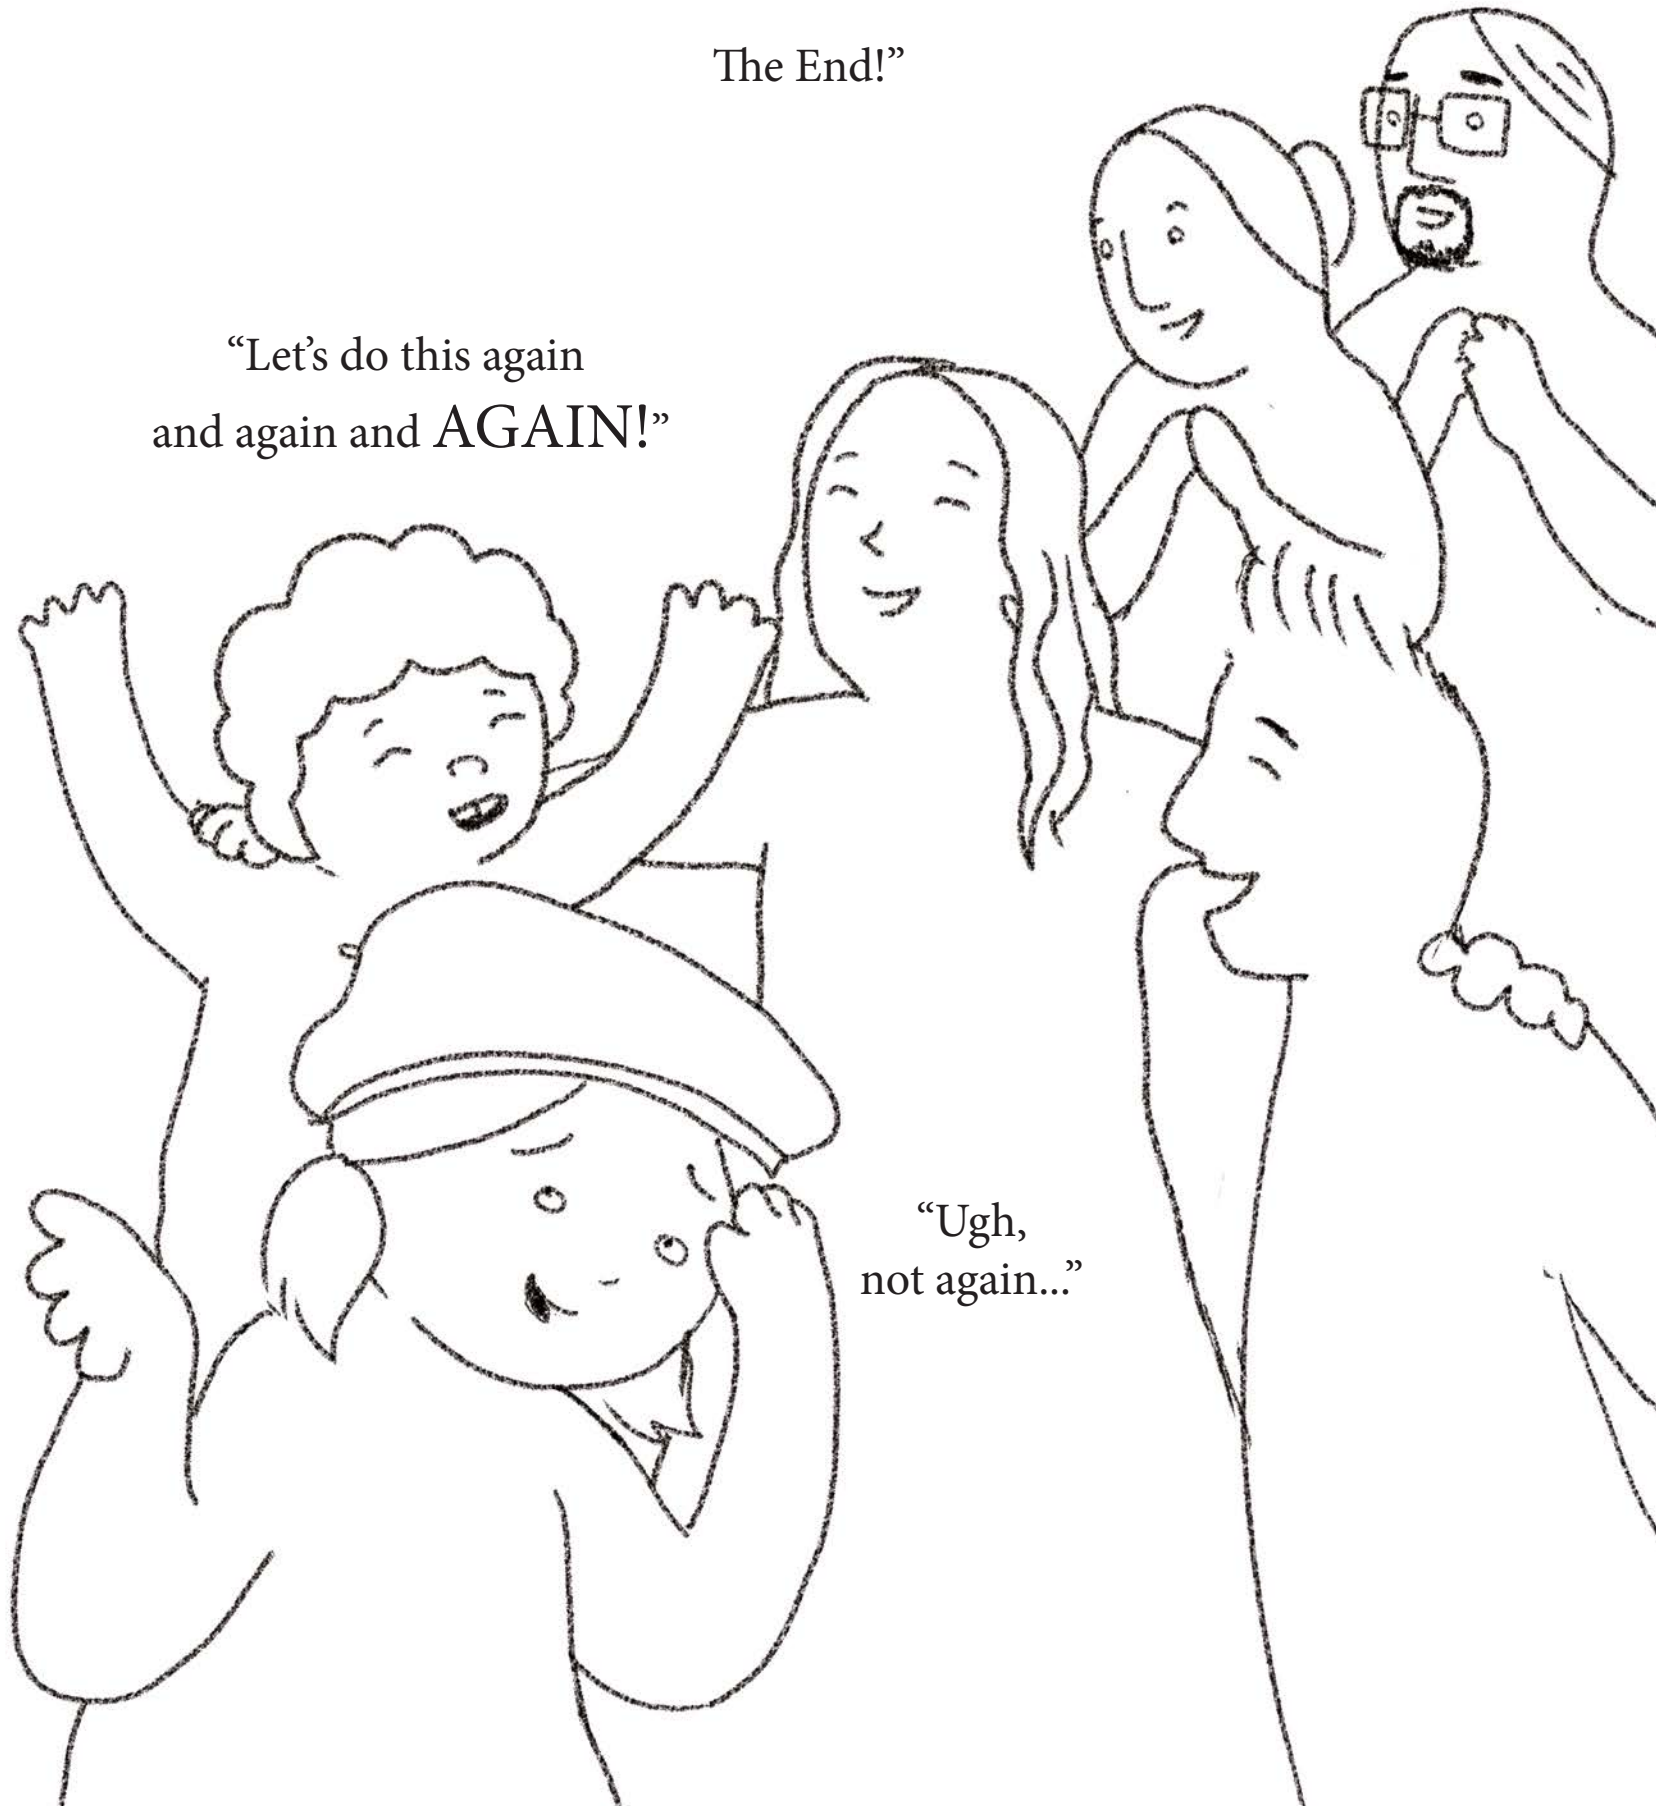

"Once upon a glittery day,
there was a family that did the same things..."

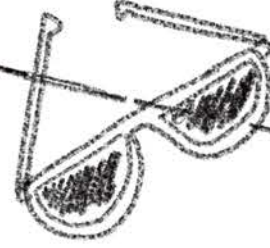

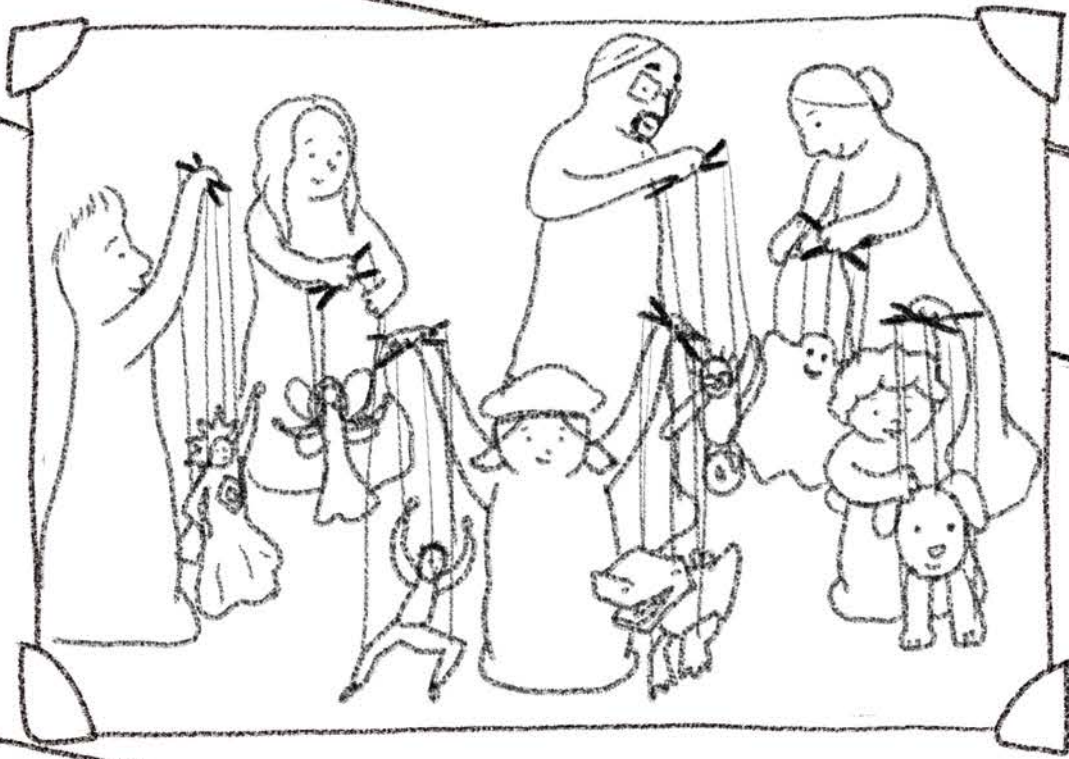

“...and they never ran out of new things to try.

The End!”

“Let’s do this again
and again and AGAIN!”

“Ugh,
not again...”
