Glitter parties,

making music,

and slime diving

may SEEM exciting...

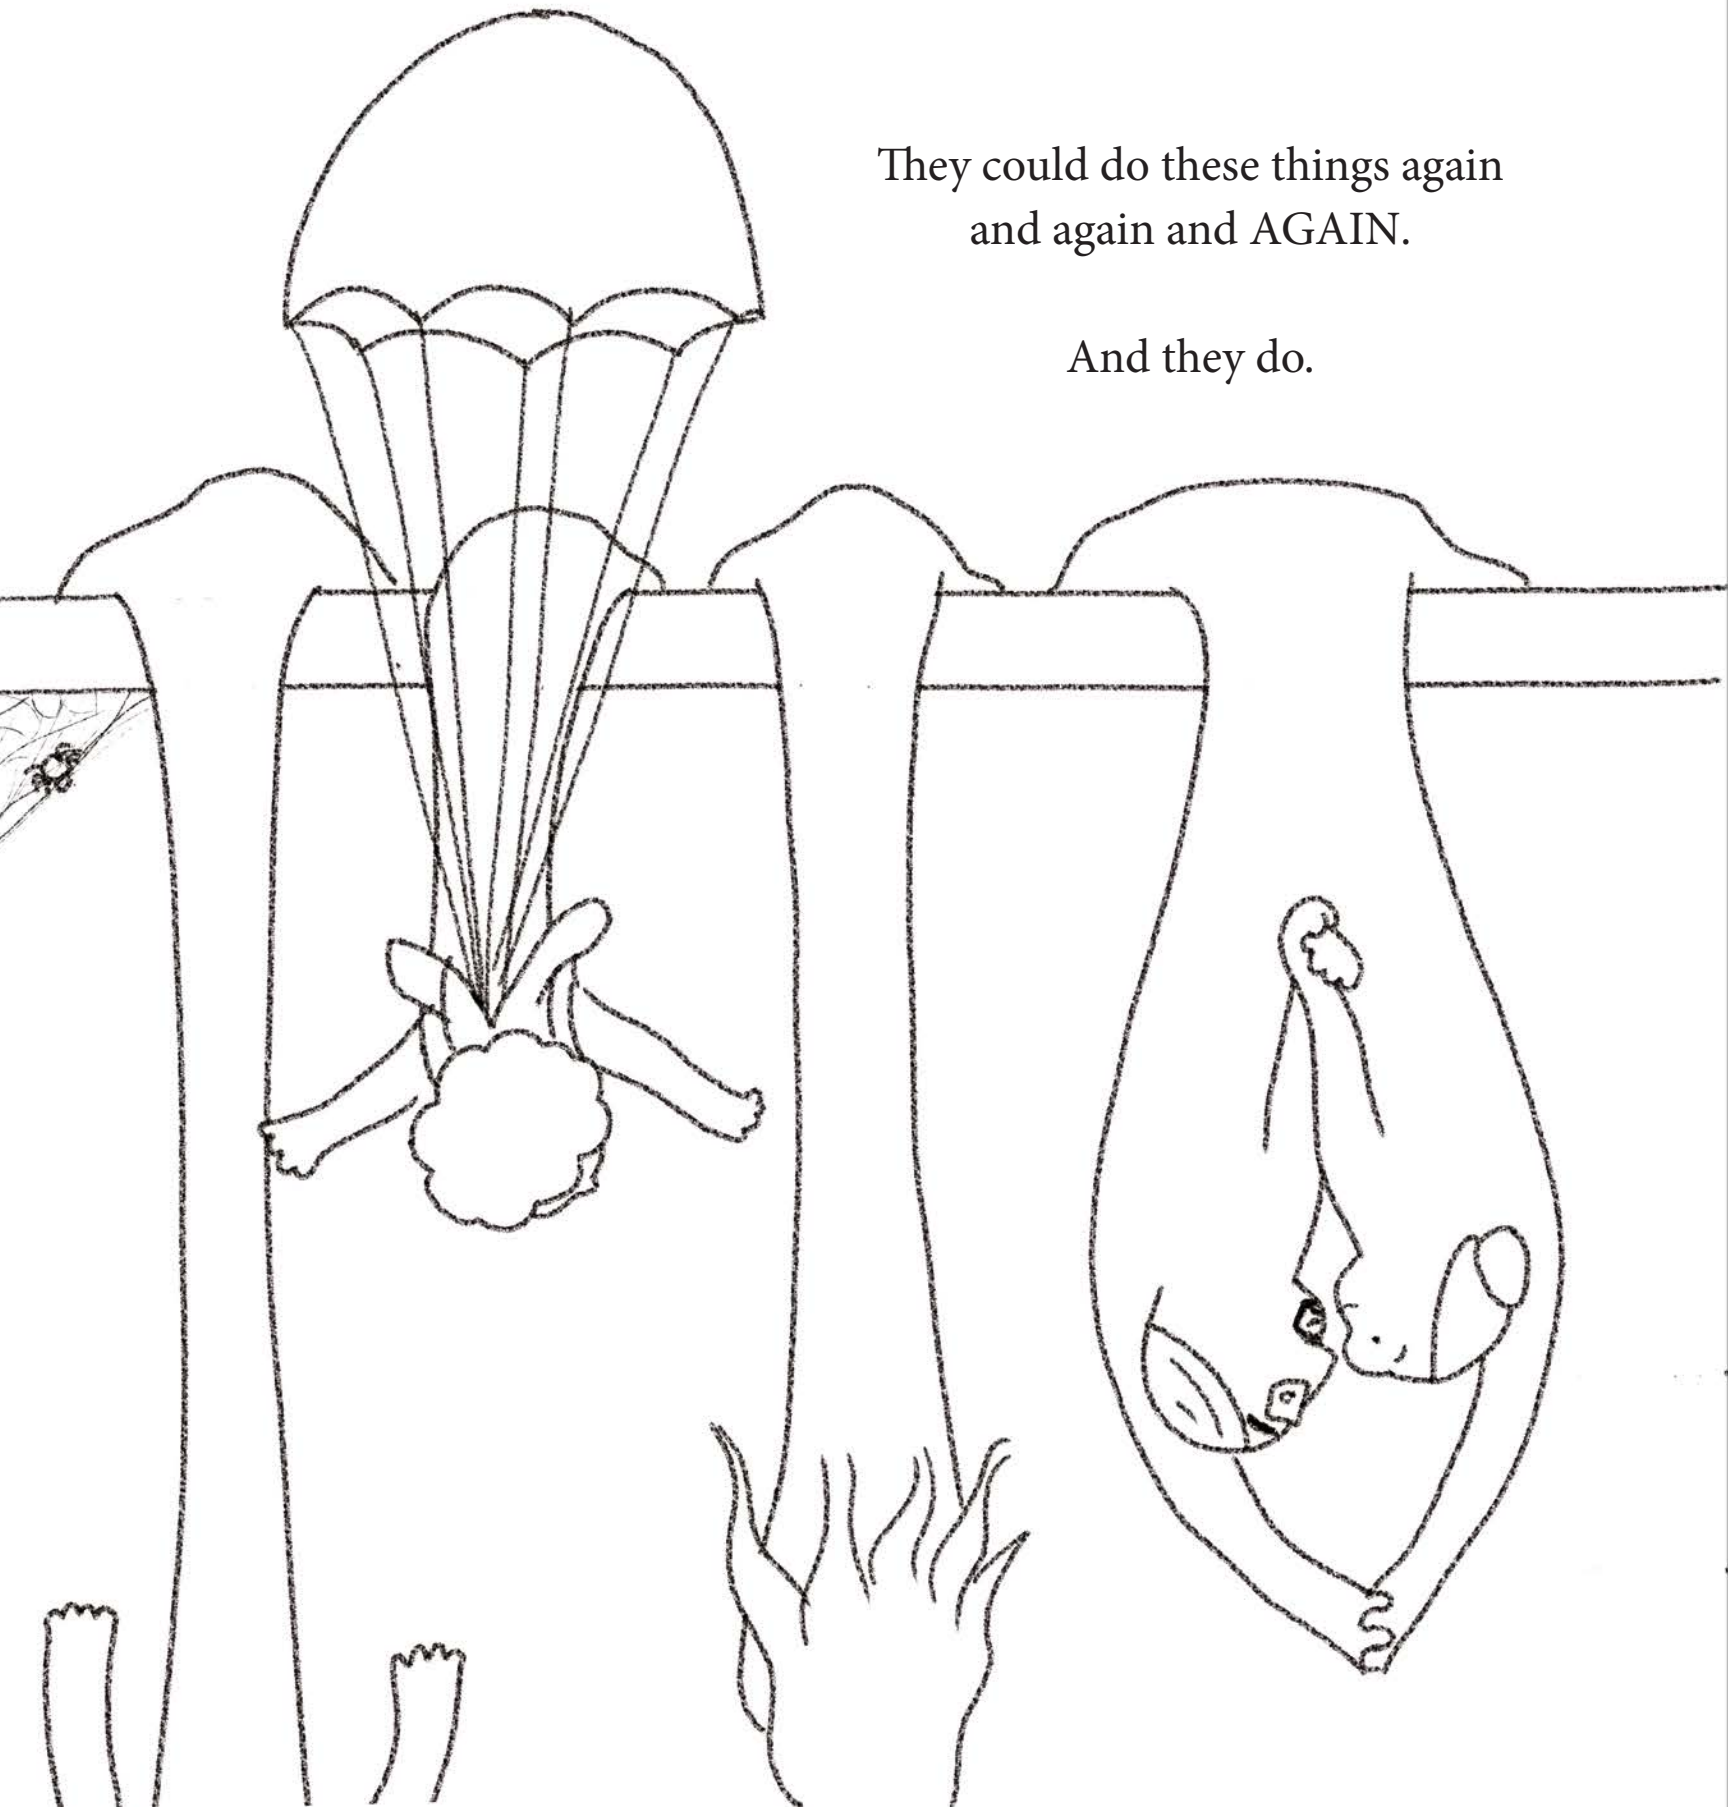

but after a while,  
it gets REALLY boring.

My family disagrees.

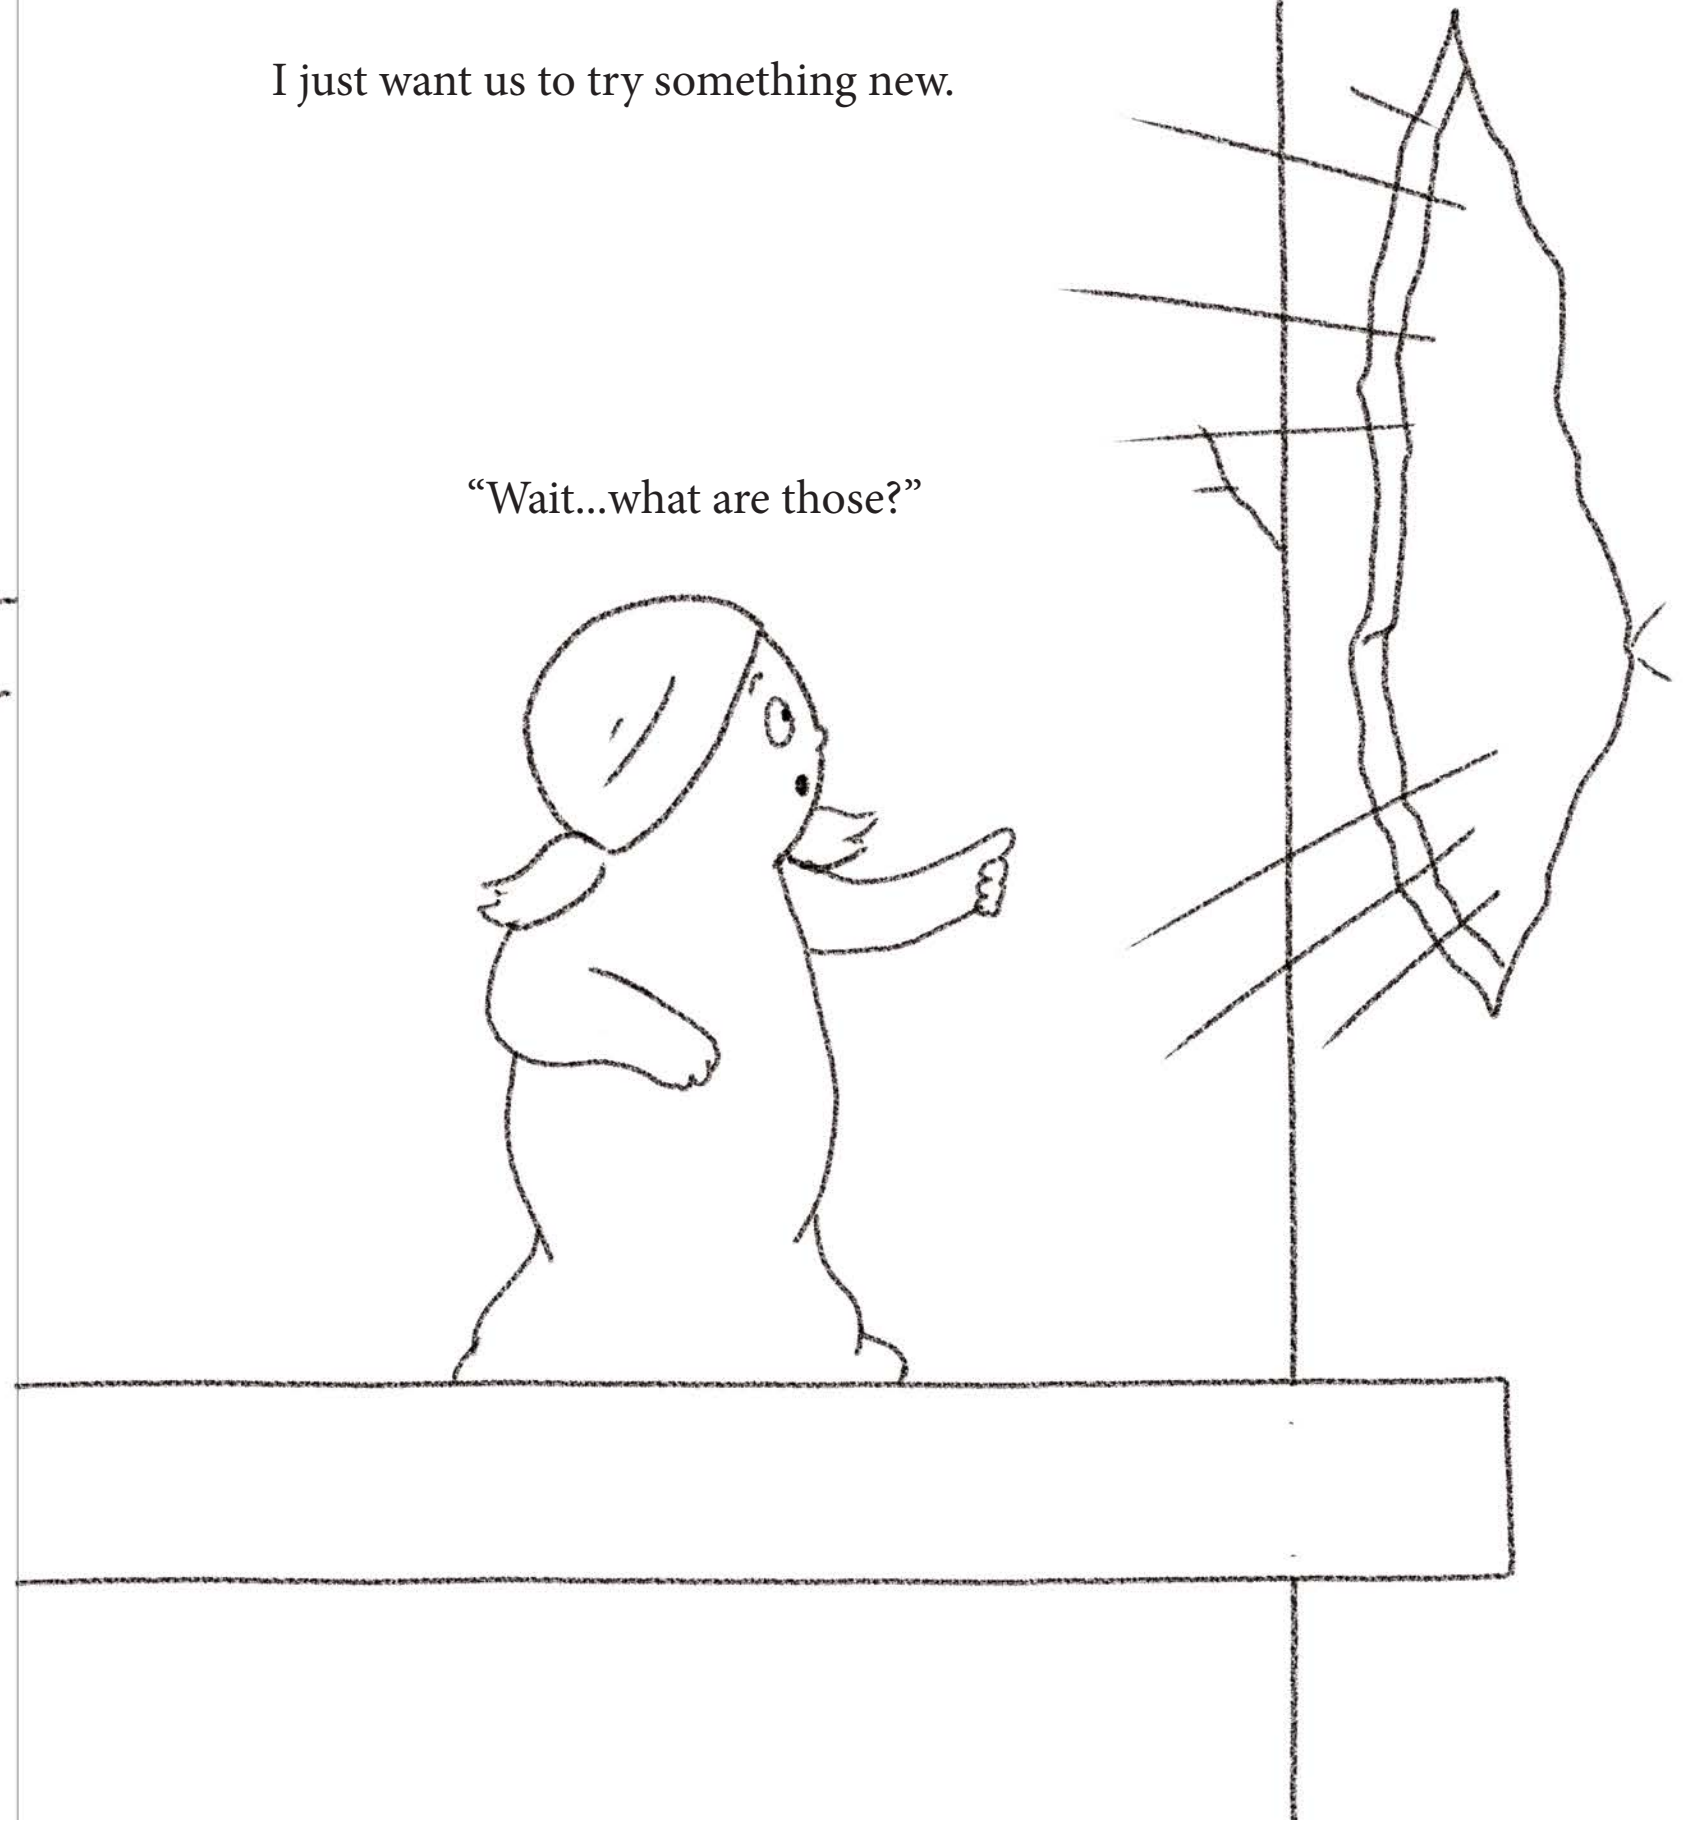

They could do these things again  
and again and AGAIN.

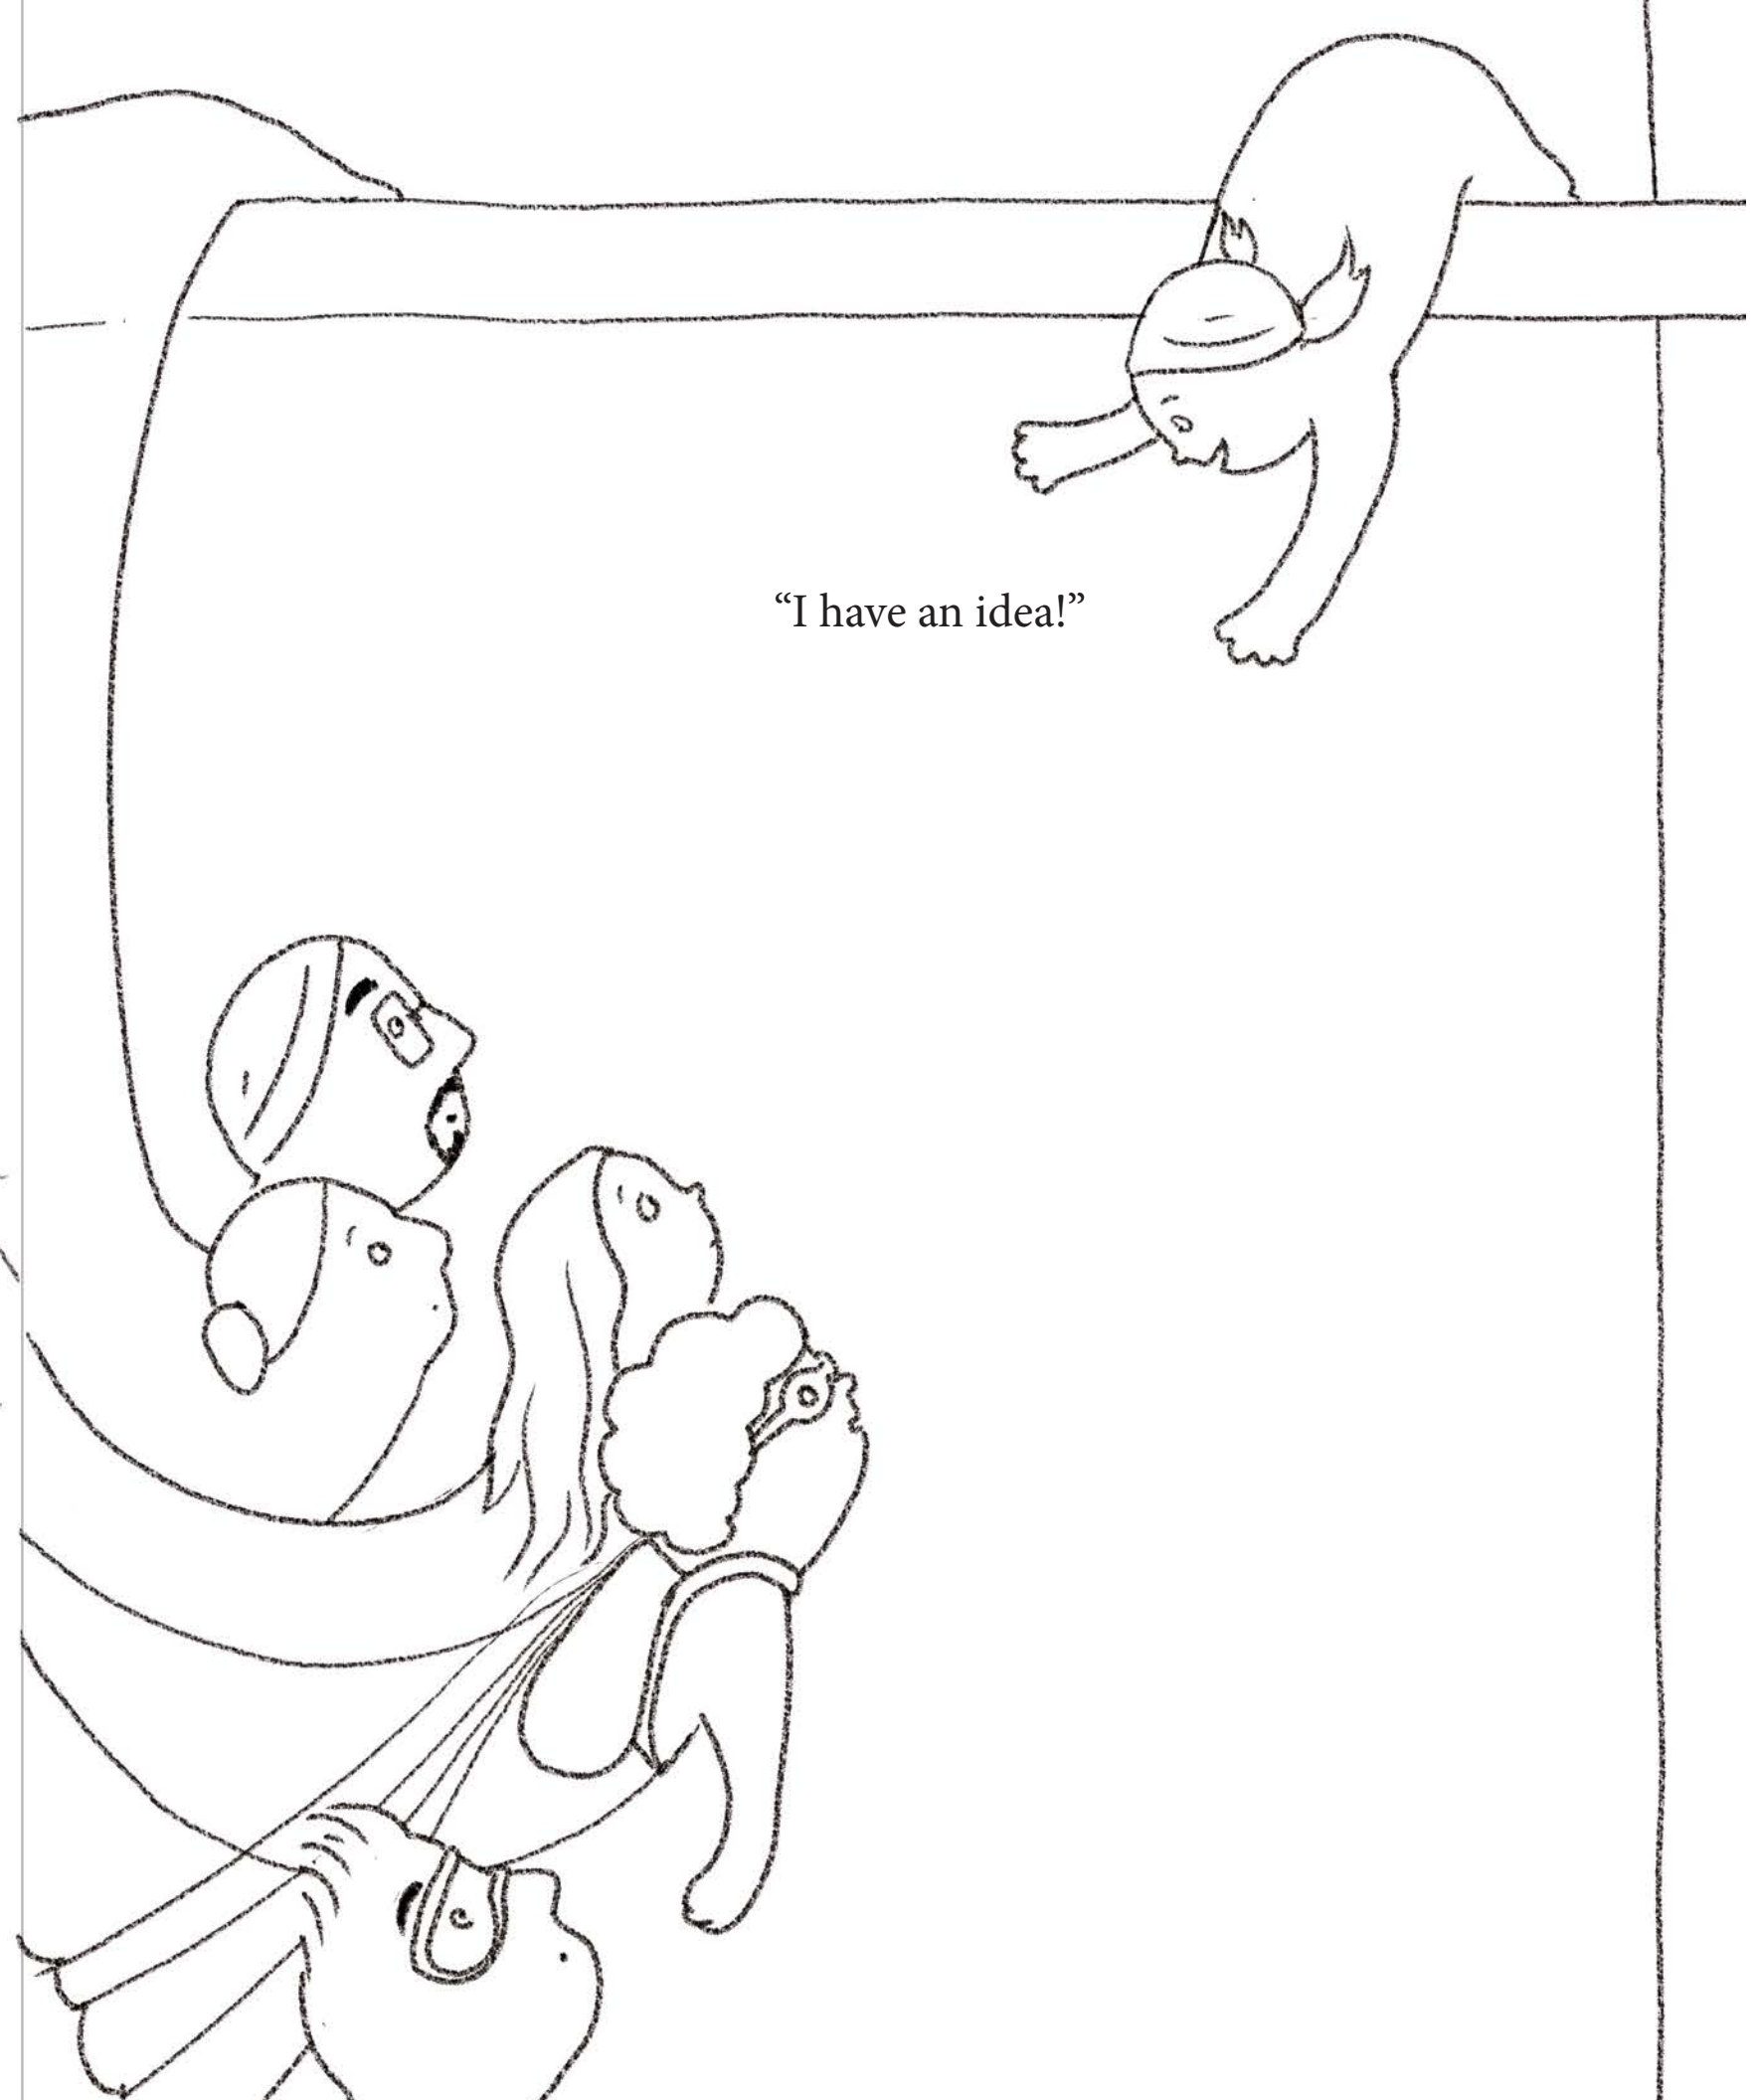

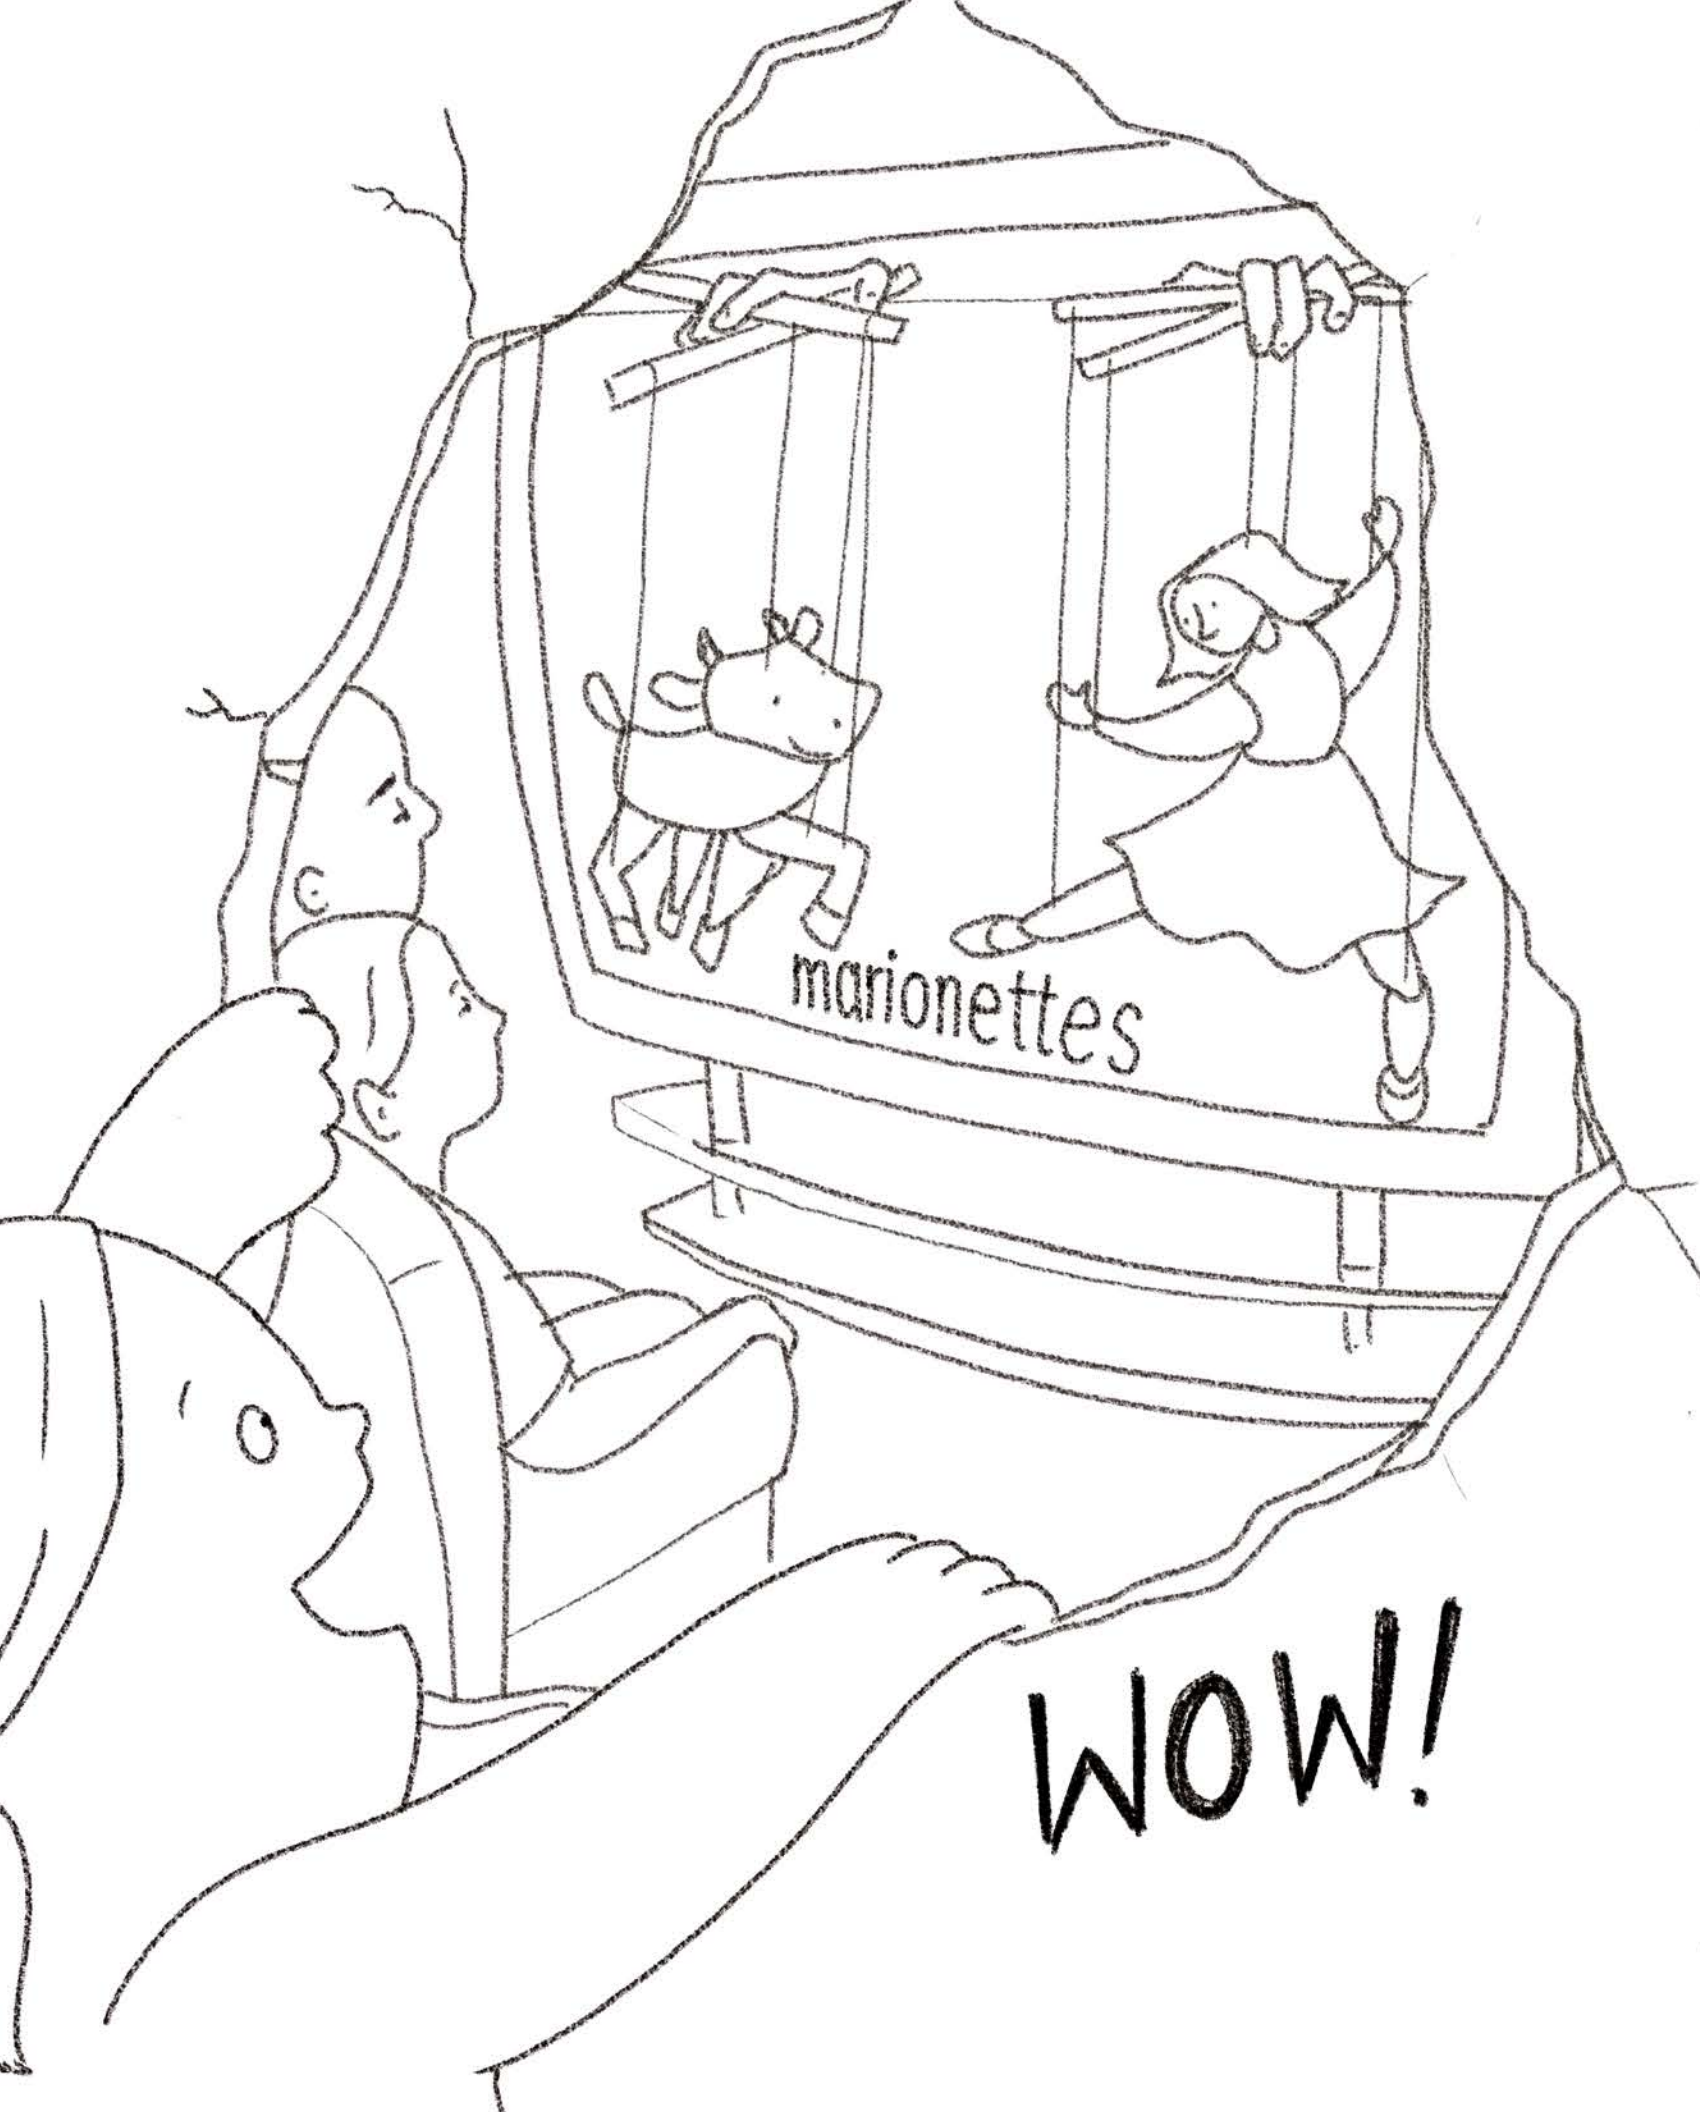

And they do.

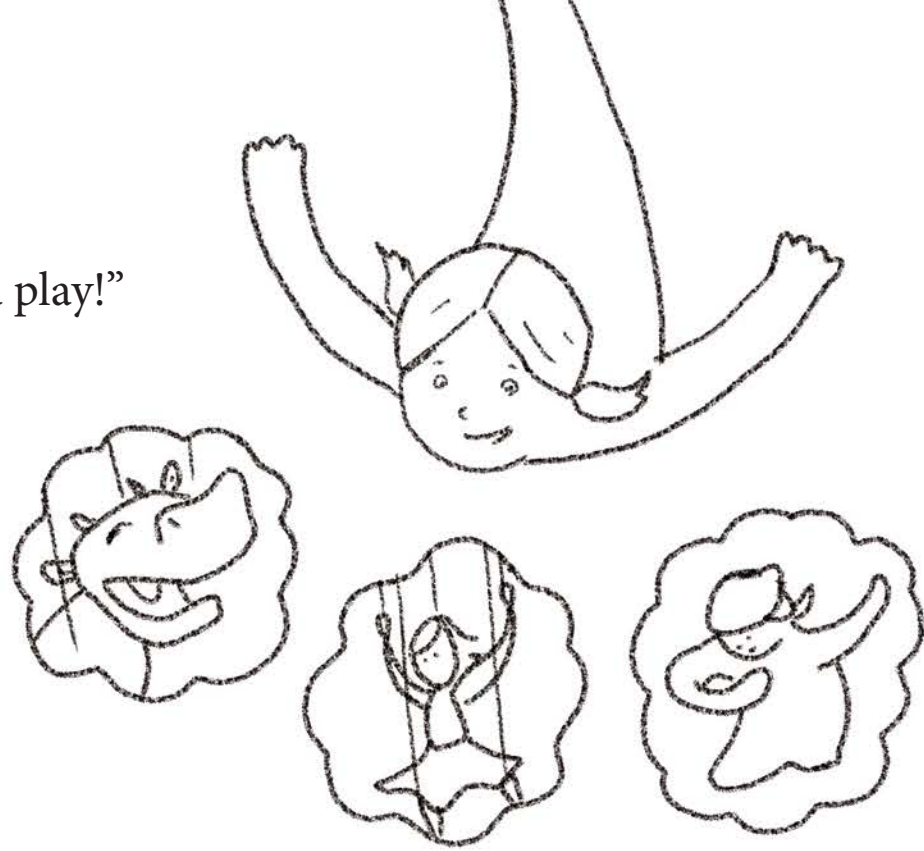

I just want us to try something new.

“Wait...what are those?”

“Let’s put on a play!”

“Oh Poppy, we already have other fun things planned.”

“Indeedy do!  
In fact, it’s music time, my slimes!”

No more routine. No more humdrum.  
I need something new!

This looks like a job for—

# The Phenomenal Puppet Play Producer Poppy!

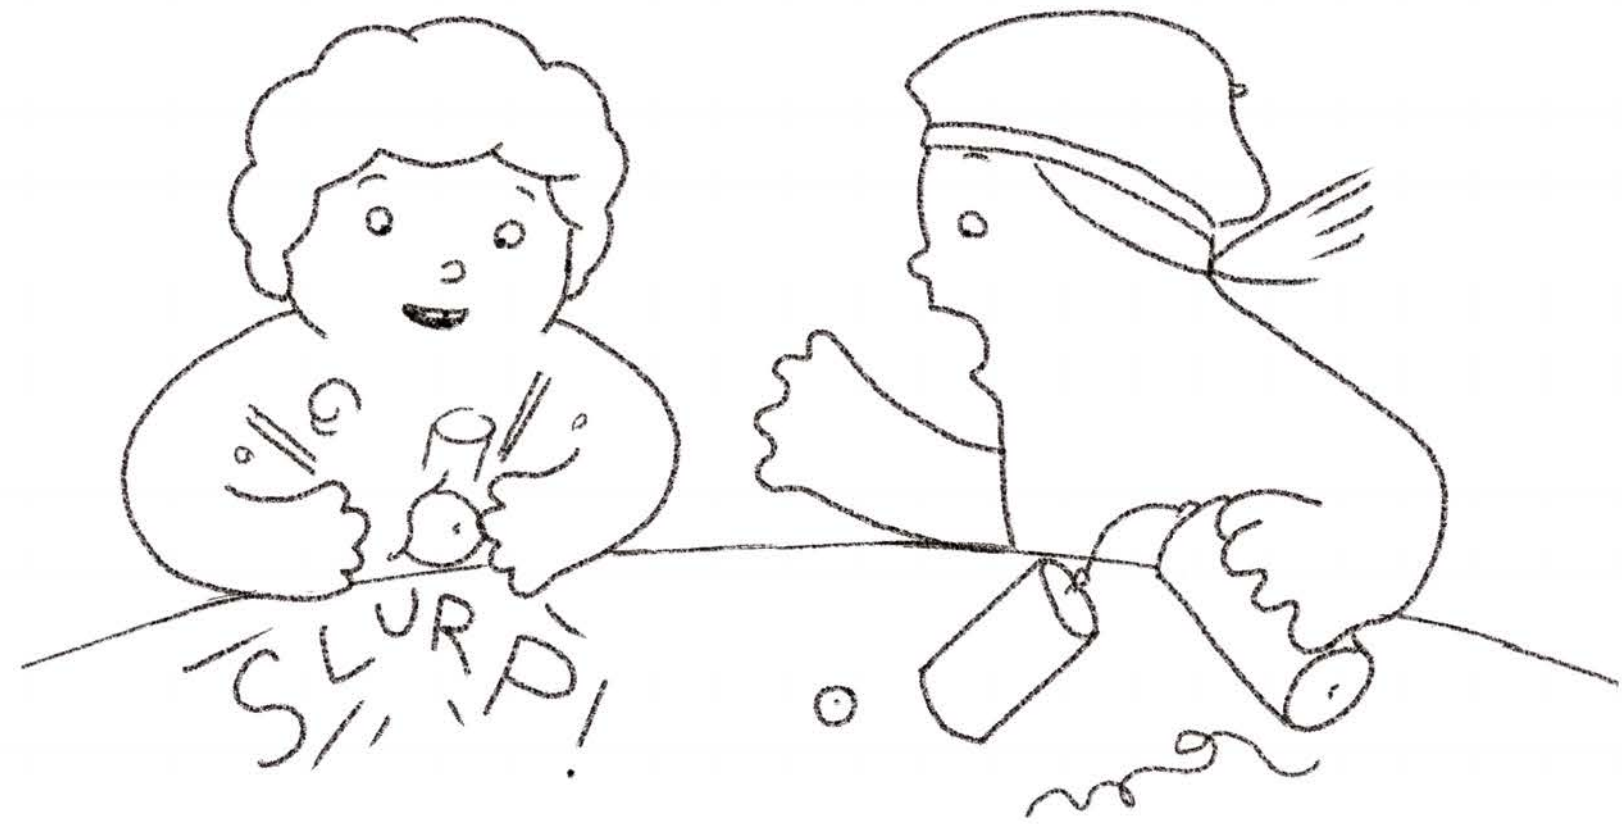

“It’s showtime!”

“Poppy, play music with us!”

“Not today, Gus.  
I’m making marionettes.”

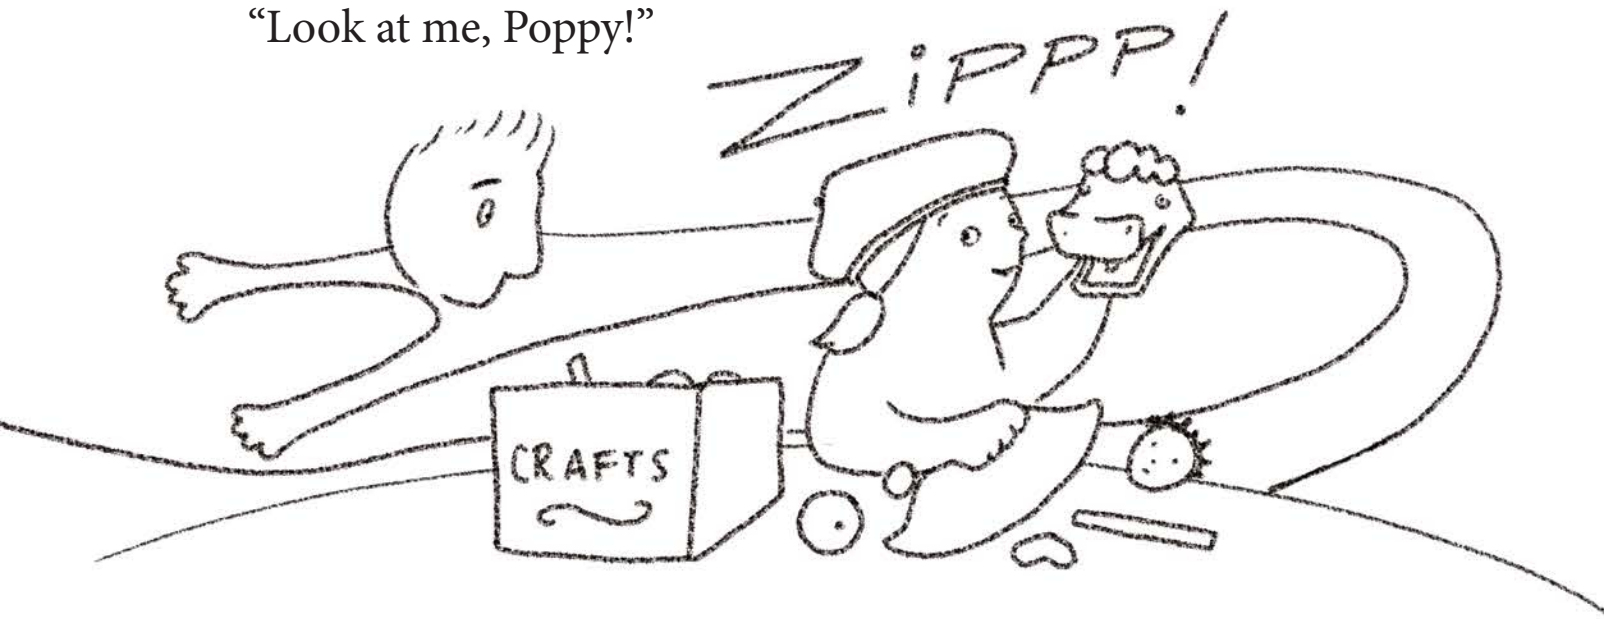

“That sounds boring.  
But these look CRUNCHY...”

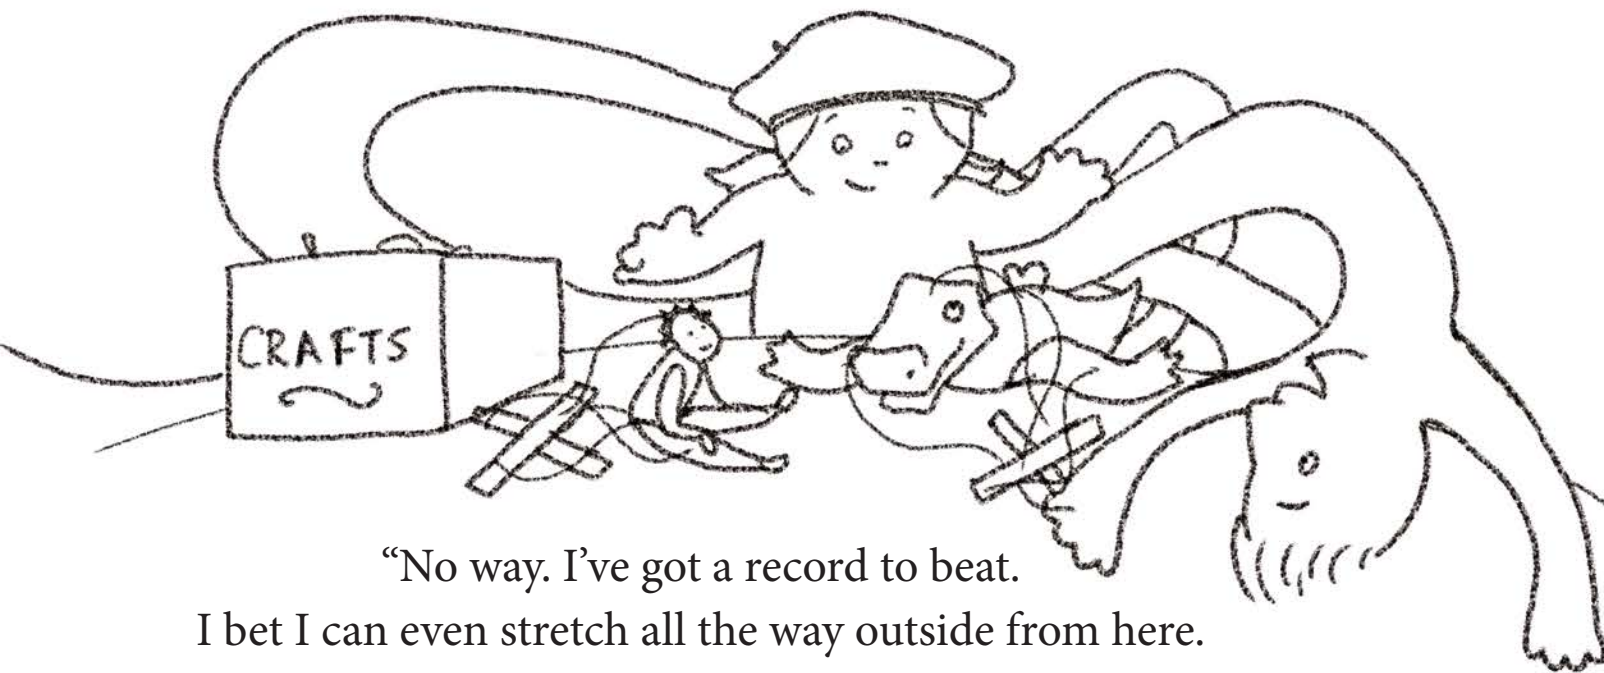

“Perfect for music time!”

“Look at me, Poppy!”

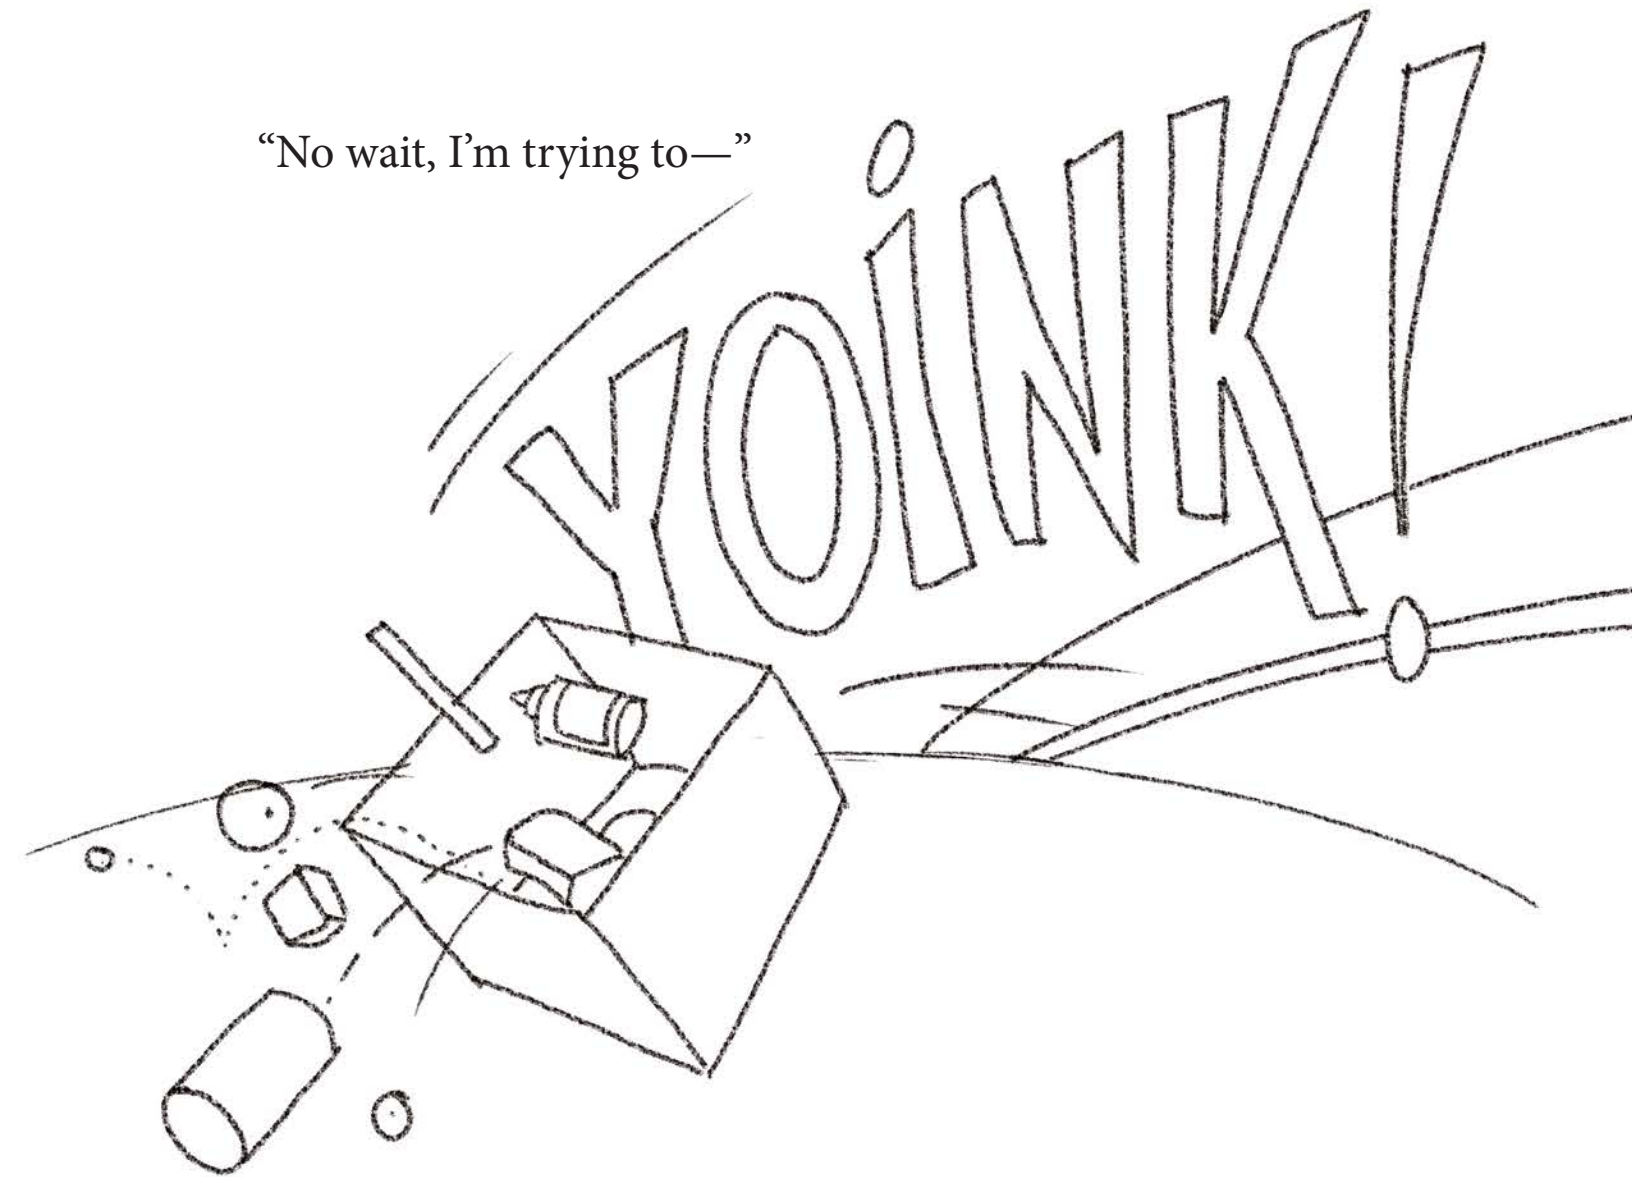

“Wow, Finn! Want to use your stretch talents in a play?”

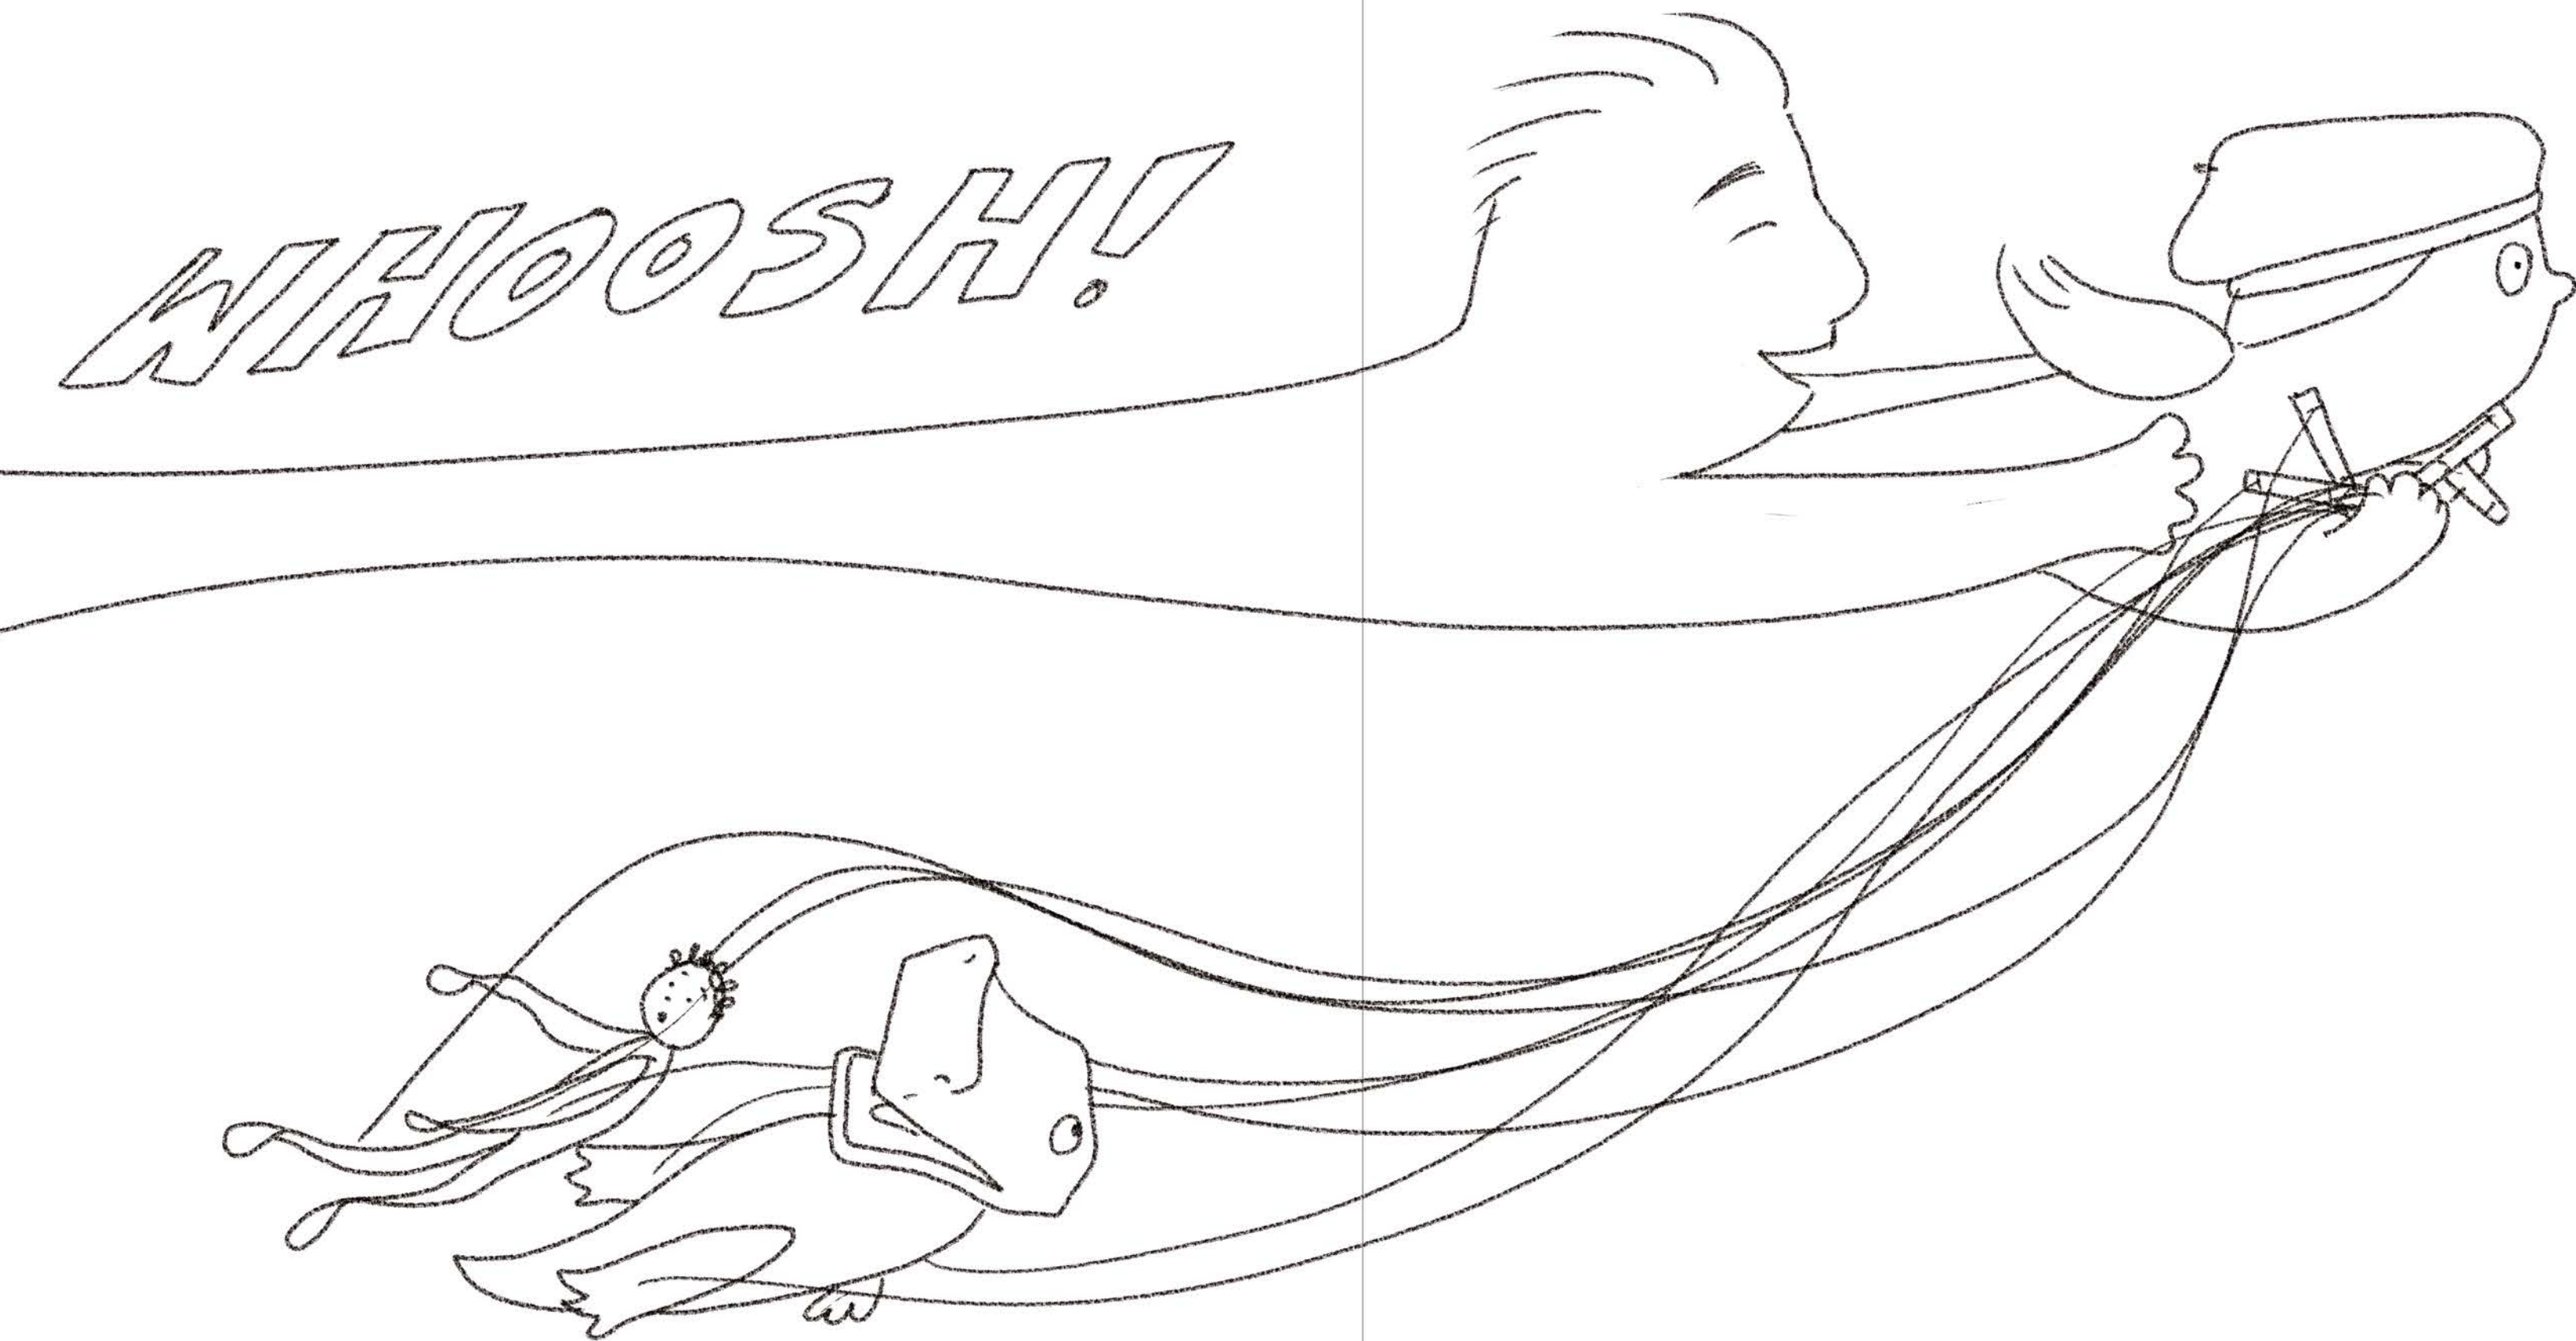

“No way. I’ve got a record to beat.  
I bet I can even stretch all the way outside from here.  
Check it out!”

“No wait, I’m trying to—”

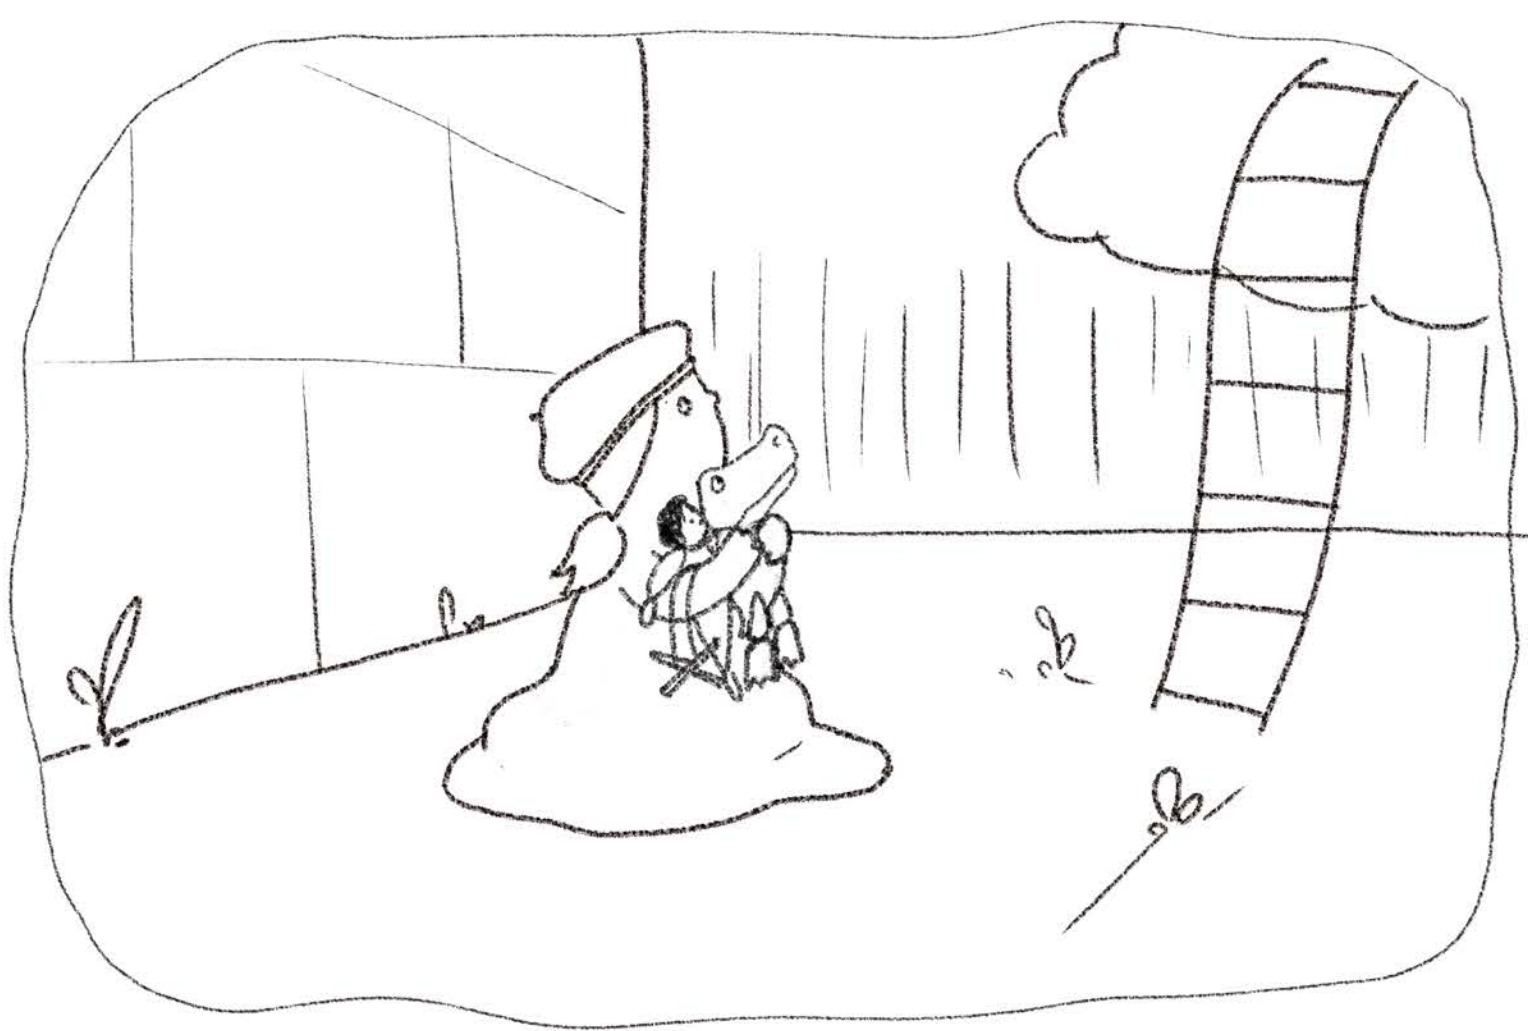

WHOOSH!

thworp!

Poppy! Glitter Party Time!

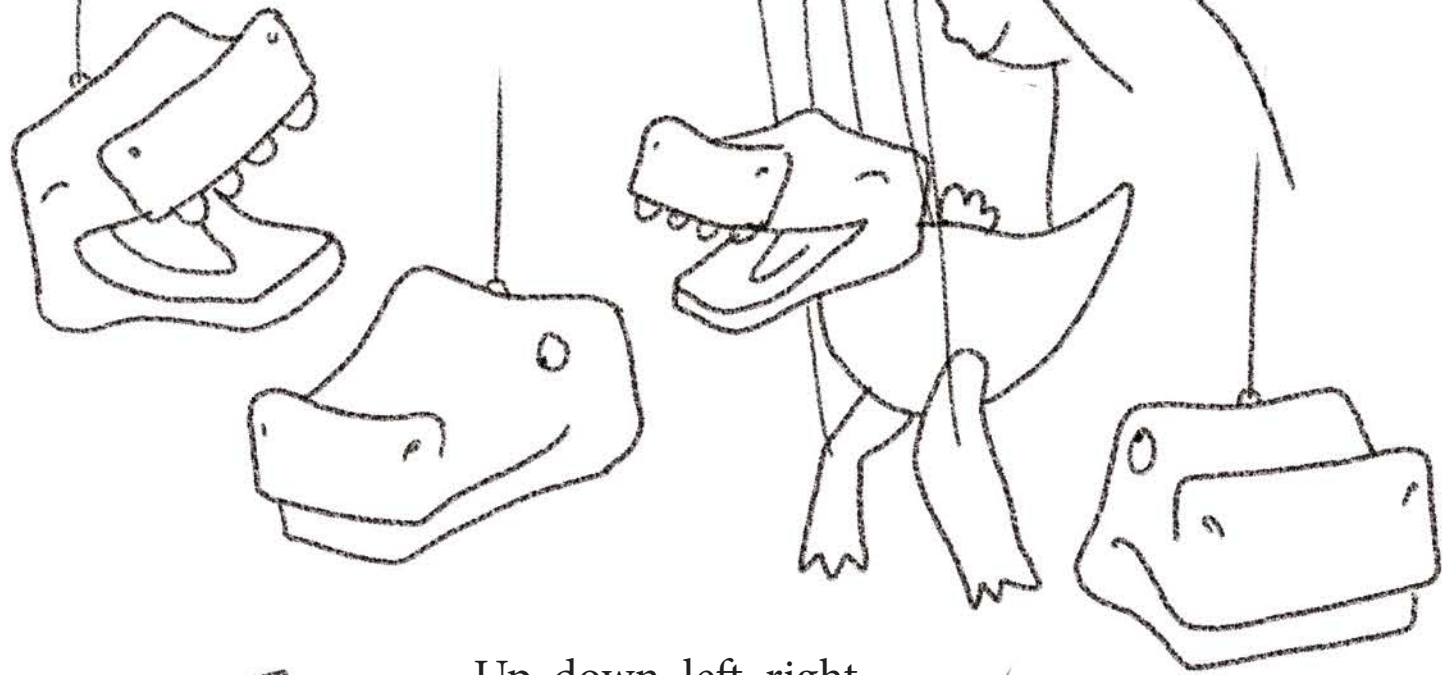

“I’m practicing for a play, Trina. Want to help?”

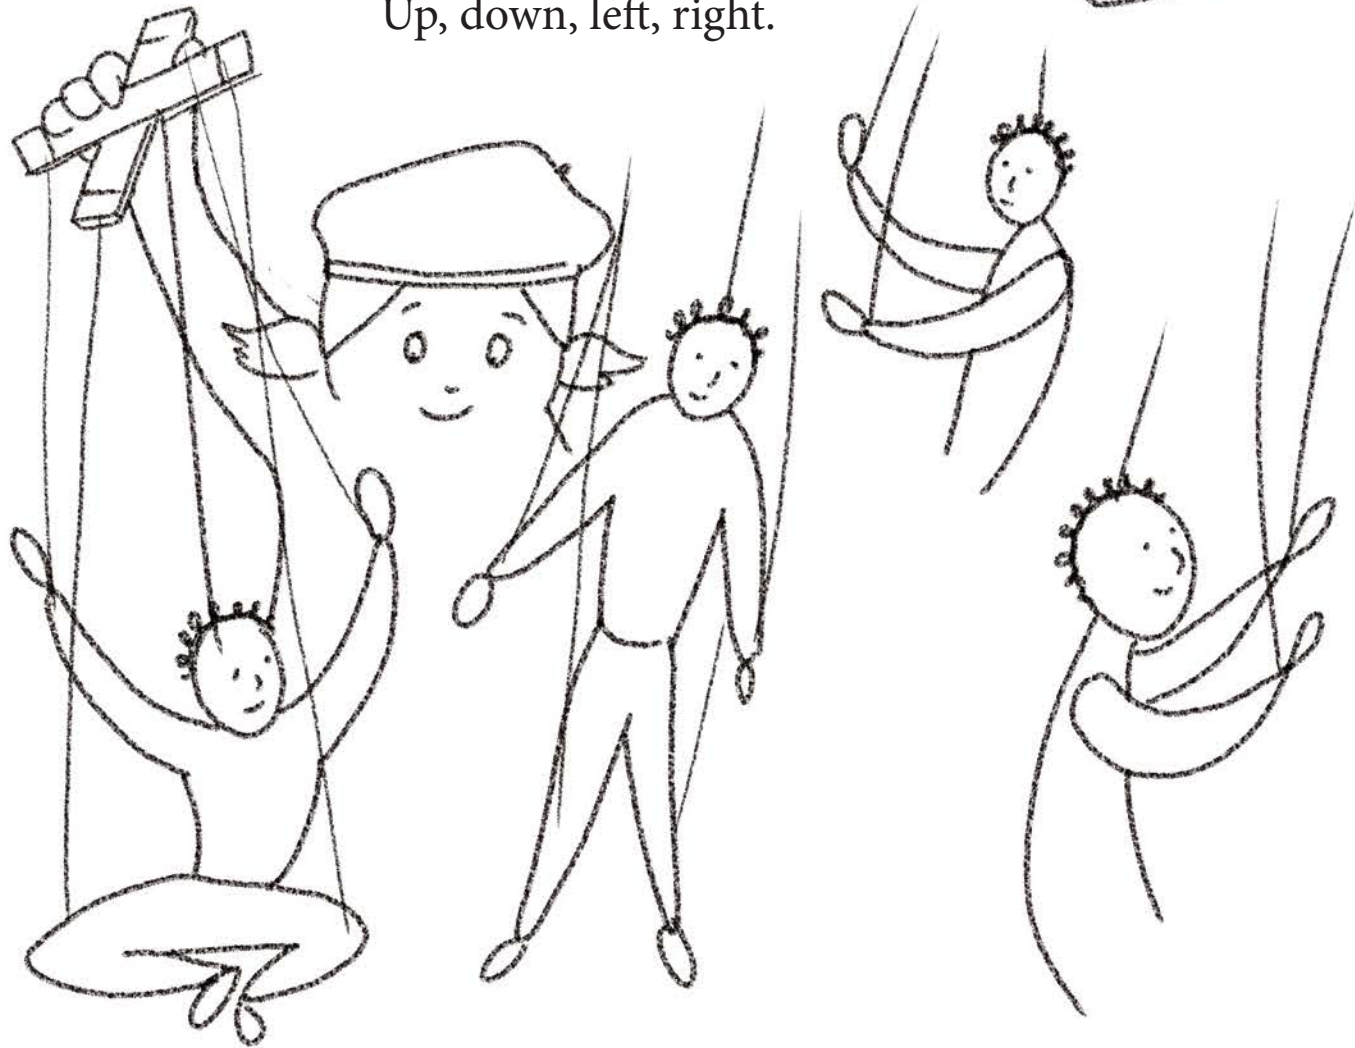

“Didn’t you hear me? Glitter. Party.”

“No thanks, but have fun!”

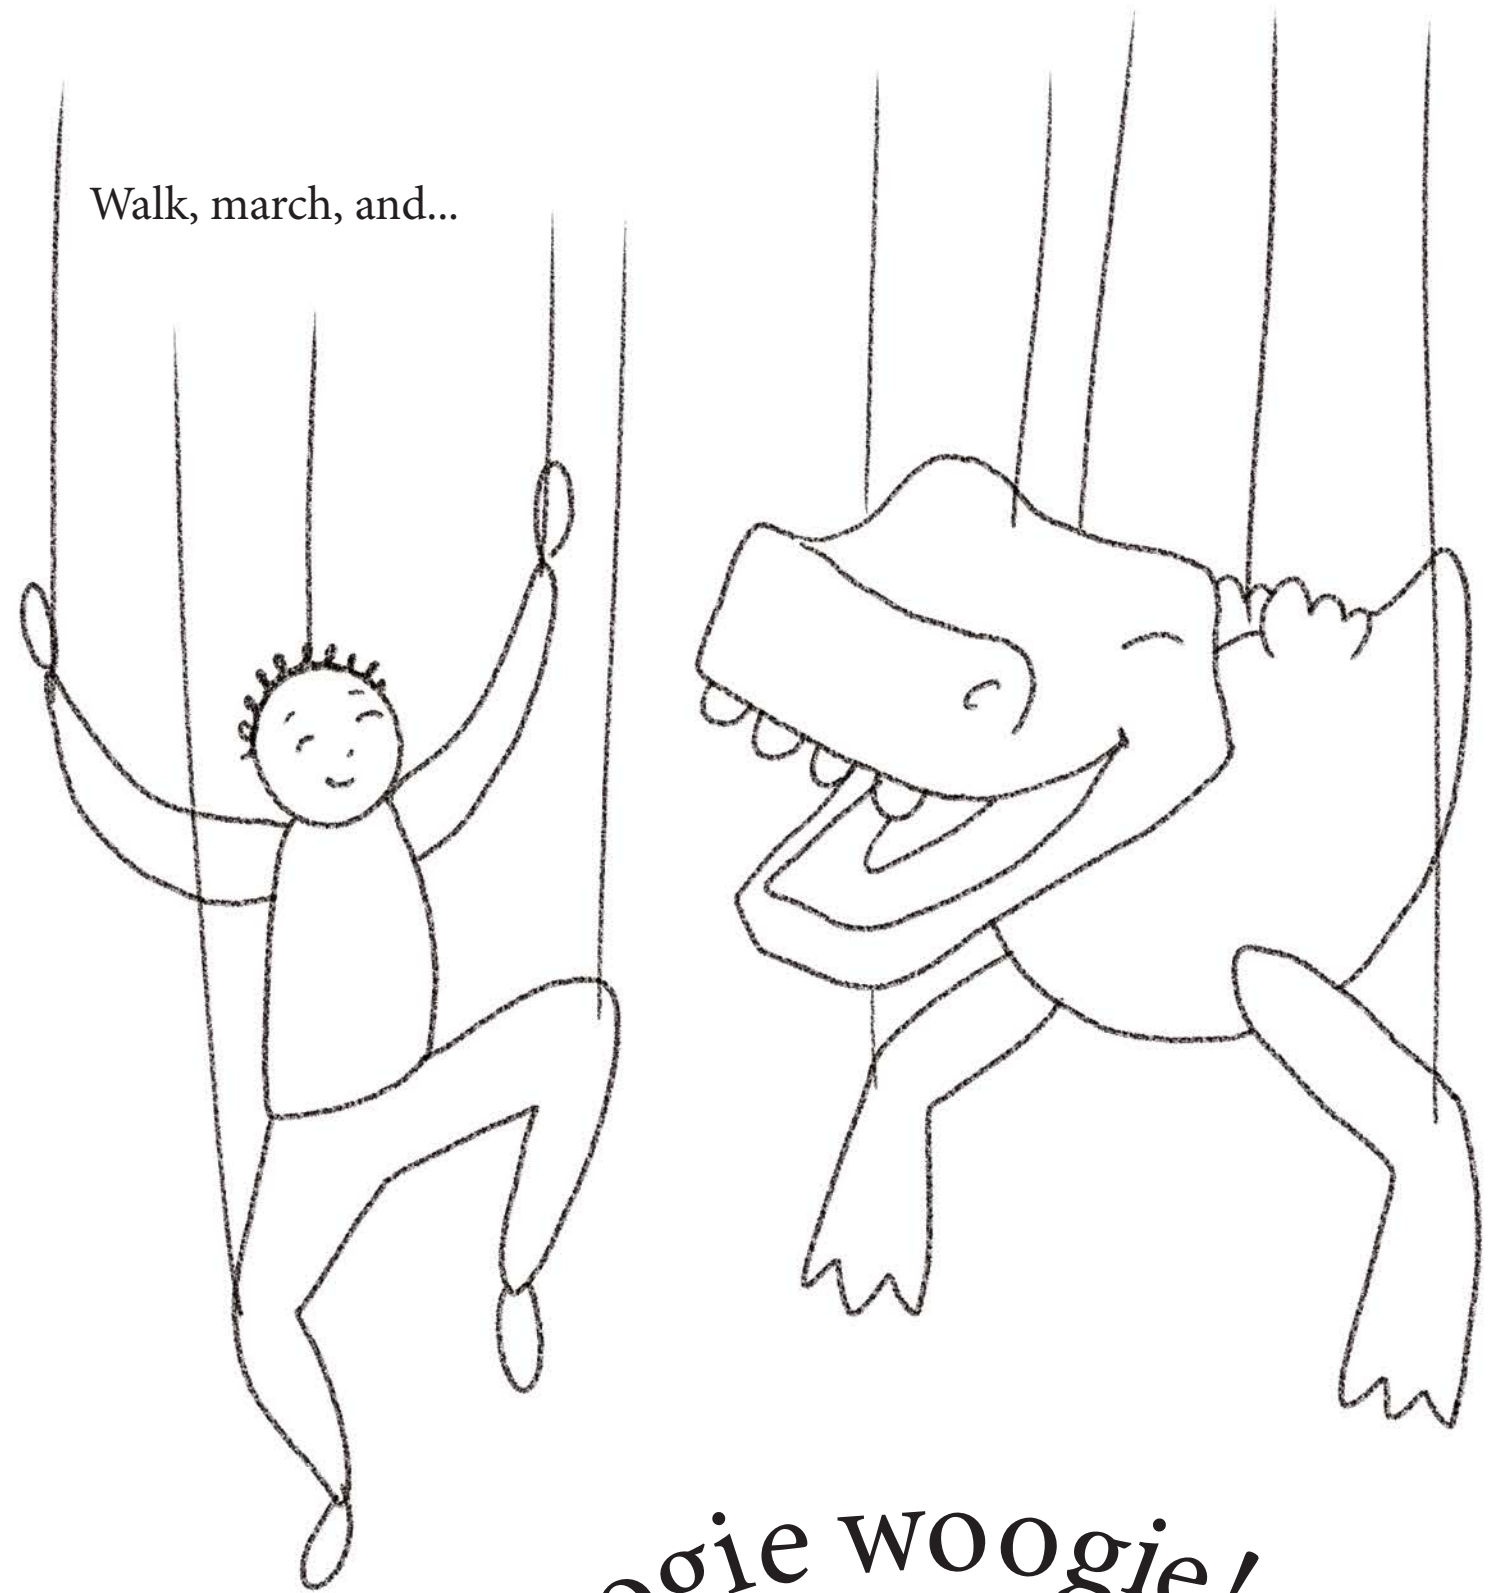

From the top!  
Open, close, open, close.

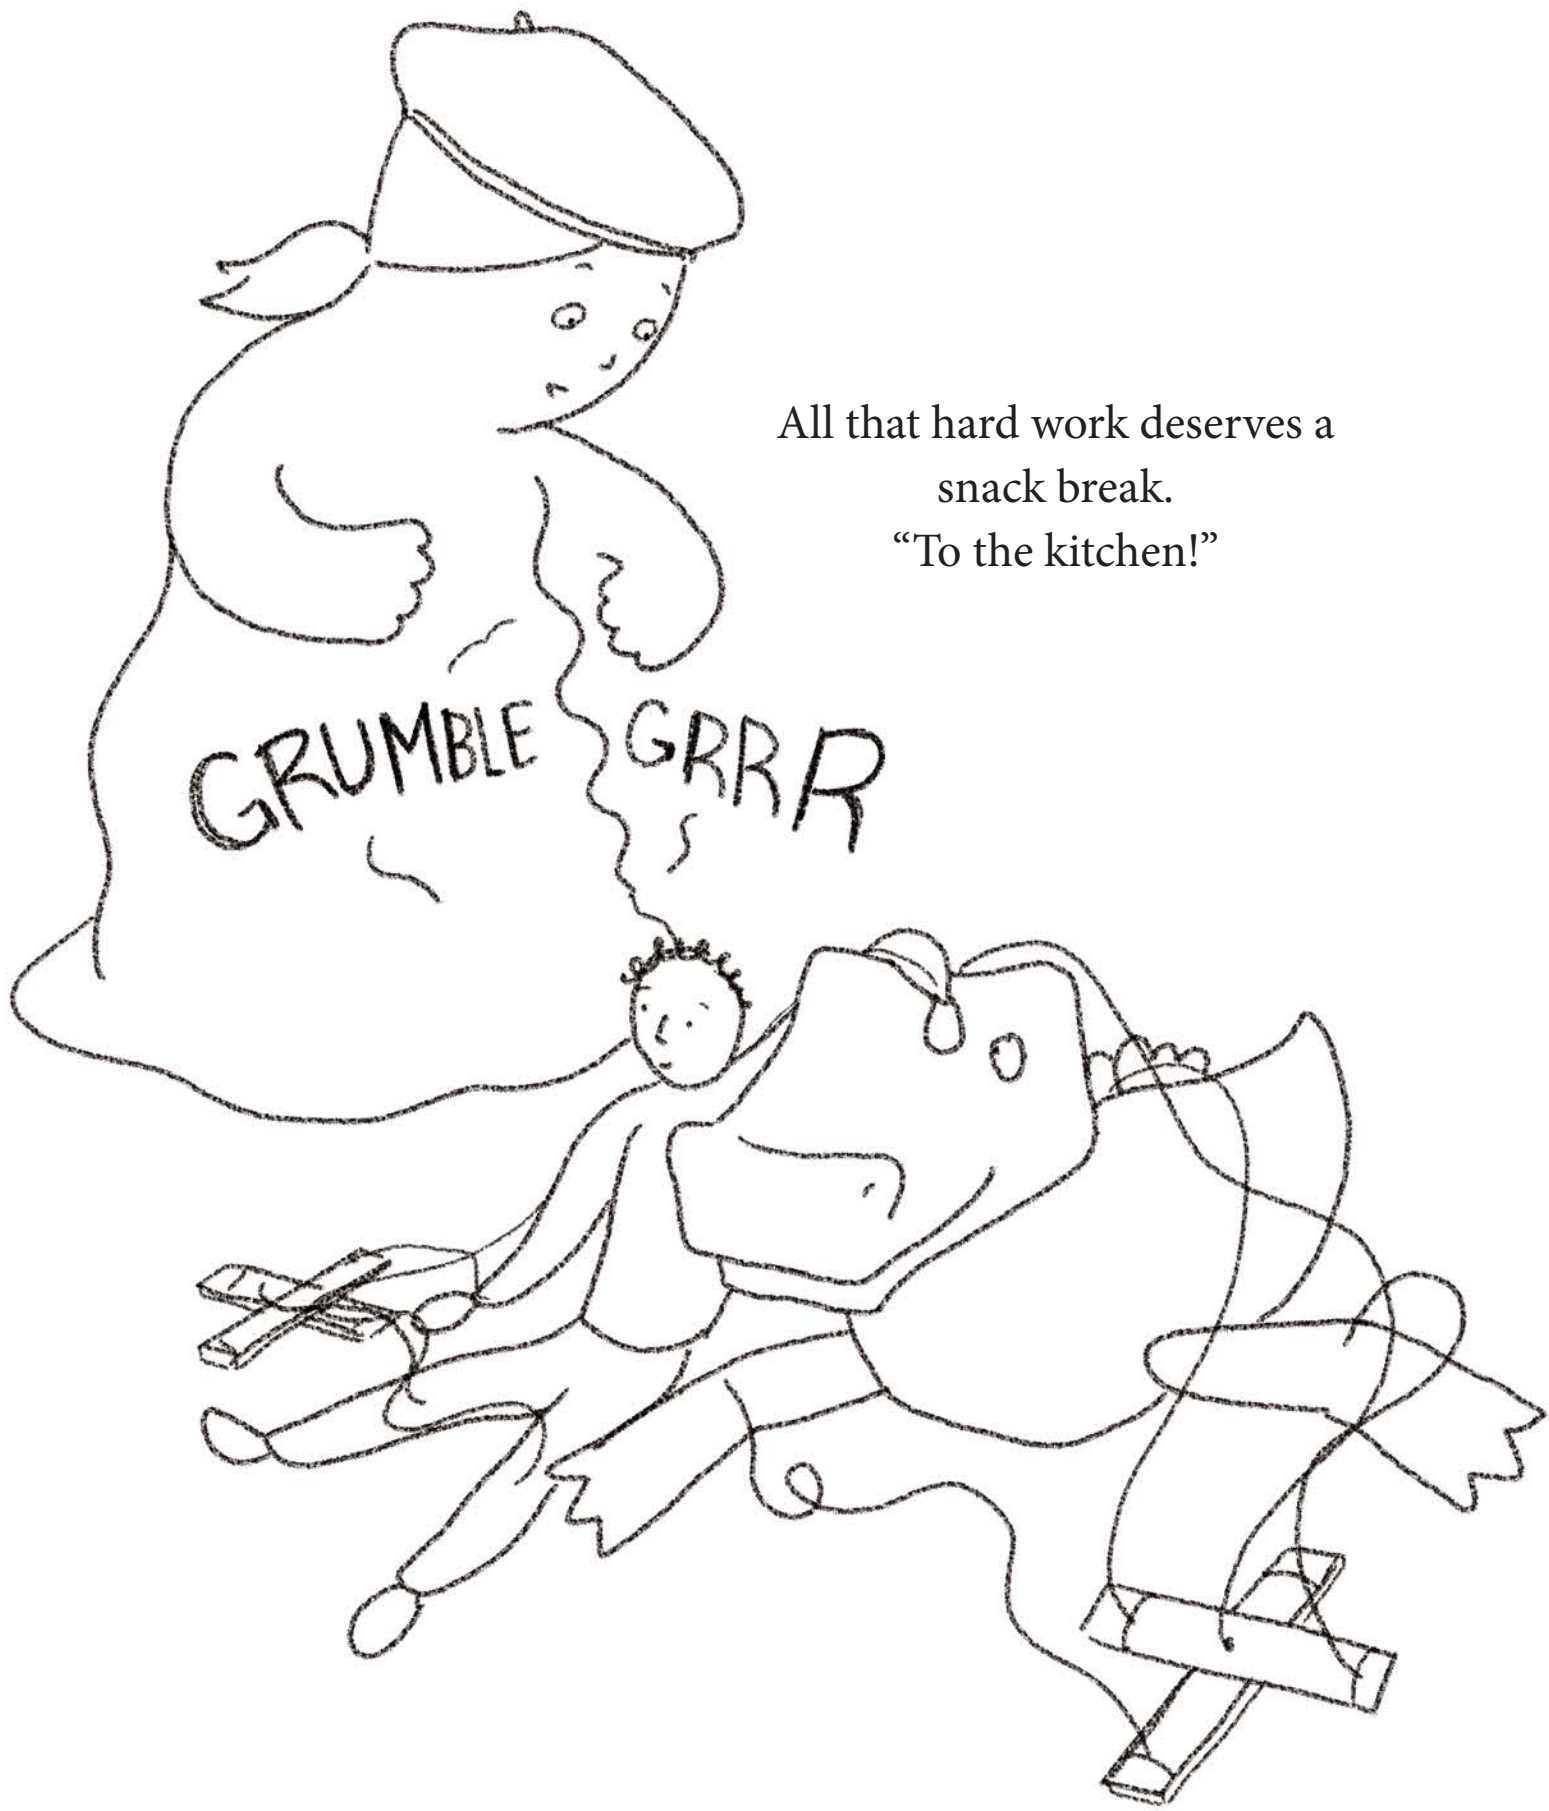

Up, down, left, right.

Walk, march, and...

**boogie oogie woogie!**

All that hard work deserves a  
snack break.  
"To the kitchen!"

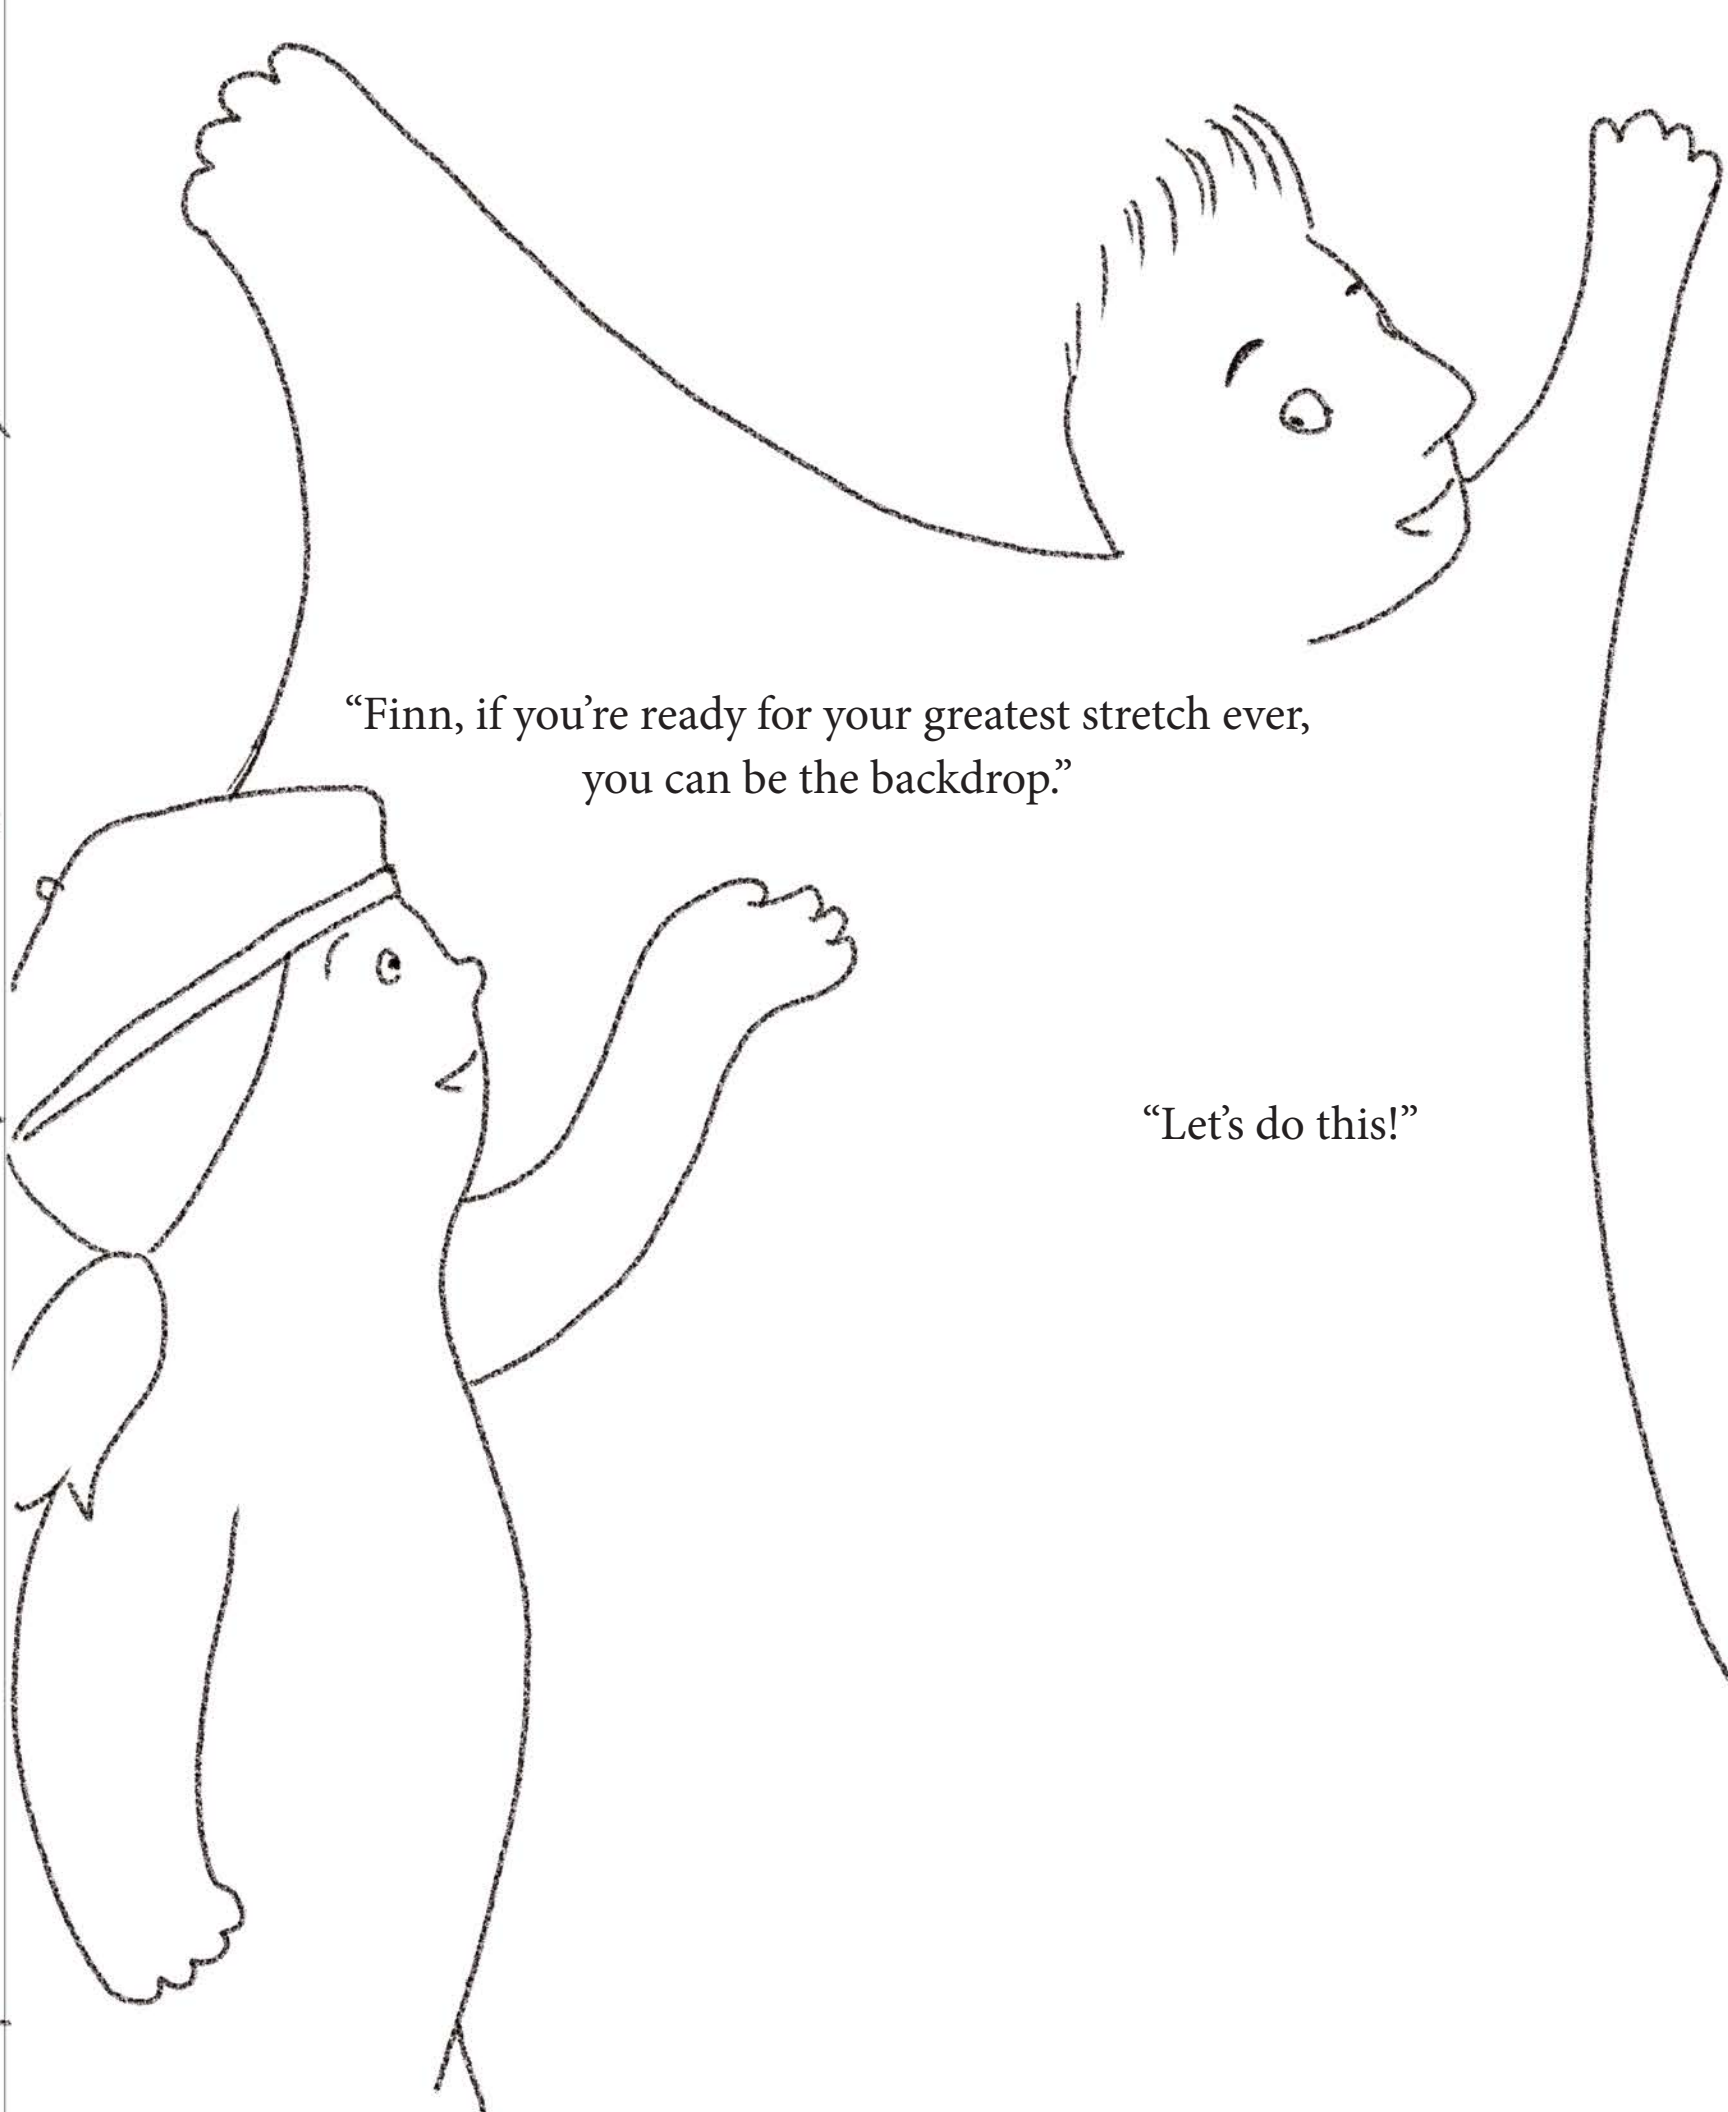

“Um...Poppy?”

“Perfect timing!  
I’ve got jobs for all of you.

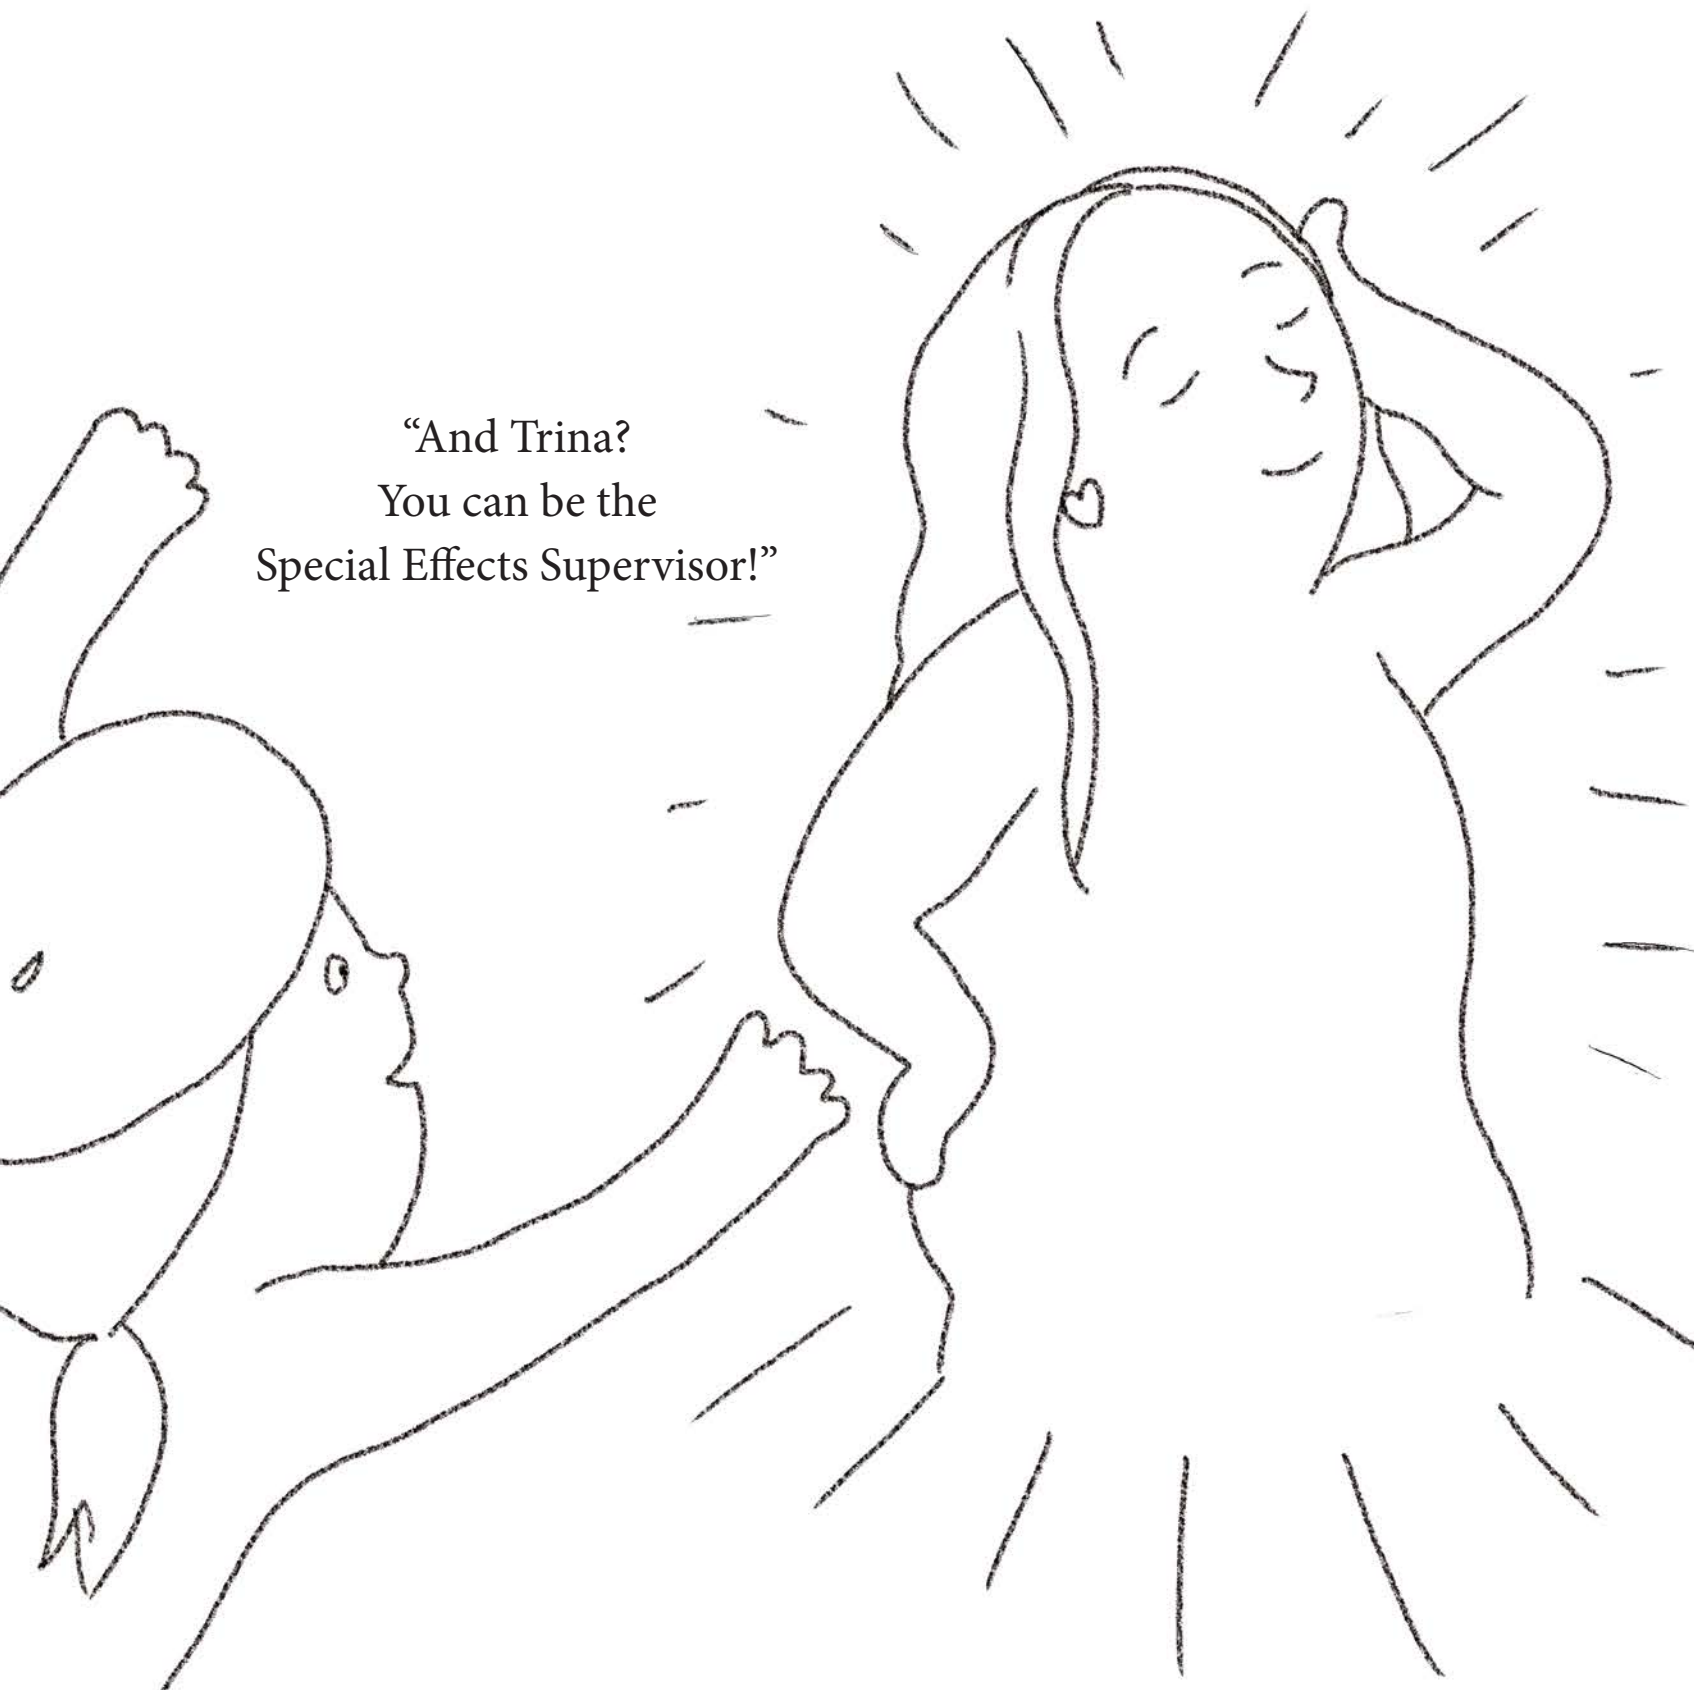

Gus, you’re going to rock the tunes.”

“Cool!”

“Finn, if you’re ready for your greatest stretch ever,  
you can be the backdrop.”

“Let’s do this!”

“And Trina?  
You can be the  
Special Effects Supervisor!”

“Oooh. I like the sound of that.  
Bring on the glitter!”

“Come one, come all to...”

# "THE SPECTACULAR SLIME FAMILY PLAYHOUSE!"

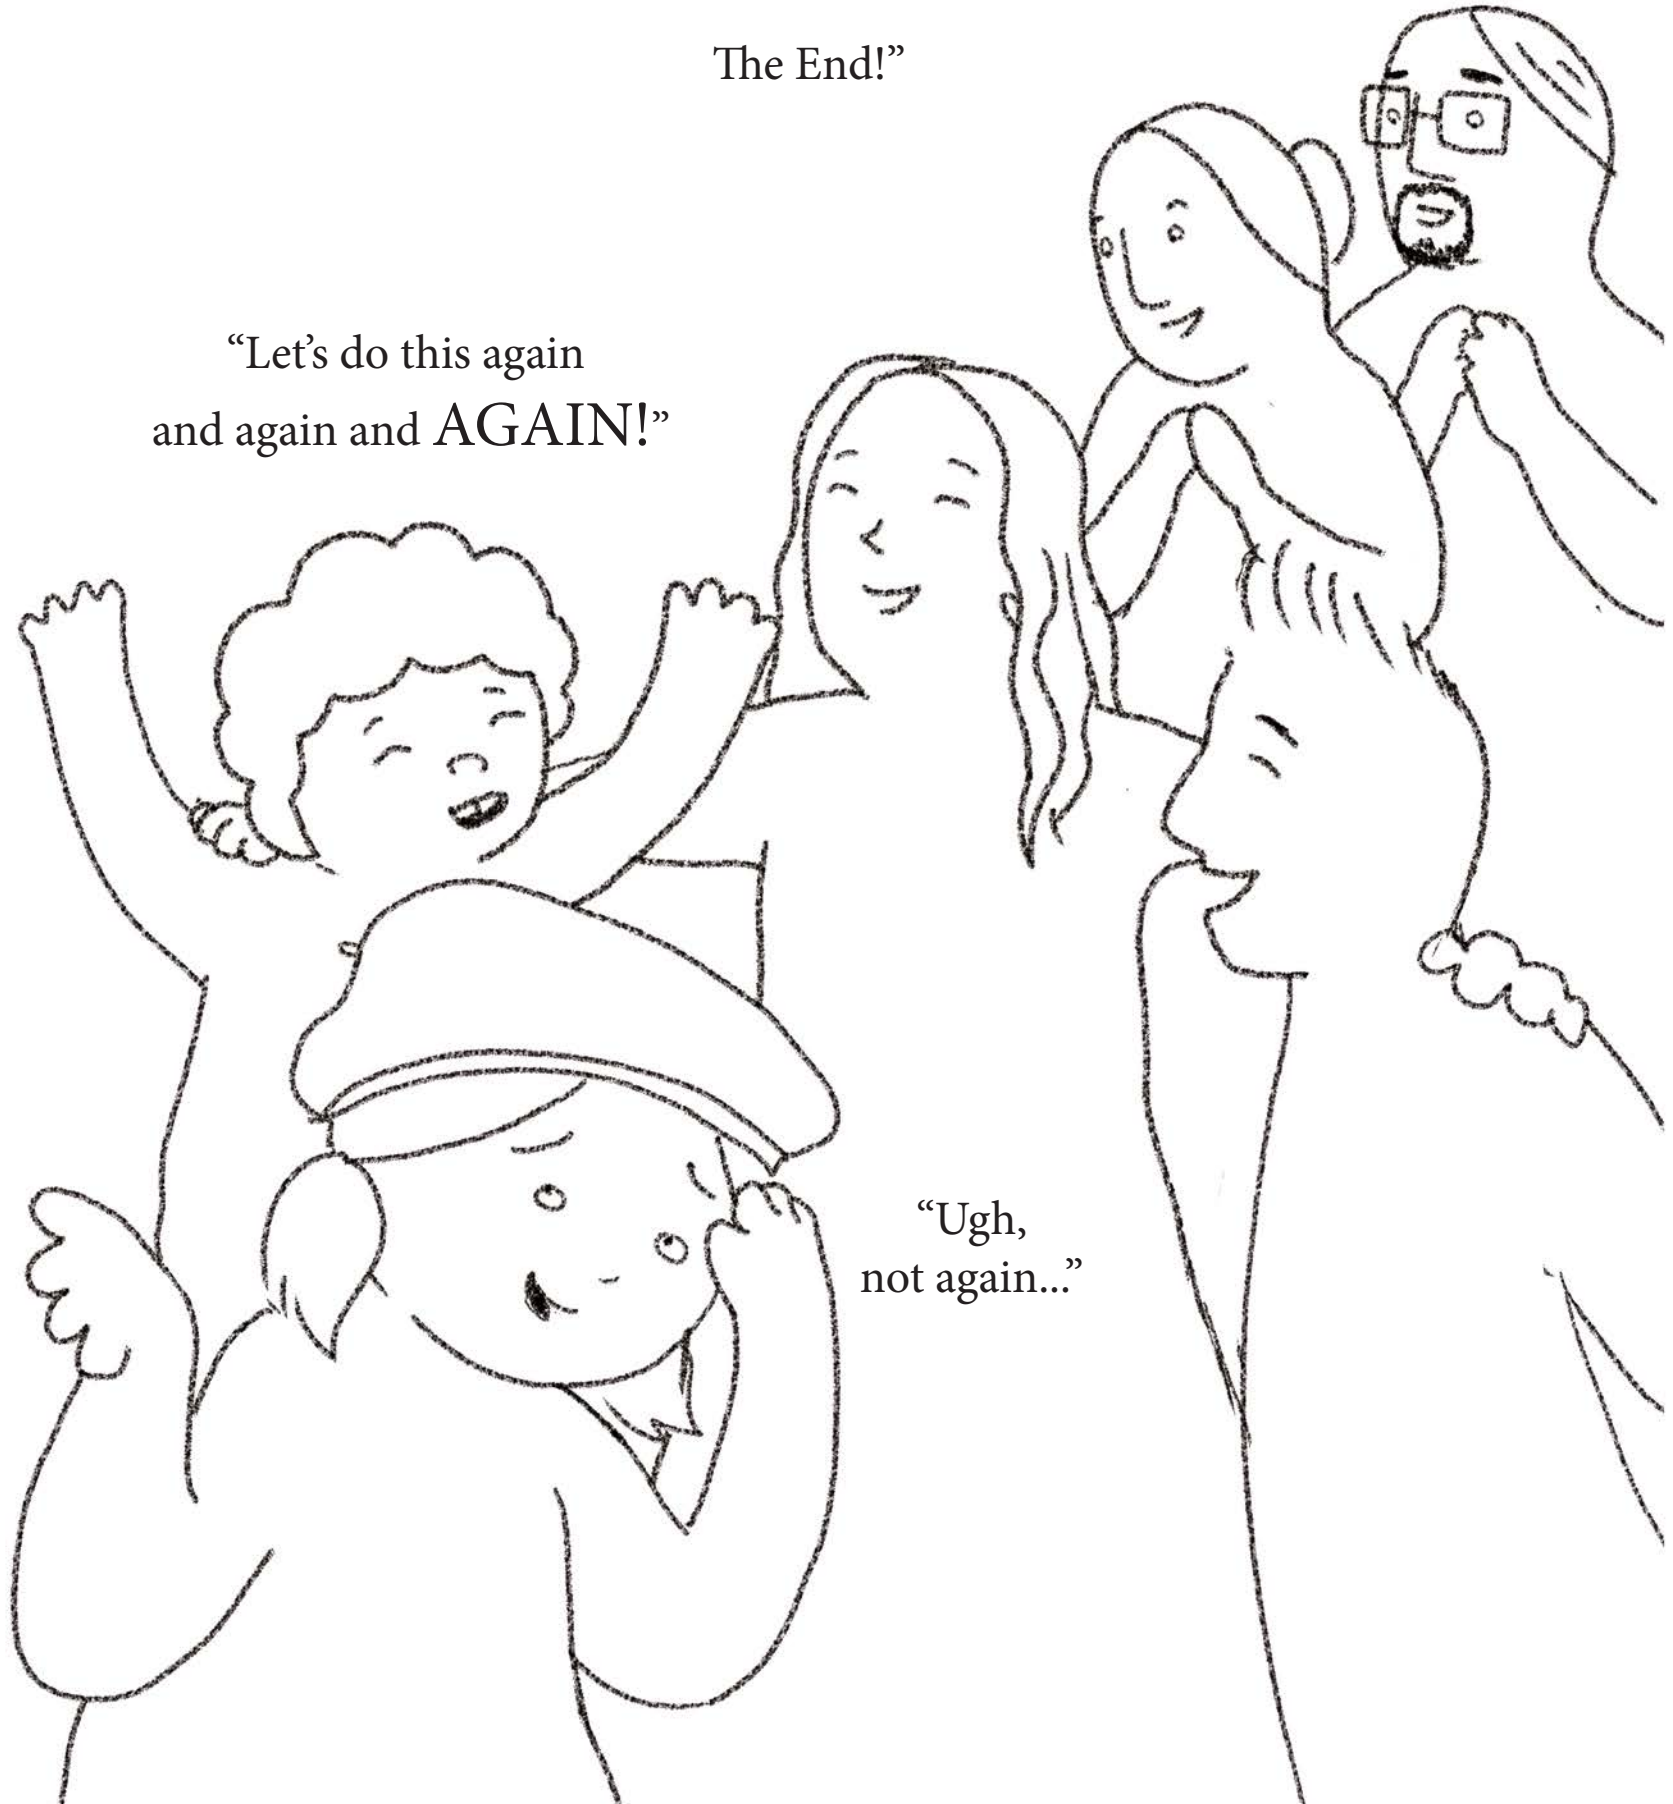

"Once upon a glittery day,  
there was a family that always did the same things over and over..."

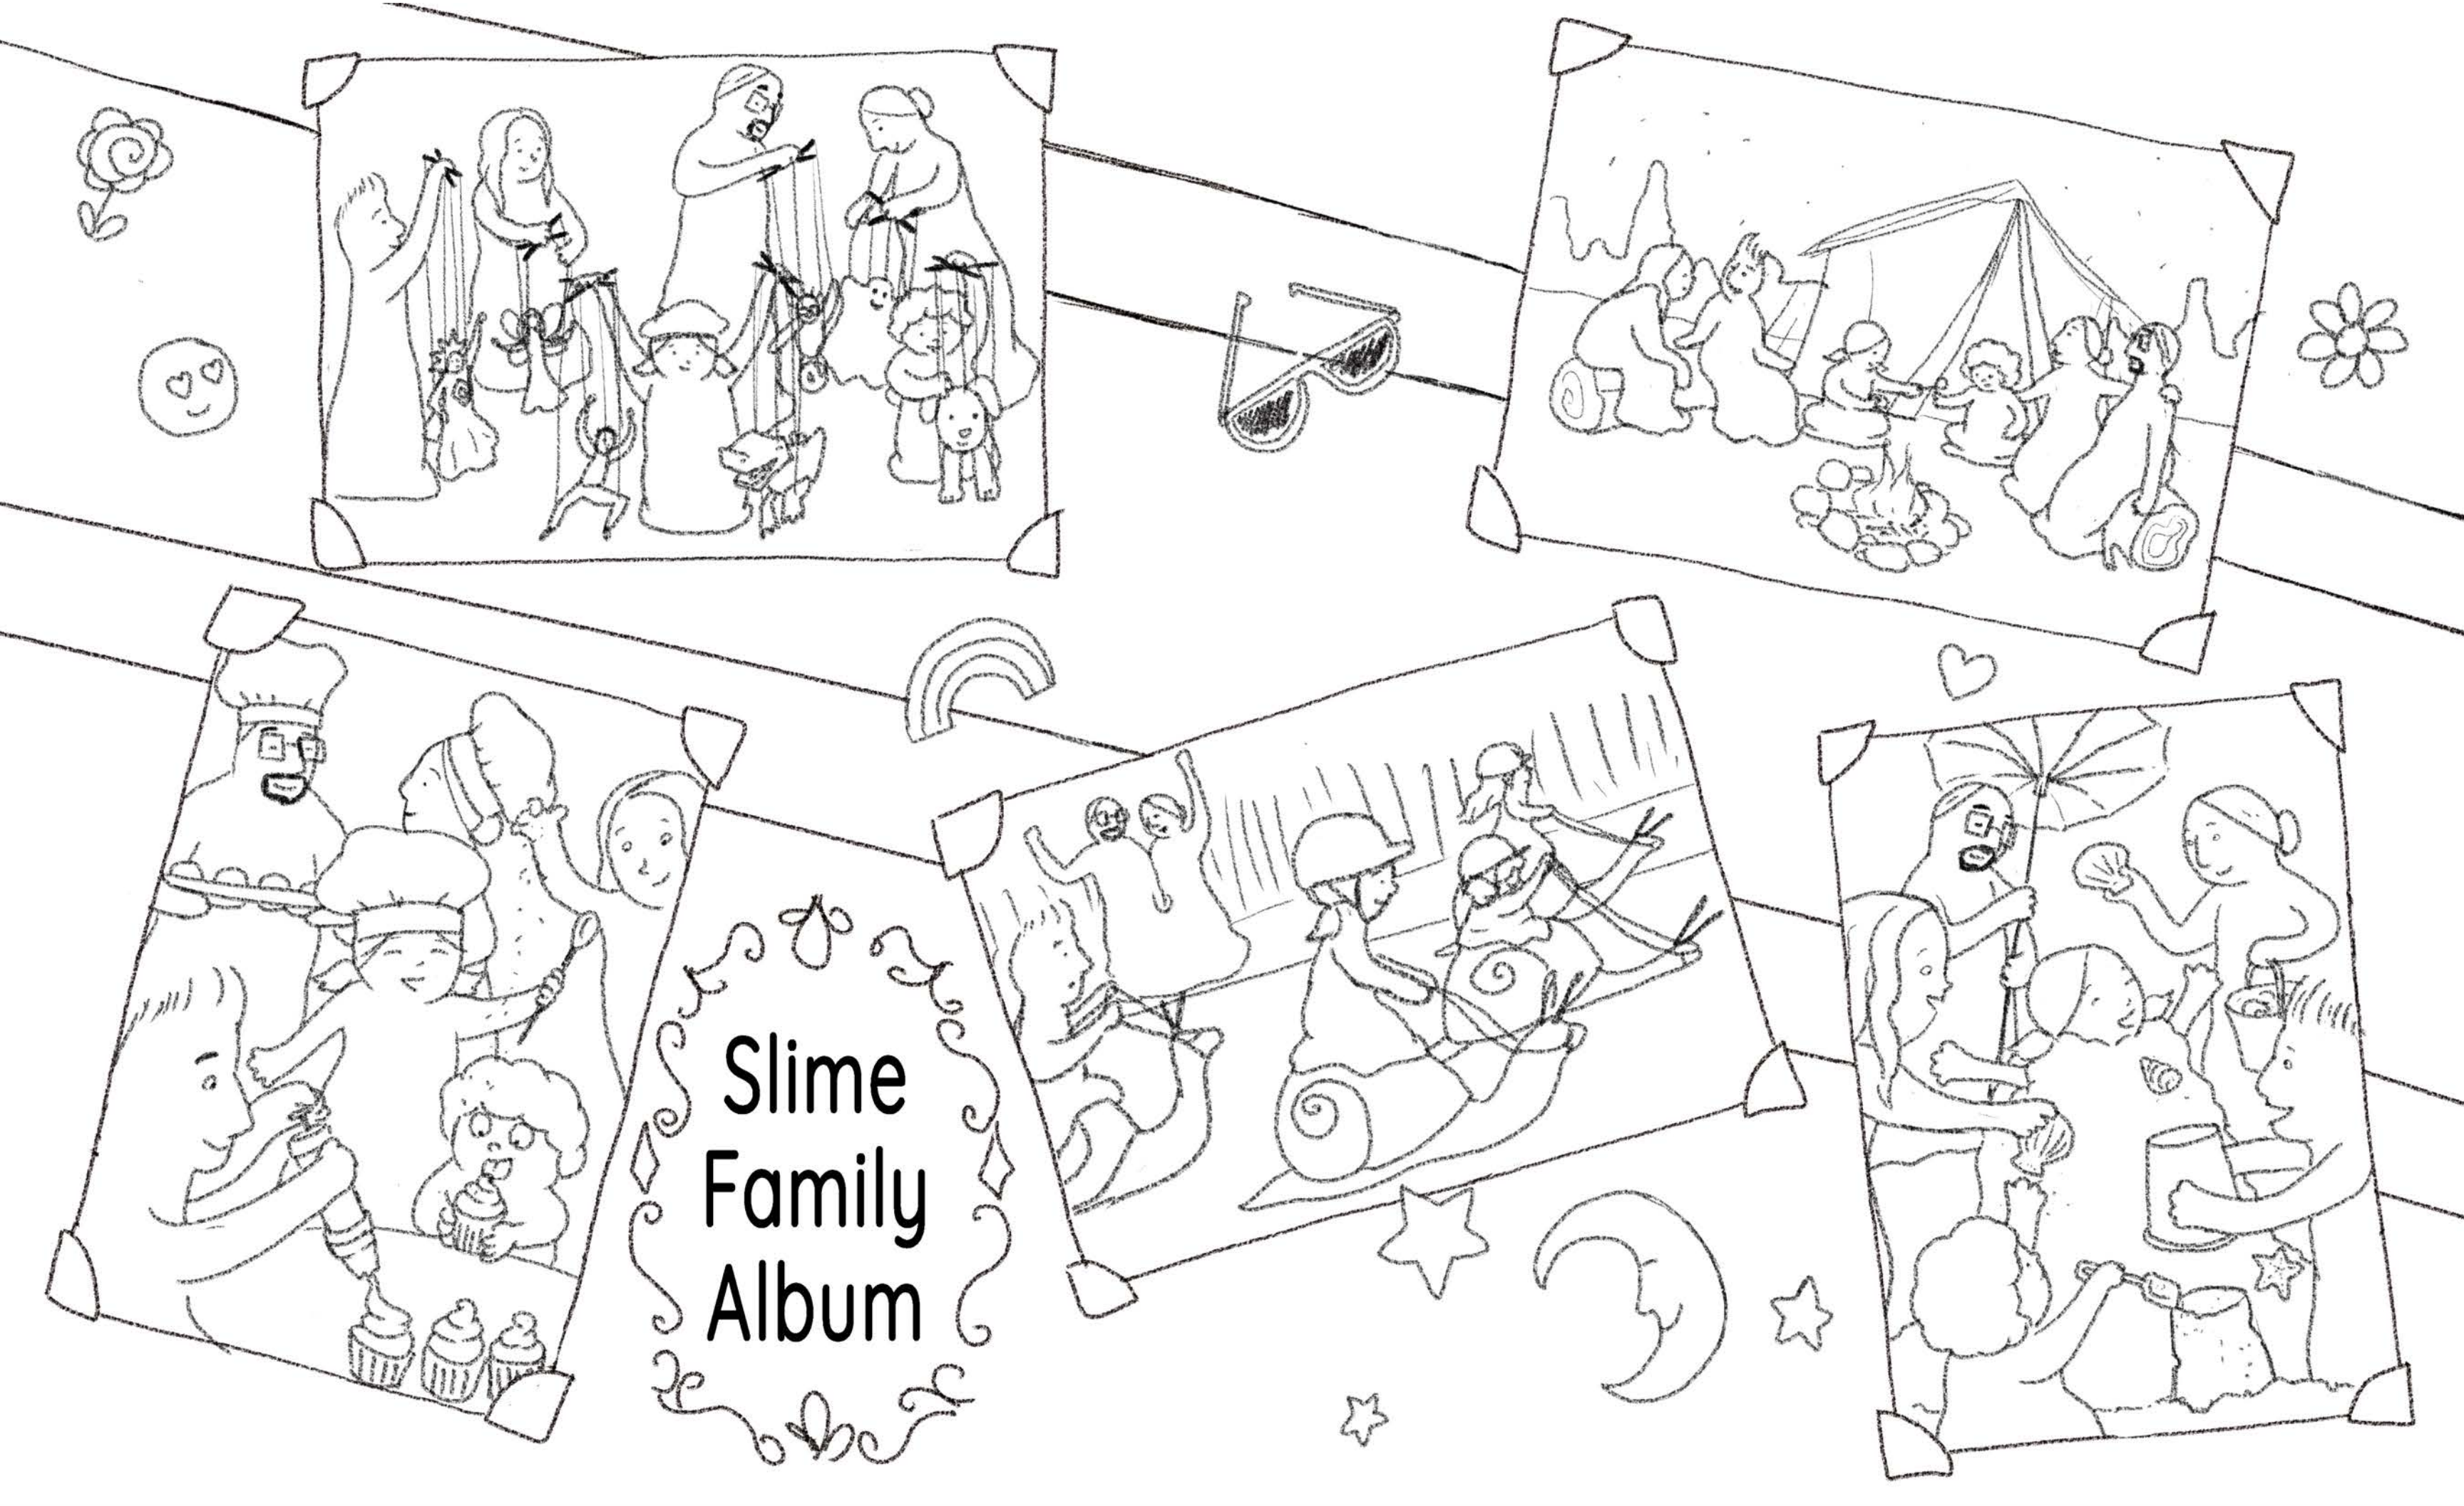

“...and they never ran out of new things to try.

The End!”

“Let’s do this again  
and again and AGAIN!”

“Ugh,  
not again...”
